## **Geller on Chattanooga: 'The war is here,' get armed**

**July 20, 2015 --** *WND.com* reports: “Pamela Geller says the only difference between the ISIS-inspired attack on her Muhammad cartoon contest in May and the attack on U.S. military servicemen last week is that her event was prepared.

‘The only difference between Garland and Chattanooga is that we were armed,’ Geller told *WND*.

‘Both were carried out by devout Muslims,’ said the anti-Shariah activist, author of the blog *PamelaGeller.com* and the book ‘[Stop the Islamization of America](#).’

‘Both involved the jihadis driving up in a car, and getting out and shooting,’ she continued. ‘Our event in Garland was better prepared, and so the jihadis were stopped, whereas because of the unconscionable rule that our armed forces are not allowed to be armed on military bases, the jihadi in Chattanooga was able to kill four Marines and one sailor.’

*WND* asked Geller what she believed U.S. law enforcement should be doing to counter these attacks, besides allowing service members to carry weapons on military bases and at recruiting offices.

They will need to ‘take it upon themselves to learn about what Islam and jihad are really all about, and strategize how to stop it accordingly,’ she said. ‘The

Obama administration scrubbed jihad and Islam from all counter-terror (training) materials and programs.’

What the nation is seeing now from so-called ‘lone wolf’ Islamic terrorists like Mohammad Youssef Abdulazeez ‘is the poisonous fruit of that fatal policy change,’ Geller said...” **(Pamela Geller is a stalwart soldier of the Cross whose stand for Christ has placed her under a number of Muslim threats just like my sweetheart wife and I have received numerous warnings. Here’s something God shared with me during my suffering for seventeen weeks in numerous hospitals. It does not take death to receive the Martyr’s crown of Revelation 2:10. ## **It’s official: U.S. terror threat not Islamist, only ‘extremist’**

**July 31, 2015 --** *Israel National News* reports: “Homeland Security chief Jeh Johnson announced the policy this past Friday at Aspen Institute’s annual security forum in Washington, D.C. He explained that though it was a Muslim terrorist who shot to death four unarmed

Marines in Tennessee two weeks ago, the government will call the attack, and other similar ones, ‘violent extremism’ and not ‘Islamic terrorism’ – out of respect for the Muslim community.

Johnson said it is ‘critical’ to refrain from the ‘Islamic’ label in order to ‘build trust’ among Muslims.

The Tennessee murderer, Mohammad Abdulazeez, is officially a ‘homegrown violent extremist,’ according to the government – even though he blogged about his Islamic religious motivations for the attack. He and his family also attended a local mosque controlled by a terror-tied Islamic trust.

Johnson explained that if officials called Islamic terrorism ‘Islamic,’ they’d ‘get nowhere’ in gaining the ‘cooperation’ of the Muslim community.

The moderator of the panel tried to protest: ‘Isn’t [the] government denying the fundamental religious component of this kind of extremism by not using the word Islamic?’

‘I could not disagree more,’ Johnson responded, and explained that Islam ‘is about peace.’

Responses to Johnson’s remarks were fast and furious. *The Clarion Project* advanced two quick objections: ‘Putting aside the argument that to be able to fight the phenomenon of Islamic terror, one has to be able to name it,’ wrote Meira Svirsky, editor of *ClarionProject.org*,

‘it is plainly a strategy that has failed – primarily because the Muslims whom the government is trying to appease are the very ones supporting the same extremist ideology – Islamism – that drives the terrorists.’...” **(President Obama’s nonsensical way of protecting Islamic murderers is compromise of the enemy to extremes. **August 5, 2015 -- CNN.com** reports: “Al Qaeda’s branch in Yemen, which officials have called the terror group’s most dangerous affiliate, has issued two threatening new communiqués praising recent lone-wolf style attacks against the West and calling for more of them.

### **Islamic Society: The agent of jihad in America**

**July 29, 2015 -- WND.com** reports: “While there is minor disagreement over the total number, the consensus view is that at least 251 Muslims have attempted some form of violent jihad in the United

States since 9/11/01.

