PM: Palestinian State will lead Islamists to Tel Aviv, Jerusalem

December 15, 2014 -- *Israel National News* reports: "Prime Minister Binyamin Netanyahu addressed U.S. Secretary of State John Kerry's upcoming talks in Rome on Sunday, during opening remarks for his weekly Cabinet meeting.

'Tomorrow I will leave for Rome to meet with Italian Prime Minister Matteo Renzi and U.S. Secretary of State John Kerry,' he said. 'I will tell them that Israel, to a large degree, stands as a solitary island against the waves of Islamic extremism that are washing over the entire Middle East.'

'Until now we have successfully withstood and repelled these attacks and now we also stand against the possibility of a diplomatic assault, i.e. an attempt to compel us – by means of UN decisions – to withdraw to the 1967 lines within two years,' Netanyahu continued. Franklin Graham says America is waging war on Christmas

December 4, 2014 -- *ChristianToday.com* reports: "The United States is experiencing a 'war on Christmas', according to Franklin Graham.

Writing in December's *Decision* magazine, the leading evangelical and founder of Samaritan's Purse said that in the last few decades the U.S. 'has witnessed increased hostility toward the sacred nature of Christmas, erupting into what has become a blatant war on Christmas'.

He went on: 'Stores, schools and communities across America continue to find new and intolerant reasons to remove any religious references to Christmas, stripping it of any holy or historical significance. Christian songs, prayers and other spiritually vital connections to the Lord Jesus Christ are deleted or diminished.'

He instanced cases around the country where authorities had removed Christian symbols or rebranded the Christmas holidays, claiming that in Ramsey County, Minnesota, the courthouse banned red poinsettias and that the city of Pittsburgh referred to the Christmas holidays as 'Sparkle Days'.

Graham concluded that 'at its root and core, the war on Christmas isn't really about Christmas at all—it's about the Son of God. The war on Christmas is a war on Christ and His followers.'... Satanic Temple approved for Capitol holiday display

December 5, 2014 -- *CBS Miami* reports: "Florida's Capitol will have a new holiday decoration this year. The Satanic Temple will be among its nativity scenes and secular presentations.

It's for Festivus, a non-commercial festival 'for the rest of us,' is close to coming back as a 6-foot stack of empty beer cans.

The Florida Department of Management Services this week approved the proposed holiday display from the Satanic Temple, which a year ago was rejected because the agency said its proposal was 'grossly offensive.'

The temple's entry was one of five displays that got approval to be put up in the first-floor rotunda of the Capitol for the end-of-year holiday period.

approval.

U.S. chaplain reprimanded for quoting religious sources

December 11, 2014 -- *Israel National News* reports: "A U.S. Army chaplain has been reprimanded for 'using Christian scriptures and solutions' at a suicide prevention training session.

The chaplain, Joseph Lawhorn, spoke at a seminar held at the University of North Georgia three weeks ago. He was issued a punitive 'Letter of Concern' by Col. David Fivecoat, the commander of the Airborne and Ranger Training Brigade at Ft. Benning, Georgia.

'You provided a two-sided handout that listed Army resources on one side and a biblical approach to handling depression on the other side,' Fivecoat wrote, as reported by Fox News. 'This made it impossible for those in attendance to receive the resource information without also receiving the biblical information.'

The letter aroused the ire of a U.S. Congressman, Dough Collins (R) of Georgia, who wrote his own letter to Col. Fivecoat. 'I find it counterintuitive,' he wrote, 'to have someone lead a suicide prevention course but prohibit them from

providing their personal testimony.’ He added that the Army’s Equal Opportunity policy was formulated precisely to protect the personal beliefs of military personnel.

Ron Crews of Grace Churches International, which organized the training session, explained that Lawhorn ‘did nothing wrong. At no time did he say his was the only or even the preferred way of dealing with depression.’ Crews added that the chaplain simply discussed his own struggles with depression, and outlined the methods and techniques he personally used to combat depression.

‘His story involves his faith journey,’ Crews said. ‘He was simply being a great Army chaplain - in ministering to his troops and providing first-hand how he has dealt with depression in the past. Death penalty for smuggling Bibles?

December 16, 2014 -- *WND.com* reports: “Unconfirmed reports of a new decree imposing the death penalty on anyone caught smuggling Bibles into Saudi Arabia has many Christian

ministries and support groups on edge.

Practicing any religion other than Islam has long been illegal in the desert kingdom, and that includes rules against foreigners bringing in any type of religious material that does not conform to the royal family’s strict Wahhabi brand of Sunni Islam. Foreign nationals living in Saudi Arabia are often detained for purely religious reasons, sometimes resulting in deportation.

But applying capital punishment, which in Saudi Arabia often means death by beheading, to Bible smugglers would signal a new level of persecution even for the Saudis.

