DICTATOR

of the NEW WORLD ORDER:

Alive & Waiting in the Wings!

BY DR. JACK VAN IMPE

America under a dictatorship? It seemed impossible — unthinkable — just a few short years ago.

But we know from God's Word that it will not only be *America* under the thumb of the dictator — it will be the *world*. A world dictator is coming! It is predicted in the pages of Scripture. My thousands of hours of study of the Bible and of prophetic texts have confirmed it. Now I have devoted myself to translating the latest shocking events in America and around the world into the context of Bible prophecy — and the result is an astonishing new video, *Dictator of the New World Order: Alive and Waiting in the Wings*.

What is the final event that occurs before the Lord Jesus comes to earth? I have read 11,000 volumes and read hundreds of books on prophecy, and I can tell you with the backing of more than 400 theologians, masters of Bible prophecy, that *we are witnessing the foundation being laid for the final sign*.

There is no question that the stage has been set. Walter Cronkite lamented, "We are in a leaderless world." Julian Snyder, the economist, said, "We have a rendezvous with a world dictator." A former Belgian premier said, "Europe

is looking for a man so powerful that he will hold the allegiance of all the people. Be he man or devil, we are ready to receive him!"

And now — the twist of history: *there are many today who actually believe that President Barack Obama is leading America into a dictatorship*. Sen. Byrd, a member of the President's own party, has complained that Congress has no control anymore over this President, who appoints "czars" without the Senate's consent. Former House Speaker Newt Gingrich has said on national television that we are headed for a dictatorship.

This amazing video teaching reveals answers to questions that have troubled multitudes — questions which can now be laid to rest, because God's Word is so clear. This new video answers such intriguing questions as:

- What is the complete chronology of latter-day events?
- What do we know about the rapidly rising world dictator?
- What does the Bible say about people who insist that Christ will not return in our lifetime?

Dear Dr. Van Impe,

I saw one of your programs and I was impressed. Not too many folks on TV usually catch my attention when preaching the Gospel, but I could watch you all day. I enjoy how candid you are and how humble you seem to be.

Keep up the awesome preaching, and keep telling it as it is! God bless you and your ministry.

—A.F.

When I first became a Christian (8 years now), there were so many voices out there. I really didn't know who to trust. My husband came across your program one night and was trying to tell me about you and Rexella. I am now ashamed of this, but my comment was, "Yeah, yeah, they're all the same."

But ... you and Rexella aren't the same. You back up every word with Scripture and we have learned so much through your ministry. God bless you and your dear wife!

—E.S..

- Why could Hitler, Stalin, or Mussolini *not* have been the Antichrist?
- What are the 32 names given to the last world dictator in the pages of Scripture? And what is his one most frequently used name in the New Testament?
- How do we know the final world dictator will be a man?
- How do we know the dictator will be a genius and a great orator?
- How will the dictator gain favor with nations of the world, come to control them, and take over the economies of the world?
- When Jesus returns to earth on a white horse to rule 1,000 years, who will try to block him — and how?
- When will the dictator come to power?
- Will the new world dictator appear after the Rapture? How can we know?
- Who planned the three world wars? (I detail the plans for you, in the video!)
- How has the Club of Rome "regionalized" the

world into a 10-division world empire? What does it mean?

This new video, *Dictator of the New World Order: Alive and Waiting in the Wings* is going to show you that the coming dictator will be a "religious genius" as well — able to sway and control the religions of the world: 2 Thessalonians 2:4 says he "will exalt himself over everything that is called God or is worshiped, so that he sets himself up in God's temple, proclaiming himself to be God." At the same time, as we look at world events today, we see that powerful organizations — which have pushed the idea of a new world order for decades, even centuries — may be preparing *Barack Obama* to be the one who begins to create and lead this one world government!

In fact, in this video you're going to see a false prophet arising mentioned by Bishop Sheen and other Catholic theologians. You're going to see a pro-abortion President speaking at a major pro-life Catholic university — and receiving an honorary Doctorate and applause! You're going to see Obama speaking at a Catholic Jesuit university, with the White House insisting ahead of time that the institution must cover up everything concerning Christ, to avoid offending Muslims — and the school complies! Catholic leaders in my video will tell you why.