Of these, 109 were interdicted by U.S. counterterrorism personnel. Another 121 American Muslims were involved in attempting to join, otherwise materially support or finance known terror groups.

The remaining 21 succeeded in shedding innocent American blood in the name of Islam. Despite clear evidence to the contrary, our government and major media still argue that ‘true Islam’ was not the inspiration for any of these attacks; therefore, we must look to other root causes.

Because of this willful blindness, we are missing a more important commonality among these acts of terror, a circumstance shared by a majority of these perpetrators that we can address quickly and with great effect.

Of the 21 violent attacks on domestic American targets perpetrated by domestic Muslim jihadists (defined as American citizen, naturalized or on long-term visa) at least 12 of those attackers (arguably as many as 17) regularly attended or were significantly linked to Islamic Society mosques.

Now, after the cowardly murder of four U.S. Marines and an American sailor, we learn that the most recent follower of the religion of peace to express his devotion through flying lead was also a regular at the Islamic Society of Greater Chattanooga, another ISNA mosque.

The Islamic Society of North America (ISNA) is a tightly run organization whose mission is to subvert Christian doctrine and American law in order to bring about the establishment of Islamic supremacy over North America...” **(The above paragraph states exactly what this falsely called religion of peace seeks to do globally when their true colors are revealed as The Pharisees Jesus condemned in his day in Matthew 23:15 & 33: “Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves... ### **Major U.S. city poised to implement Islamic law**

**July 24, 2015 -- WND.com** reports: “While some cities in Texas and other Southern states have been adopting ordinances that protect their citizenry from creeping Shariah-compliant practices, cities such as Seattle are taking the opposite approach.

Seattle’s Democrat Mayor Ed Murray was so concerned that Muslims and other residents weren’t buying enough homes in his city that he had a committee investigate how that could be rectified.

One of the committee’s recommendations: Banks need to offer ‘Shariah-compliant’ mortgage loans for Seattle’s growing Muslim community.

Muslims are forbidden by their religious law, Shariah, from paying interest on loans so they must be offered loans structured in such a way that interest is not part of the package.

The 28-member committee recommended the city convene lenders and community leaders to explore options for increasing access to Shariah-compliant loans, the *Puget Sound Business Journal* reported.

‘We will work to develop new tools for Muslims who are prevented from using conventional mortgage products due to their religious beliefs,’ said Murray, at a recent press conference.

‘More and more lenders are offering Shariah-compliant financing, according to a *USA Today* report,’ the *Journal* reports. ‘The sector has grown to more than \$1.6 trillion in assets worldwide over the past three decades, and analysts see potential for continued growth as the number of Muslims in the United States and Europe grows.’...” **(Sharia Law is one of the ways all daughters who have premarital sex are killed, also all homosexuals, all apostates [their own if they speak against Mohammad or the Koran] and all infidels [other religions] denouncing Islam. # CONTENDING FOR THE FAITH

## **State calls Christian counseling 'harassment'**

**August 5, 2015 -- WND.com** reports: "The head of Kentucky Department of Juvenile Justice has doubled down on his agency's decision to dismiss a pastor who had been a longtime volunteer counselor to troubled youth, describing Christian counseling as 'harassment.'

The state, according to the letter from Bob Hayter, commissioner of the state agency, pursues 'a zero-tolerance policy against any form of sexual abuse or harassment by staff, volunteers or contractors.'

That argument justifies, he suggested, the dismissal of ordained Christian minister David Wells, who had provided voluntary spiritual counseling and mentorship to juvenile inmates under the control of the Department of Juvenile Justice for years.

The issue of the pastor's status had been raised by officials with Liberty Counsel, who had written Hayter earlier demanding that Wells be reinstated.

Hayter's letter did not mention Wells, but simply stated his position: that the agency 'seeks to protect the rights of all youth in its care and custody regardless of sexual orientation or committing offense.'

'To this end, the department prohibits its staff and volunteers from discriminating against youth based on sexual orientation or gender identity,' he wrote... **(Judaism and Christianity will become the most persecuted and slaughtered religious people ever. ## **Islamic State militants 'abduct Christians' in Syrian town**

**August 7, 2015 -- BBC News** reports: "Islamic State militants have abducted dozens of people, many Christian, from a Syrian town captured on Thursday from pro-regime forces, reports say.