Several Christian missionaries said they were seeking to confirm a recent report by the Virginia-based Heart Cry Missionary Society that a new death penalty law has been adopted citing an ‘official statement’ in Arabic on a Coptic Christian website called *CoptsToday*.

The law reportedly extends to the importing of all illegal drugs and ‘all publications that have a prejudice to any other religious beliefs other than Islam.’...” **(There is not one Christian church in this Islamic nation. December 19, 2014 -- *WND.com* reports: “Oddly, within American evangelicalism and media circles, a concept and term have emerged that place conservative Christians on the outside, in effect, becoming ‘other.’

And we all know what happens when a

group is labeled ‘other’ (see Jews, World War II).

Sometime back, the progressive mega church pastor, Steven Furtick (Elevation Church, Charlotte, North Carolina), mentored as he is by evangelical bigwigs like Rick Warren and Bill Hybels, felt bold enough to post a YouTube video in which he sneeringly challenged what I’d call traditional Christians to basically get out of the way, because their time is past.

THE RELIGION OF PEACE?

Franklin Graham: ‘Islam is a religion of war’

December 7, 2014 -- *ChristianToday.com* reports: “The son of Billy Graham

who now heads his father’s evangelistic organization has described Islam as a ‘religion of war’ and urged Christians to attempt to convert Muslims to their

own faith.

Franklin Graham, the fourth of Billy Graham’s five children, said he had not softened his stance since he

controversially referred to Islam as a 'very wicked and evil religion' in the wake of the 9/11 attacks in 2001 that brought down the World Trade Centre in New York.

More recently, he criticized The Episcopal Church's National Cathedral in Washington for permitting its first Muslim prayer service. On his Facebook page he wrote: 'It's sad to see a church open its doors to the worship of anything other than the One True God of the Bible who sent His Son, the Lord Jesus Christ, to earth to save us from our sins.'

His views contrast with those of the Pope, who on his recent three-day visit to Turkey was moved to pray alongside Grand Mufti Rahmi Yaran in Istanbul's Blue Mosque. Besides working to build better relations with Muslims, Pope Francis is also reaching out to evangelicals, a move which came about because of his friendship with the late Bishop Tony Palmer, a charismatic of the Communion of Evangelical Episcopal Churches.

Christian children beheaded for refusing to convert to Islam

December 2, 2014 -- *ChristianToday.com* reports: "Four Christian young people chose death rather than forced conversion, according to Canon Andrew White, the Vicar of Baghdad.

In a *CBN* video released on the *Orthodox Christian Network*, White – who was ordered to leave Iraq for his own safety by the Archbishop of Canterbury – spoke movingly of the plight of Christians there. Around 250,000 have been displaced by Islamic State in the north of the country, all that remain from the 1,500,000-strong pre-war Christian

population.

He said: 'Things were bad in Baghdad, there were bombs and shootings and our people were being killed, so many of our people fled back to Nineveh, their traditional home. It was safer, but then one day, ISIS – Islamic State. They came in and they hounded all of them out. They killed huge numbers, they chopped their children in half, they chopped their heads off, and they moved north and it was so terrible what happened...' **(These barbaric monsters who slaughtered four Christian young people destroyed the last of the 300 Chaldean Catholic churches in Iraq. Even Christians who 'convert' get beheaded

December 11, 2014 -- *WND.com* reports: "There is no god but Allah and Muhammad is his messenger."

This is the statement that fighters in ISIS demand of captured Christians if they don't want to be summarily executed, mostly by beheading.

But now Raymond Ibrahim, writing for the Gatestone Institute, says that if a Christian is captured by ISIS and makes such a profession, they more than likely will be beheaded anyway.

It is a trend that is on the rise among ISIS militants and groups that are swearing allegiance to the Islamic army despite outrage expressed even by al-Qaida leader Ayman al-Zawahiri and some Muslim clerics.

ISIS' ruthlessness became apparent in a recent example Ibrahim detailed when ISIS fighters cut off the head of a Christian man after compelling him to say the shehada, the Islamic profession of faith to Allah and to Muhammad as his messenger.

Generally, he says, once the shehada is spoken before Muslim witnesses, the speaker becomes Muslim and 'thus, in theory, safeguards his life and possessions from the jihad...' **(They kill Christians even if they convert. ISIS gets seriously barbaric with penal code

December 18, 2014 -- *WND.com* reports: "Since the rise to prominence of ISIS, the Muslim terror army in Iraq and Syria that boasts of its 'caliphate,' it has been accused of stealing \$425 million to become the world's richest terror group.

It also stands accused of terrorizing civilian populations by launching canisters containing live scorpions, releasing a guide to the rape of sex slaves and claiming that a 'radioactive device' has been smuggled into Europe.

There also are reports of ISIS crucifying Christians, beheading others, including children, and reducing the Christian community in Iraq, where they have made their homes for millennia, to nearly zero.