I'll show you what Muslim leaders have said about Obama ... what entertainment leaders have said ... what religious leaders have said ... and how their comments align with the predictions of Scripture! We'll look at President Obama's faith. We'll compare his public statements to statements in the Bible — approximately 100 times. We'll look at how Evangelicals are being swayed to believe that there are many ways to heaven — in agreement with the president. We'll look at what the president says he believes about heaven — in opposition to the Bible! And what he says he believes about hell? "As not being part of my religious makeup," he says!

Will President Obama be the last world dictator?

Get this video and decide for yourself, based on the truth of God's Word!

“Armageddon” has come to stand for the most terrible of all wars. The word actually means “mount of Megiddo,” referring to a small mountain overlooking the Mediterranean Sea. The great valley there has been a battlefield for many conquerors, and it will be the focal point of the earth’s final conflict.

**By Dr. Jack
Van Impe**

ARMAGEDDON

Since the fall of man, earth’s population has been training for Armageddon.

Every tiny skirmish and world war has been a preliminary to the battle of battles: Armageddon.

Following the defeat of Russia and her armies by Israel and her allies, the final world dictator will be revealed for who he is and what he’ll become. The length of his reign after the Israeli defeat of Russia will be 3½ years (42 months), and during that time he will bring the world to its most violent hour.

The World’s Most Violent Hour

There is considerable speculation as to just what triggers the Battle of Armageddon. Why do the armies of the world gather in the Middle East

at the end of the Tribulation period? Is there a rebellion in the kingdom of the Antichrist? What precipitates the final conflict? Although there is mystery surrounding some of these questions, there are a number of certainties about Armageddon.

- 1** It takes place in the middle of the seven-year period of the Tribulation (Rev. 16:16).
- 2** It involves all the nations of the world (Zechariah 14:2).
- 3** It pits all nations against the Lord and His anointed (Ps. 2:1-6).
- 4** It ends with the revelation of Christ as King of Kings and Lord of Lords (Rev. 19:11-21).

While many latter-day events are hidden from us, it is not difficult to sort out some important developments during the Tribulation period that lead to the Battle of Armageddon.

The Consolidation of the Power of the Antichrist

When the Beast (the Antichrist) makes peace with Israel and guarantees her security at the beginning of Daniel's 70th week, he is not in complete control of the world. Although he is headed for ultimate dictatorship, the earth is at that time still given to considerable nationalism. The Beast will have to fight for total control of the earth. To gain unchallenged dominion, he will have to face the military might of both the Russian confederacy and a powerful Eastern force, probably China. Writing of this international turmoil, Daniel explained: "And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over" (Dan. 11:40).

That this crisis is not confined to the northern alliance is made clear in Daniel 11:44: "But tidings out of the east and out of the north shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many."

Following the miraculous defeat of the Russian armies and their allies for Israel's sake, the global leader will vent his fury against the massive Eastern force of 200 million that is moving toward the Middle East to challenge his power. The casualties in this confrontation will total one-third of the world's population. Take a moment here to read Revelation 9:15-19 for John's description of the struggle and slaughter.

With all the world subservient to him, the final world dictator will deify himself, demanding worship in the Jews' temple in Jerusalem. He will then assume total economic control, requiring his mark in the hand or forehead in order for a person to transact any business. The Beast will rule the earth, assisted by the false prophet and energized by Satan. The entire world will be under the control of a satanic trinity (Revelation 13:4-8).

It is clear then that all opposition to the Beast

will finally be put down, making him a world dictator. Threats from the north, the south, and the east will be overcome. "... therefore he shall go forth with great fury to destroy, and utterly to make away many. And he shall plant the tabernacles of his palace between the seas in the glorious mountain ..." (Dan. 11:44-45).

The Antichrist will have accomplished the dream of Hitler, Napoleon, the Caesars, and others. He will be dictator of the world.

The 144,000 Converted Jews

Another important factor as the world moves toward Armageddon will be the conversion to Christ of 144,000 Jews — 12,000 from each of the 12 tribes of Israel (see Rev. 7:4-8). The result of their missionary activity during history's most difficult time will be phenomenal. They will reap converts from all nations, even though conversion will mean martyrdom for many (Rev. 7:9-17; 13:15; 20:4).