They were seized when the jihadists swept through al-Qaryatain in Homs province, monitoring groups say.

Many of the Christians had fled to al-Qaryatain to escape fighting in Aleppo province to the north.

Islamic State (IS) has treated Christians harshly in other places under its control.

The group follows its own extreme version of Sunni Islam and has previously ordered Christians to convert, pay jizya (a religious levy), or face death.

According to the UK-based Syrian Observatory for Human Rights (SOHR), at least 230 people were seized by Islamic State (IS) fighters in al-Qaryatain.

Some were taken from inside a church, SOHR said. It said IS was hunting down a list of people it suspected of 'collaborating with the regime'...."

**August 2, 2015 -- Breitbart.com** reports: "Boko Haram militants slit the throats of sixteen Christian fishermen on the shores of Lake Chad in the Nigerian state of Borno.

The massacre took place last Monday, but the news was released only yesterday because the area of Lake Chad is devoid of any type of telephone; survivors had to reach Maiduguri, the capital of Borno state, to raise the alarm.

Earlier reports stated that ten men were killed, but the number has since been adjusted upward. According to Abubakar

Gamandi, head of the fishermen's union in Borno State, on Monday around 4 pm 'Boko Haram attacked three villages on the shores of Lake Chad where they slaughtered 10 people, all of them fishermen.'

'Boko Haram decided not to use guns so as not to attract the attention of soldiers from Baga. This is why they used knives to slaughter their victims,' Gamandi said.

### **'Largest public Satanic ceremony in history' to take place in Detroit**

**July 27, 2015** -- *Breitbart.com* reports: "A Satanic reproductive rights group is promising to unveil a one-ton bronze statue of a goat-headed Baphomet Saturday in Detroit, in a private ceremony open only to bearers of \$25 tickets.

Organizers are billing the event as the 'largest public satanic ceremony in history,' despite the fact that its secret location will only be revealed to ticket-holders and attendance is strictly controlled. Tickets go for \$25 for ordinary seating and \$75 for those wishing VIP treatment, including the chance to be photographed seated on the Baphomet monument.

A spokeswoman said that funds from the event 'raise money to support Satanic Temple campaigns such as our reproductive rights legal action fund.'

The ticket website states that the Satanic Temple 'invites you to join us for a night of chaos, noise, and debauchery at the Unveiling, a hedonistic celebration introducing the controversial Baphomet monument accompanied by provocative performances and installations.'

Though the organizers of the ceremony call themselves Satanists, their propaganda suggests that the event may be a double ploy to make money and protest against religious Americans. The Satanic Temple works to promote abortion rights and to gain acceptance for same-sex marriage.

As a young man he was taught to hate Christianity, and he and his fellow pupils 'went to the nearby town and met believers. We beat them and then attacked the church.'

'Our teachers would tell us every time there was a new church in town and we were told to go and attack the people and destroy the church. So that's what we did,' he explained. ### **Chinese church leaders: 'Each time they take a cross down, we will put more up'**

**July 28, 2015** -- *ChristianToday.com* reports: "Catholic leaders have pledged to 'make the cross flourish throughout China' following the removal of more than 1,200 crosses from churches in Zhejiang province.

'Each time they take a cross down, we will put more up,' one church leader told the *Guardian* at a protest on Friday. 'We are even considering making flags and clothes with cross patterns. We will make the cross flourish throughout China.'

The crackdown on churches in China has been widely reported over the past year. The majority of those that have had their crosses forcibly removed or that have been torn down completely have been in Zhejiang, on the east coast of the country. A significant number were state-sanctioned buildings, and many located in the city of Wenzhou – known as the 'Jerusalem of the East' because of its large Christian population.

It was in Wenzhou that an estimated 20 church leaders gathered on Friday to protest what many Chinese Christians see as a curtailment of their religious freedom by the Communist government (CPC). **July 14, 2015** -- *Israel National News* reports: “Prime Minister Binyamin Netanyahu reacted to the Iranian nuclear deal on Tuesday morning, after Iranian and Western diplomats revealed a deal had been reached ahead of an official announcement of the agreement at noon Vienna time.