WND columnist Chuck Norris recently compiled a long list of such reports.

'Pundits and news agencies have reported and questioned the validity that the Islamic State of Iraq and Syria, or ISIS, is beheading children in its conquests of Syria and Iraq. ISIS slaughters 150 females in Iraq for refusing to marry, have sex with them

December 18, 2014 -- Breitbart.com reports: "Iraq's Ministry of Human Rights claims the Islamic State (ISIS/ISIL) murdered 150 women simply because they refused to marry or perform sexual acts with the terrorists.

'At least 150 females, including pregnant women, were executed in Fallujah by a militant named Abu Anas Al-Libi after they refused to accept jihad marriage,' said the Ministry. 'Many families were also forced to migrate from the province's northern town of Al-Wafa after hundreds of residents received death threats.'

The militants buried the victims in mass graves in the city. The families who left lost many children after they were stranded in the desert.

The Islamic State slaughtered over 50 people from the Al Bu Nimr tribe in Iraq's Anbar Province on November 2. The massacre included six women and four children. Witnesses said the militants lined up the victims, whom they 'publicly killed one by one.' Over seventeen people were kidnapped, as well. Islamic State releases 27 tips on how to rape and punish sex slaves

December 11, 2014 -- News.com.au reports: "Islamic State extremists have released a sickening list of 27 tips on raping and punishing sex slaves.

It insists it is acceptable to have sexual intercourse with non-Muslim slaves, including young girls, and that it is permitted to beat and trade them.

The pamphlet was released by the Research and Fatwa Department of the Islamic State and posted on a pro-IS Twitter account.

It is thought to have been created

A translation of the pamphlet was published by the Middle East Media Institute's Jihad and Terrorism Threat Monitor.

Indonesian province to expand Sharia law

Indonesia editor faces five years in prison for blasphemy over anti-ISIS cartoon

December 16, 2014 -- Breitbart.com reports: “Indonesian police summoned *The Jakarta Post* editor-in-chief Meidyatama Suryodiningrat over an anti-Islamic State (ISIS/ISIL) cartoon the prominent newspaper published in July. He faces five years in prison if a court convicts him of blasphemy. Suryodiningrat claims the newspaper did not commit a crime.

‘We have received information on the matter and currently we are still studying it,’ he said. ‘We are amazed because the fact is we did not commit a criminal act as accused. UK army cadets told not to wear uniform in public as jihadi threat continues

Germany's anti-Islamist 'Pegida' movement draws thousands in rally against jihad

December 18, 2014 -- *Breitbart.com* reports: "A far-right populist group in Germany is surging despite condemnation from Chancellor Angela Merkel and much of the mainstream media. The PEGIDA movement, which organized a rally in Dresden this week, opposes the 'Islamization' of Europe.

PEGIDA, which stands for Patriotic Europeans Against the Islamisation of the West, began as a Facebook group in Dresden and since then has grown into

Unlike European neo-Nazi groups like Greece's Golden Dawn, PEGIDA explicitly embraces what it calls 'Judeo-Christian Western culture'—inclusive of European Jews—and in its list of demands,

calls only for the rejection of what it describes as 'parallel societies/parallel legal systems in our midst, such as Sharia Law, Sharia Police, and Sharia Courts, etc.' Its members insist they will only protest peacefully and wish to see an end to jihadist recruitment, religiously-motivated violence against women, and other problematic Islamist behavior in Germany..." **(Chancellor Merkel, you better confer with Sweden's leaders. The comments by former Hamas Interior Minister Fathi Hammad aired on the *Al-Jazeera Network* on October 31 and were translated by the *Middle East Media Research Institute (MEMRI)*.

'We say to the brothers of apes and pigs: No matter how much you destroy, dig, and try to build settlements around the Al-Aqsa Mosque, we are coming to uproot you, to annihilate you, and to destroy you,' he threatened.

'The hypocrites will find themselves in the lowest level of Hellfire. Whoever shackles his people and their resistance, whoever shackles the AK-47s, will be trampled under the feet of our people in this world, and will find himself in the lowest level of Hellfire in the world to come,' added Hammad.

Hammad has in the past called on Fatah to join Hamas and 'wage Jihad' against Israel. He previously declared that Israel will be gone in eight years..." **(The Arab Muslims rejoice in the Koran's vile names given to Jews – apes and**

pigs. This crowd has never read the following verses concerning love in their Koran – Matthew 19:19; Mark 12:31, 33; Luke 10:27 and Romans 13:9, 10: “...Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, namely, Thou shalt love thy neighbour as thyself. Love worketh no ill to his neighbour: therefore love is the fulfilling of the law.” Also the precious chosen people of Yahweh God you call brothers of apes and pigs shows His anger to you in James 3:6, 8: “...the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell; But the tongue can no man tame; it is an unruly evil, full of deadly poison.”)