The message of these 144,000 Hebrew

It is clear then that all opposition to the Beast will finally be put down, making him a world dictator.

Christian evangelists will be the gospel of the kingdom — that is, it will be the gospel with a kingdom emphasis. They will be announcing the coming kingdom of Christ, and during their ministry Matthew 24:14 will be fulfilled: "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall Christ come."

An added dimension to the kingdom message of the 144,000 servants of God will be their ability to announce the approximate time of the Lord's return. Tribulation chronology will make this possible.

A number of prophecies state that the rule of the final world dictator will continue for 3½ years after breaking the agreement for peace with Israel. Daniel described this period as "a time and times and the dividing of time" (Dan. 7:25). John similarly spoke of "a time, and times, and a half a time" (Rev. 12:14). Becoming more specific, he wrote: "And there was given unto him a mouth speaking great things and blasphemies; and power was

given unto him to continue forty and two months” (Rev. 13:5).

It is not difficult to imagine the reaction of the world dictator to those who publicly proclaim the end of his reign and announce the coming kingdom of Christ. His anger will explode in an avalanche of persecution. Multitudes will be martyred. These are the millions who are saved after the Rapture (Rev. 7:9,14). There will be no Sunday-go-to-meeting Christians during the Tribulation. Great numbers will be called upon to seal their testimonies with blood.

The Impact of the Defeat of Russia

The deliverance of the Jews from the Russian invaders will cause many of them to turn to Christ, claiming Him as their Messiah and Lord: “So the house of Israel shall know that I am the LORD their God from that day and forward” (Ezek. 39:22).

A number of prophecies state that the rule of the final world dictator will continue for 3½ years after breaking the agreement for peace with Israel.

This desertion of the dictator by numbers of Jews will intensify his hatred of both Jews and Christians, especially Jews who have been converted to Christ. A wave of anti-Semitism will sweep the earth, motivated by Satan and promoted by the Antichrist: “And the dragon was wroth with the woman [Israel], and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ (Rev. 12:17).

The Two Witnesses

The Antichrist and his kingdom will bring great trouble to the earth. But he will also be troubled. Irritations will increase with the message of Christ’s return preached throughout the world. Every tribe and nation will be made aware of the timetable of the end, the eventual fall of the Antichrist, and the coming kingdom of Christ. To add to his miseries, two powerful prophets will appear in Jerusalem and will witness there for 3½ years, guaranteeing the truth of the kingdom message of the 144,000 servants of God.

These two witnesses will be miraculously protected for “a thousand two hundred and threescore days” (42 prophetic months of 30 days each). Their power to bring plagues will draw the attention of the world to their ministry and message: “These have power to shut heaven, that it rain not in the days of their prophecy: and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will” (Rev. 11:6).

They will undoubtedly herald the countdown of the Tribulation timetable, pointing to the time of the Lord’s return to set up His kingdom. It seems likely that many of the Old Testament prophecies concerning the kingdom of Christ will be repeated by these men of God. Perhaps they will cry that the great stone of Daniel’s vision is about to fall from heaven, bringing the downfall of all earthly rule and establishing the millennium kingdom (Dan. 2:44-45).

When the two witnesses have concluded their work, they will be slain, and television cameras will beam the sight of their dead bodies lying in the street of Jerusalem to all the world. The news of their death will cause a celebration among the ungodly of all nations: “And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth” (Rev. 11:10).

After 3½ days, they will be resurrected and will ascend to heaven in a cloud while their enemies watch, paralyzed with fear.

The Call to Armageddon

The world dictator and his associates will have seen and heard enough. Furious over the success of the 144,000 evangelists and bitter because many Jews have rejected his rule and have turned to Jesus Christ, this dictator will announce a campaign to destroy the Jewish race once and for all. He will blame them for every ill on earth. Every problem in his kingdom will be laid at their door. Every wrong on earth, economic and political, will be charged to them. The hatred and animosity of all the Hamans and Hitlers of history will culminate in this latter-day evil ruler.

Having been warned of the time when Christ will return to set up His kingdom, the Antichrist will summon the armies of the earth to the Middle East to destroy the Jews and defeat their Messiah at His coming.