According to Netanyahu, ‘the nuclear deal with Iran is a bitter mistake of historic proportions.’

‘In every area where it was supposed to prevent Iran attaining nuclear arms capability, there were huge compromises,’ he added. ‘I will refer later to the details of the agreement, but before that, I would like to say here and now – when you are willing to make an agreement at any cost, this is the result.’

‘From the initial reports we can already conclude that this agreement is an historic mistake for the world,’ he later added, during a meeting with Netherlands Foreign Minister Bert Koenders.

## **Ben Stein: Iran deal so bad, it can’t be an accident**

**August 4, 2015** -- *Israel National News* reports: “Writer, lawyer, actor, comedian and commentator Ben Stein wrote Monday that the deal the Obama administration has reached with Iran is ‘so bad that it could not be an accident, even for a President as inexperienced and foolish as Mr. Obama or a Secretary of State so filled with anger as Mr. Kerry.’

‘There is no meaningful verification,’ Stein elaborated, in an opinion piece in *The American Spectator*. ‘The sanctions are already basically gone. The President is paying Iran over \$100 billion to go forward with making a nuclear bomb and having the rockets to deliver it.

‘We have basically been swindled into allowing the world’s foremost state sponsor of terrorism to have nuclear weapons without any penalty – indeed, with cash and prizes. Iran has sworn to

use these weapons to obliterate not only Israel but every Jew on earth.

‘Again, this could not have been an accident. It has to have been the working out of some deep unconscious rage at Israel, Jews, and at America by the top players in this administration... many of them Jewish or, like Kerry, partly Jewish. Perhaps a genuine Doomsday Device which will end all life on earth if Israel is nuked.

‘We shall see,’ Stein wound up. ‘In the meantime, Mr. Obama is in tears that he has been criticized so harshly for an agreement that basically cries out for ‘a Holocaust in an afternoon,’ as Iranians smilingly call it.’...”

## **Rouhani gloats: We achieved all our goals in nuclear deal**

**July 15, 2015** -- *Israel National News* reports: “Iranian President Hassan Rouhani gleefully received the nuclear deal his negotiators sealed with world powers on Tuesday, glowing about how his regime had achieved all of its goals in the negotiations.

Rouhani stated that at the start of the talks, the two major goals of Iran were to remove all sanctions and keep its entire nuclear program while continuing to develop that program, reports the semi-official *Fars News Agency*.

Iran got the U.S. and other world powers to concede on those demands in the deal, with all sanctions lifted – including those unrelated to the nuclear program, such as the ones on Iran’s terror commander, and the UN conventional arms embargo that is to be totally removed in five years.

But despite the massive concessions,

Iran is not forced to dismantle a single nuclear facility, beamed Rouhani.

### **Iranian general: We hate U.S. 100 times more for the nuclear deal**

**July 22, 2015** -- *Israel National News* reports: “The vast concessions to Iran made in the nuclear deal last Tuesday, which ultimately allow the leading state sponsor of terror to be able to obtain a nuclear arsenal in ten years, are apparently not enough for a top Iranian general.

Brig. Gen. Mohammad Reza Naqdi, Commander of Iran’s paramilitary Basij

Force, said on Tuesday that the Iran deal will only make Iranians hate the U.S. more, as quoted by the semi-official *Fars News Agency*.

‘Any Iranian who reads the Vienna documents will hate the U.S. 100 times more,’ Naqdi said.

He did not specify what particular aspect of the deal would so infuriate Iranians.

The opposition is surprising given that the deal ignores Iran’s key nuclear installations where its nuclear weapons testing is said to be being held, and likewise stipulates that the West will train Iran to block sabotage on its nuclear program. The deal also lifts the UN arms embargo on Iran and lifts sanctions against its top terror commander.

But Naqdi indeed seemed to be upset by the deal, as well as the UN Security Council (UNSC) approval of it on Monday.