Al-Aqsa speaker: The slaughter of the Jews is near

December 10, 2014 -- *The Times of Israel* reports: “A sheikh giving a spontaneous sermon at the al-Aqsa mosque recently called for the ‘slaughter’ of the Jews, saying they were ‘the most evil creatures to have walked this Earth.’

Omar Abu Sara was filmed at the mosque, located in the Temple Mount, on November 28. In a video made available by the *Middle East Media Research Institute* this week, he is seen addressing worshippers as the crowd mills about.

“Talking about the traits of the Jews requires one to get into a special mode, because we are dealing with people to whom every single vile trait has been attributed,” the sheikh says. “They were the masters of these vile traits, and they taught their secrets to others.

“These traits were registered in the Quran, which depicted all aspects of the lives of the Jews in the most abominable images,” he claims.

Abu Sara accuses the Jews of killing dozens of prophets, and attempting to kill the prophet Muhammad twice.

He says a battle with the Jews draws near, and praises the Islamic State ‘caliphate’ as one of the vehicles for

the Jewish people’s destruction...” (Jeremiah 30:7 states: “*Alas! for that day is great, so that none is like it: it is even the time of Jacob’s trouble, but he shall be saved out of it.*” Regardless of what happens during Armageddon, Israel will always exist because Yahweh God gives Israel an “*everlasting name that shall not be cut off*” Isaiah 56:5. Why and how? Christ returns and sets up His kingdom over His people the race of Jews who live in the New Jerusalem forever -- “*He [Christ] shall be great, and shall be called the Son of the Highest: and the Lord God shall give unto him the throne of his father David: And he shall reign over the house of Jacob [Israel] for ever; and of his kingdom there shall be no end*” Luke 1:32, 33. Abbas’s religious adviser promises Israel will disappear

December 17, 2014 -- *Israel National News* reports: “Palestinian Authority (PA) Chairman Mahmoud Abbas’s adviser on Religious and Islamic Affairs assured in his televised weekly sermon last Friday that Israel will be destroyed, and that military options are being considered to make that happen.

The comments made by Mahmoud Al-Habash, who also serves as PA Supreme Sharia (Islamic law) Judge, on the official PA TV channel were translated by *Palestinian Media Watch (PMW)*.

‘All of this land will return to us, all our occupied land, all our rights in Palestine - our state, our people’s heritage, our ancestors’ legacy - all of it will return to us even if it takes time,’ said Al-Habash, indicating that Israel will disappear given the PA’s claims to all of Israel. ‘Patience is the key to victory, and we are patient. In terms of resistance, all options are on the table, and in terms of diplomacy as well.’...”

Historian says war with Hezbollah is imminent

December 15, 2014 -- *Israel National News* reports: “Veteran military historian Aryeh Yitzhaki thinks that the upcoming elections are deflecting the Israeli public’s attention from a war that is brewing in

the north, just as an election campaign in 1973 distracted Israelis when Arabs were about to launch a surprise offensive.

Yitzhaki told *Arutz Sheva* that in the course of the last 93 years, there have been 11 major military confrontations between the Zionist movement’s military forces and those of what he terms ‘the Arab national movement.’ All of these except one – the War of Independence in 1947/8 – broke out in the summer or early fall, he noted. The War of Independence began in the late fall and early winter.

That war started out with a local Arab ‘intifada-style’ offensive, to which the Jews eventually responded with a successful counteroffensive that culminated in the declaration of the state of Israel. This was immediately followed by a full scale war with the Arab countries and their armies, which ended a year later with a Jewish victory.

While Yitzhaki seems to see some elements of that scenario being repeated, the current situation reminds him more of the situation before the 1973 Yom Kippur War. Elections were supposed to be held that fall and everyone was preoccupied with campaigning until the war broke out.

There are warning signs of an impending conflict that the Israeli public is blind to, he insisted: ‘The situation on the ground is a boiling lava of hatred and enmity toward the Jews and Israel, and any spark can lead to a much greater eruption.’ The recent death of convicted terrorist turned Palestinian Authority (PA) minister Ziad Abu Ein marks a high point in this tension, and it could go higher...” (Ezekiel chapters 38 and 39 report the war of the latter days and years which is described as Armageddon -- Revelation 16:16 -- and viewed in Revelation 9:14 – 18. The battle ground is Israel mentioned 18 times in the aforementioned verses. China joins with Russia in the second invasion – Revelation 16:12 – and Islamic allies unite with the two major nations heading up World War III. They are described in Daniel 11:40; Isaiah 17:1; Ezekiel 38: 5 – 7; and Psalm 84: 5 – 7. As Israel has witnessed victory in past battles, so shall she in the battle of the ages. Look up Ezekiel 39:1 – 13.)