Demonic power will be unleashed.

Miracles performed through satanic power will convince the leaders of the earth who are subservient to the Antichrist to move all their military might to the Middle East to do battle with Christ at His return to the mount of Olives (Zech. 14:4). “For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God almighty” (Rev. 16:14).

Armageddon will demonstrate man at the height of his pride and folly. Convinced of the power of their weaponry and deceived by a leader energized by Satan, the armies of earth will march to their doom, expecting to destroy the Christ they have rejected.

Does this appear to be madness? It did to the psalmist who looked through the centuries and saw it unfold in prophetic vision. He asked: “Why do the heathen rage, and the people imagine a vain thing?” (Ps. 2:1).

Explaining the reason for his question, he wrote: “The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us” (Ps. 2:2-3).

Here is the rebellion of man at its logical end.

And Armageddon will end the rebellion of man.

The King Is Coming

Tribulation chronology will have allowed the global dictator and others to know the time of the return of Christ. The armies of earth under the direction of the leader of the new world order will have gathered to destroy the Jews and to battle the

Lord Himself. Armageddon will have arrived: “And he gathered them together into a place called in the Hebrew tongue Armageddon” (Rev. 16:16).

The armies of earth under the direction of the leader of the new world order will have gathered to destroy the Jews and to battle the Lord Himself.

At Armageddon, the most awesome array of deadly weapons ever assembled will be waiting to destroy the returning Christ. In effect, the world’s latter-day inhabitants will echo the cry of those who rejected the Savior at His first coming: “We will not have this man to reign over us” (Luke 19:14).

But the enemies of the Lord will be defeated — Revelation 19:19-21.

In the wake of the destruction of Armageddon there will be work to do. The Church, having returned with the King, will share in these responsibilities. The kingdom of Christ will be established, and the violent drama of the ages will end. There will be peace at last as they “beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war anymore.” Amen and amen! ☺

HE'S COMING *Through* THAT DOOR!

BY DR. REXELLA VAN IMPE

Jack's parents were extremely proud and grateful to live in the United States but always kept strong ties with their homeland and all of their relatives over the years.

Consequently, after Jack and I were married, it was my joy to accompany him to Belgium to visit his family and celebrate his European heritage.

During our trips, I learned to love the warmth and strong character of the people there, and had the opportunity to learn a good deal about the culture and history of Belgium. The last time we were there, I was so impressed with the beauty of Brussels that I tried to capture a few glimpses in photographs.

A city of beauty, culture, and history

The old world architecture of historic Brussels is absolutely gorgeous, with buildings dating back to the 1300s. Amazingly, they are just as magnificent and impressive today as they must have been when they were originally built. And scattered throughout the city are neighborhood parks with statues and monuments to historic leaders and events. People still gather there, particularly at mid-day and in the early evening, to relax in the shade of the trees and converse with friends and passersby.

During this spectacular visit, we were happy to celebrate the biannual flower festival. I watched a beehive of workers scurrying about to place one million gloriously beautiful blossoms into an ornate design that turned the entire marketplace into a floral extravaganza — a million red and white petals glowing in the soft sunlight. I could hardly believe what I was seeing.

The next day I took Jack with me back to the marketplace to see the completed exhibition. It was breathtakingly beautiful, and I could only exclaim, “This is something I wish everybody could see!” And, indeed, it seemed that people from all over Europe had come to see Brussels’ fabulous Flower Festival on the Grand Place Square. I shall never forget that awesome spectacle!

A city of prophetic destiny

There is another reason I wanted to share with you some facts about Belgium in this article. This small European country is becoming more and

more renowned, the setting for almost daily international news reports. Why is so much world attention focused here?

It all started around 1948 with the establishment of the Benelux (Belgium-Netherlands-Luxembourg) Economic Union, which gradually evolved into the European Union. Beginning with 10 key nations, then 13, then expanding to the current confederation of 27 countries, the European Union (EU) has its headquarters in Brussels.