‘All paragraphs of the resolution that the U.S. proposed to the UNSC are full of enmity towards Iran and show the U.S. deep grudge against the Iranian nation,’ claimed the general.

‘The U.S. needs the agreement merely to legalize the sanctions and continue pressure against Iran,’ Naqdi said, even though the deal will have the U.S. remove sanctions and flood Iran with hundreds of billions of dollars in sanctions relief.

The general added that he thinks the U.S. is using the deal ‘to provide the ground for military aggression against Iran,’ according to *Fars*...” **(President Obama you have made the mistake of a lifetime. ### **Obama’s unmistakable message to Israel: You stand alone**

**August 6, 2015** -- *The Times of Israel* reports: “In March 2013, U.S. President Barack Obama addressed the Israeli people in Jerusalem, reassuring them that the world’s sole superpower would have their back in the face of threats from Iran and other Middle Eastern states seeking their annihilation.

‘Those who adhere to the ideology of rejecting Israel’s right to exist, they might as well reject the earth beneath them or the sky above, because Israel is not going anywhere,’ he said to raucous applause. ‘And today, I want to tell you — particularly the young people — so that there’s no mistake here, so long as there is a United States of America — *Atem lo levad*. You are not alone.’

On Wednesday, in a speech at American University in Washington, Obama sent the opposite message to Jerusalem: You are indeed alone.

While he said he ‘deeply shares’ the American people’s ‘sincere affinity’

The prayer leader, who often leads chants of ‘Death to America’ and ‘Death to Israel,’ took the time to thank Iran’s negotiators for reaching an agreement he believed was favorable to the regime in Tehran, Iran’s state-run *IRIB* news service reported.

Kashani told worshippers that Israel

will only be satisfied with their position in the world ‘when all nations have perished and they alone remain in this world.’ This is why Israel has ‘no qualms whatsoever about spilling innocent blood,’ the Ayatollah said.

‘This regime [Israel] is amongst the vilest, inhuman and bloodthirsty regimes in the world, and Muslim nations must unite and expel the Zionists from this region if they want to live in peace and security,’ Kashani added.

### **Iran’s Khamenei reportedly publishes book on how to destroy Israel**

**August 2, 2015** -- *Haaretz* reports: “Iran’s Supreme leader Ayatollah Ali Khamenei has published a book on how to destroy Israel and outsmart the U.S., arguing that his position is based on ‘well-established Islamic principles,’ *The New York Post* reported Saturday.

The 416-page book, entitled ‘Palestine,’ reportedly reached *The Post* through a source from Iran – the only place the book is said to be currently available. The report has yet to be confirmed independently and was written by Amir Taheri – an Iranian expat whose reports have been mired in controversy amid claims of fabrications.

The book’s blurb reportedly bills it as ‘The flagbearer of Jihad to liberate Jerusalem.’

In the book Khamenei uses three words to state his position that Israel has no right to exist – ‘nabudi’ (annihilation), ‘imha’ (fading out), and ‘zaval’ (effacement.) The ayatollah labels Israel as ‘adou’ (enemy) and ‘doshman,’ (foe), because it is a loyal ‘ally of the American Great Satan,’ because it occupies Jerusalem, which Khamenei describes as ‘Islam’s third Holy City;’ and because it waged war on Muslims, thus becoming ‘a

hostile infidel’ (kaffir al-harbi).

According to *The Post*’s partial translation of the book, Khamenei insists that he is not recommending ‘classical wars’ to wipe Israel off the map or ‘massacre the Jews,’ rather a long period of low-intensity warfare designed to make life unpleasant if not impossible for a majority of Israeli Jews so that they leave the country...”

## **Chilling call to arms for Muslims in Germany to commit ‘lone wolf’ attacks**

**August 7, 2015 --** *Breitbart.com* reports: “A new Islamic State propaganda video, believed to be the first filmed in the German language, has threatened the life of Angela Merkel and called on believers to attack Germany and Austria.

Germany’s *Die Welt* reports at least two of the jihadists seen in the film – which includes pronouncements on jihad and the execution of two prisoners with assault rifles – are European citizens. Abu Omar al-Almani, a German, and Austrian Mohamed Mahmoud both speak in the film, calling on Muslims living in either country to either travel to the Islamic State, or to wage holy war at home.