The EU’s stated purpose and concern is related to trade and commerce among member nations as well as international trading partners. Increasingly, it has begun flexing its muscles around the world to influence or control virtually all aspects of life for its member nations. The EU has implemented a new currency, the euro, and

Already the EU is exerting economic and political control over other countries in the world — including the United States...

forged numerous treaties and edicts dealing with such far-reaching issues as immigration, transportation, shipping, employment opportunities, legal and judicial standards, the environment, and a host of other concerns.

Already the EU is exerting economic and political control over other countries in the world — including the United States — on select issues. Essentially, the European Union can simply say, “The countries we buy from will

provide products that meet our specific standards,” or, “Our suppliers must not threaten or damage the environment in producing the products they sell to us.”

Scholars of Bible prophecy, like my husband, Jack, have long recognized that there will be a revived Roman Empire that will be the

last political empire to reign on this earth before Jesus comes back. Jack and other prophecy experts are sure that the European Union is that latter day empire, which will become the strongest economic and political power that has ever existed and will become global.

The Book of Daniel describes a great image, with different parts made of various materials: from a head of gold, breast and arms of silver, belly and thighs of brass, legs of iron, to feet and toes partly of iron and partly of clay. The 10 toes, scholars say, refer prophetically to a 10-division

that the final events of world history were about to unfold! And I exclaimed, “He’s coming through that door!”

When he steps forward, this new leader of the world may advance an economic plan that will eradicate famine and homelessness, providing food, shelter, and medical care for every person in the world — if they join his universal system. Simply accepting an identification implant — a mark — gives them access. We have all heard of the mark “666.”

What’s more, no doubt, this leader of the new world order will advance a solution to the wars and conflicts that have raged virtually out of control for centuries. The peace platform he presents on that day will be a seven-year peace program for the Middle East that will work— and even Israel will

Not only am I the leader of the European Union and the savior of the world — **I AM GOD!**

world empire as presently being created by the Club of Rome!

A new world leader for the last days

The Bible further reveals that out of this supreme political juggernaut will step forth the strongest and most cunning political leader ever to live. This world diplomat, whom the Word of God calls the Antichrist, will be brilliant, incredibly charming, and powerfully persuasive. As head of the greatest economic system in the world, perhaps with control of computer technology that could keep track of the daily activities of every person on earth, he would claim to have answers for mankind’s greatest problems and concerns.

So when Jack and I were last in Brussels, we walked across the historic city to a vantage point across the street from an enormous, modernistic steel-and-glass structure that houses the headquarters of the European Union. A huge semicircular row of flagpoles was outside the entrance, with the EU’s huge flag — royal blue with a circle of 12 gold stars — fluttering in the breeze, along with the national flags of many member countries.

As I stood there, I suddenly realized that I was seeing with my own eyes the actual, physical location from which the ultimate world dictator will surely come. I involuntarily shivered to think

accept it!

In the excitement and euphoria that follows such momentous events, even a majority of the remaining skeptics will be won over by Antichrist’s charming deception. Impressed by his genius as a mediator, his skill at international diplomacy, and his persuasive charm, they will

be defenseless when he flexes his muscles and declares, “Not only am I the leader of the European Union and the savior of the world — I AM GOD! I have the solution ... no, I am the answer for every remaining problem!”

Setting the stage for the end

Do you think such a thing could not happen? The problems of the world are getting bigger and more complex. Before one conflict is resolved, two more break out. No matter where you look in the world today, there is turmoil and tumult.

More and more voices are calling for world summit conferences and new multi-nation alliances. Despite protests to the contrary, expect to see future plans and proposals seeking to pass the world test! All the nations of the world seem confused and troubled. Is this not the perfect setting for the emergence of a new world leader who can deliver peace and provide solutions for every crisis?

The Bible says that in the middle of the great world dictator’s seven-year peace plan, the contract is broken and everything falls apart. The rage of the world breaks out anew, and the nations of the world align themselves for battle. This is the fearsome battle of Armageddon that will take place in the valley of Megiddo in Israel.

Hear this important word, my friend. One reason our “Jack Van Impe Presents” telecast is so widely accepted is that it is not a fearful program but a program of comfort and hope. Jack certainly talks frankly about current events and the important issues of our day. He does not shy away from pointing out the peril of the latter days in which we live. But more emphatically, he spotlights the victory and deliverance that are ours in Jesus Christ, our triumphant Lord and Savior.

Be comforted and encouraged in the words of Jesus —

“Let not your heart be troubled: ye believe in God, believe also in me. In my Father’s house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also ... I am the way, the

Sister Rexella,

Your messages are just wonderful and so true. God bless you and your husband Jack for getting the Word to people. Receiving your emails and watching you on TV just warms my heart. I thank God each day for you and Jack. Wish we had more in the world like you.

Keep up the good work, mighty lady of God.

Love and prayers to you and yours,
—T.O.

I just wanted to thank you for your ministry. I lost my job a few months ago and started watching your show, even though my husband has been watching it for a while. I look forward to it every week, and I truly believe you are touching lives, because you have touched mine. God bless you and your ministry.

truth, and the life: no man cometh unto the Father, but by me” (John 14:1-3,6).

Oh yes, any day now, a great and powerful world leader is coming through the door of the European Union to trigger the last events of the latter days. Watch and be ready.

But Jesus Christ, who is Almighty God, will soon be stepping through the door of the heavens, and He is all-powerful! He is coming to set everything straight — forever! Praise the Lord, we can say, “Even so, come quickly, Lord Jesus!”

That’s why we are on the air week after week. We believe every telecast and radio broadcast presents blessed hope to the world. Without Christ, there’s not much good news to tell. But with the Lord, we can joyfully proclaim a message of encouragement. He is coming soon!

I encourage you to be of good cheer and to go about the Master’s business. Oh, and keep looking up into the eastern sky, because our Lord will soon appear.

HE’S COMING THROUGH
THAT (HEAVENLY) DOOR! 🌟

Who is the leader of the New World Order?

Is he alive today?

How soon will he be revealed?

You and your family must know the truth!

Get the answers to all these questions and many more in the brand-new video teaching from Drs. Jack and Rexella Van Impe!

You will learn about the seven major prophecies that must be fulfilled before the global leader can come to power —

And how most of them have already happened in this generation!

- 1 Existence of modern Israel as a nation.**
- 2. Jewish armies in possession of Jerusalem.**
- 3. A European Union (revived Roman Empire).**
- 4. A false religious teacher arises — there are many false prophets today!**

5. A plan to microchip human beings — the Bilderbergs have the technology to accomplish this and plan to do so by 2017!

6. Powerful armies in Russia and China.

7. A nation committed to Israel's destruction — Iran's president believes he must destroy Israel to prepare for the Islamic messiah.

These seven signs have all been fulfilled *or are very near to completion today.*

And these seven lead up to the last sign: the Rapture of the saints, which we know could take place at any moment.

(This video completes the important teaching in *New World Order* — if you don't have it yet, see page 24 for details.)

The dictator of the New World Order cannot come into his complete dominion until we believers have been called home in the twinkling of an eye, but all the other signs of his appearance are in place.

This teaching shows you and your family what the Bible says about this charismatic leader and the havoc he will wreak upon this world after the rapture of the church.

Make sure all your friends and family members see this video and understand the evil that this leader will soon unleash — and can only be avoided by choosing Christ as Savior.

Letters *We Love*

Your show is awesome. When I started watching your show, I was “lukewarm.” Three-quarters of the stuff you talk about I had no idea was even in the Bible. I thought it was only a religion and a good way to live life. I didn’t know the depth. Since I’ve been watching, I haven’t missed a show. And as a result of your program, my mother has gotten saved as well! It’s like there was a whole new door opened to us!

—M.M.

In the mid-90s, through your ministry, I found renewal and was led by the Spirit to repentance and new commitment. The Lord is merciful and patient. He has made His presence known forcefully in our struggles through many things, but especially the challenge of my husband’s illness.

That battle was won October 10, 2007, when Jesus took him home.

I go on as I try to bear life without my beloved Gene, and just when it seems overpowering, there is comfort from Him. Two are stronger than one,

and my husband was the strong one.

Thank you for changing my direction back into paths leading to the Source of all power, Jesus.

—S.F.

I always look forward to watching your program every week. I also encourage non-believers to tune in to hear you speak on the world’s prophetic events that are taking place in our news.

Believe me, a lot of non-believers are becoming believers as the Bible is being presented in a *factual way*

that cannot be disputed! Keep up your work in reaching the lost and unsaved — and building the faith in others.

—R.M.

I have loved your TV show for years! I just turned 40, and it was your broadcast that led me to our Lord when I was 12! Thank you for your years of loving leadership.

—M.L.

Thank you for your wonderful ministry. I remember when I first saw your show, I only wanted to watch it because I heard you were going to talk about the pope. I thought, “Oh no, here goes another Protestant to say negative things about him,” because I had heard so many criticize the pope even on my local Christian radio station.

But was I wrong! You defended him, and since then I have been watching your show. Thank you for educating people about Catholic beliefs. If only more Catholics knew about their own religion as much as you know Catholic doctrine. You and Rexella are beautiful people, and I pray that prayer at the end with you every time I watch!

—J.T.

Thank you, Jack Van Impe, in helping save another sinner. The truth of the Lord is with you.

I’ve been a sinner all my life — gay and a prisoner to the flesh. But no longer lost, I have been found. The truth has set me free, and the truth is Jesus Christ.

—J.W.

Late one night I came across your program. I was looking for answers — and got what I was looking for. Thank you for putting me on what I believe to be the right path, Christ. God bless, and keep up the good work, from a former lost soul.

—G.H.

I live in Ontario, Canada, and for years I watched your Sunday night broadcast. I also credit you for winning my husband to Christ before he died. I will be forever grateful!

May God continue to richly bless you as you serve Him faithfully. May He continue to energize and empower you to win souls for His Kingdom. My best regards to you and Rexella.

—M.L.

If this note finds its way to you, know that Jesus, through you, helped save me. You are making an eternal difference for many! Strength, peace, and health to you, my brother.

—D.H.

I always receive your newsletters at the right time — usually when I’m down or depressed. I consider it a message from God, always brightening my day. I also have been watching your show the last 15 years, and your relentless faith, hope, and love always re-energizes mine. Thank you both so much for all you’ve done!

—G.R.

I just want to thank you! Through you, I understand that even though I know God and that Jesus died for us, spiritually I had left and was not truly living my life as a Christian. You personally may have saved my soul. I can see many fakes out there, but you are real. In my heart I can feel that you are here to spread the true Word of God. I am now looking forward to the return of Christ! I sincerely thank you!!

—R.A.

You and your wife are such a blessing. I know that the Lord let me find your program so many years ago. I was such a mess back

then. I have watched your program faithfully for many years now.

I have grown so much in the Lord. Your newsletter goes to my mom also, and her neighbor and husband always want the newsletter after she is finished. The neighbor’s husband is an atheist, yet for some reason is very interested in what you have to say. Perhaps he will not be an atheist for too much longer!

God bless! Your rewards will be great.

—L.A.

It is great to hear you speak the truth every week on your show. You give us the information we don’t get on the evening news. I believe the United States is in for a world of trouble with our current president. Who in the world would give a speech and cover up a symbol of Jesus Christ before they did? That’s exactly what Barack Obama did.

Keep on standing up and speaking out, Jack. You’re doing a great job! May God bless you!

—K.K.

My family and I watch your show each week. We partner with other people from our church and purchase your video materials. Thank you so much! I conduct service every Sunday morning at a 5,000-man maximum security prison and have done so for the past nine years. I also visit the county jail every other Saturday and conduct a Bible study.

I always include in my services something that you brought to light on your show. The guys love it. They don’t get you on their TVs, but they know who you are through me.

Please keep all prisoners in your prayers, and believe me, we keep you in ours. God bless you, and keep up the great work Jesus has inspired you to do. Thank you!

WORLD Report

HAMAS: WAR WILL SETTLE JERUSALEM DISPUTE, NOT TALKS

Haaretz reports: “Following a conflagration of violence at Temple Mount in Jerusalem, Hamas political leader Khaled Meshal declared that ‘Jerusalem’s fate will be decided with jihad (holy war) and resistance, and not negotiations.’”

Clashes between Israeli police and youths armed with rocks broke out at the Noble Sanctuary/Temple Mount compound, home of the Muslim holy site, the al Aqsa mosque. The confrontation was apparently sparked by radical Jewish clerics’

call to their followers to go up to the compound, and by calls by radical Muslim clerics for their followers to defend the site.

Meshal, in Damascus, voiced hope that Israel’s Arabs and the residents of the West Bank would join the residents of the Gaza Strip, which is ruled by Hamas, in staging demonstrations in protest of the Jerusalem events, Israel Radio reported.

Meanwhile, Jordan warned the Israel Police and religious Jewish radicals that further provocation at the compound would ‘fuel violence in the region and jeopardize peace efforts.’

‘Any new provocative attempts by Israeli troops and Jewish extremists such as what happened today in the shrine’s compound represents a flagrant violation of international law and conventions and sets the stage for more tension and acts of violence,’ Minister of State for Media Affairs and Communication Nabil Sharif said in a statement....” (**Totally erroneous. War will not settle the Jerusalem dispute but rather create World War III — Zechariah 12:2-3; Joel 3:2; Revelation 16:16.**)

RUSSIA ‘SIMULATES’ NUCLEAR ATTACK ON POLAND

The London Daily Telegraph reports: “The armed forces are said to have carried out ‘war games’ in which nuclear missiles were fired and troops practiced an amphibious landing on the country’s coast.

Documents obtained by *Wprost*, one of Poland’s leading news magazines, said the exercise was carried out in conjunction with soldiers from Belarus.

The maneuvers are thought to have been held in September and involved about 13,000 Russian and Belarusian troops.

Poland, which has strained relations with both countries, was cast as the ‘potential aggressor.’

The documents state the exercises, code-named ‘West,’ were officially classified as ‘defensive’ but many of the operations appeared to have an offensive nature.

The Russian air force practiced using weapons from its nuclear arsenal, while in the Russian

enclave of Kaliningrad, which neighbors Poland, Red Army forces stormed a ‘Polish’ beach and attacked a gas pipeline.

The operation also involved the simulated suppression of an uprising by a national minority in Belarus — the country has a significant Polish population which has a strained relationship with authoritarian government of Belarus.

Karol Karski, an MP from Poland’s Law and Justice, is to table parliamentary questions on Russia’s war games and has

protested to the European Commission.

His colleague, Marek Opiola MP, said: ‘It’s an attempt to put us in our place. Don’t forget all this happened on the 70th anniversary of the Soviet invasion of Poland.’

Ordinary Poles were outraged by news of the exercise and demanded a firm response from the government....” **(This is a threat by Putin to warn the people of Poland what would happen if they allowed the U.S. to place a missile base in their country.)**

‘NUCLEAR THREAT’ TO POWER GRIDS

BBC News reports: “Scientists have warned that Iran and North Korea could produce a weapon capable of paralyzing Western electricity grids for months or years.

Experts fear that a missile-launched nuclear bomb exploded above the earth’s atmosphere could cause a catastrophe.

They told the British government that high-altitude electromagnetic pulses could lead to an ‘economic shutdown.’

US government adviser Avi Schnurr said efforts to protect the US electricity grid had already begun.

Mr. Schnurr is president of the International EMP Council, a coalition based in the US, which aims to stimulate efforts to protect

against the risk of attacks using electromagnetic devices.

Those feeding into the network include scientists from around the world, governments, corporations and NGOs.

The British Parliamentary Defence Select Committee heard how a nuclear warhead launched from a medium range missile and exploded 20 miles above the earth could cripple an entire country’s power grid.

The *BBC*’s security correspondent Frank Gardner said this was called HEMP (High Altitude Electro Magnetic Pulse) and its effects could, in theory, bring a country to its knees.

At the briefing held in London, Mr. Schnurr said Britain was still ‘just at the thinking and planning’ stage and more action needed to be taken.

Mr. Schnurr said that power, water and phones could fail.

Cars could run out of fuel, cities could be gridlocked and the economy could in effect be ‘shut down.’

Recovery, he said, could take between four to eight years....” **(This could bring greater devastation on nations than atomic warfare. Electricity runs the world and its being threatened. Recent occurrences in Brazil could be the beginning. Luke 21:25 speaks of such an hour when nations will be in deep distress causing mass confusion.)** 🌀