Calling on Muslims to become ‘lone wolf’ killers, Mohamed Mahmoud, who was jailed for four years for terrorism offences in Germany but escaped to the Islamic world, says: ‘My brothers and sisters, either you come here and join the Mujahideen, or you lead the jihad in

Germany and Austria. You do not need much, just **take a large knife and kill every unbeliever. They are like dogs!**’ (Emphasis mine).

He also threatened to kill German chancellor Angela Merkel, who authorised last years donation of €70 million of second hand military equipment to Kurdish forces fighting the Islamic State. Surplus German army equipment flown out to Syria included 16,000 rifles, 2,500 Panzerfaust-3 antitank rockets, 8 million rounds of ammunition, 10,000 hand grenades, and 100 military vehicles. Almost immediately after the weapons arrived in Syria, German-made hand grenades began mysteriously appearing in Islamic State armories...” **(What beasts – see the underlined section above. You do not need much, just take a knife and kill every unbeliever [Christians, Jews, Hindu’s and others – they are like dogs]. Here is what happens to these religious hypocrites – lone wolf attackers – “...the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death” – Revelation 21:8. And “...without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie” – Revelation 22:15.)**

## **ISIS is teaching children to behead using dolls**

**July 21, 2015 --** *ChristianToday.com* reports: “Young boys abducted by Islamic

State are being sent to jihad training camps where they are forced to practice beheading infidels by using dolls.

The Yazidi boys are told the exercise is part of their ‘re-education’ as Islamic State attempts to train up a new generation of terrorists and suicide bombers.

Details of the jihad camps for children emerged for the first time when Associated Press interviewed a Yazidi teen who had managed to flee one of the camps.

He described how boys were forced to convert to Islam and brainwashed into becoming jihadi fighters after Islamic State captured Yazidi towns in Iraq last year. The older men were murdered and

the girls and women taken and married, used or sold as sex slaves. The boys were taken for ‘ashbal’, Arabic for ‘lion cubs’, to be trained into child jihadists.

Hundreds of boys have been captured and indoctrinated by being shown beheading videos then given a sword and a doll and told to practice. Islamic State claims to have dozens of similar camps.

‘Then they taught me how to hold the sword, and they told me how to hit. They told me it was the head of the infidels,’ said one boy, Yahya, aged 14, who described how he kept getting it wrong and had to try two or three times to chop the doll’s head off. He had been captured with his little brother and his

mother and taken to the Farouq jihadi training camp after Islamic State seized their home town of Sulagh in August...”

**(Preparing children to eventually take over the world through beheading is the Muslim way: “...I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years” – Revelation 20:4.)**

## **China accuses U.S. of militarizing South China Sea**

**July 31, 2015 -- Voice of America News** reports: “China’s Defense Ministry Thursday accused the United States of ‘militarizing’ the South China Sea by staging patrols and joint military drills there, leading to raised tensions in the disputed region.

China Defense spokesman Yang Yujun said Beijing has been angered by U.S. Navy and Air Force forays through waters it claims as its own, strengthened military alliances with the Philippines and others, and frequent military exercises in the region.

Yang said the actions are creating risks of incidents in the air and at sea.

‘The Chinese side expresses its serious concern over U.S. activities to militarize the South China Sea region,’ he said. ‘Such actions taken by the U.S. side would inevitably arouse suspicion from others that, does the U.S. want nothing better than chaos in the region?’...” **(Daniel 11:44, and 45; Revelation 16:12. ## **China pushes forward hypersonic missile tests**

**July 20, 2015 -- Voice of America News** reports: “China has conducted four hypersonic weapons tests in just 18 months, a sign of its continued efforts to make advanced weapons.

Hypersonic weapon delivery vehicles can reach supersonic speeds more than five times the speed of sound (Mach 5 and above).

China confirmed conducting test flights of the new hypersonic missile delivery vehicles, most recently on June 9, but Beijing insisted that the testing of these vehicles, capable of delivering nuclear warheads with record breaking speed, is ‘purely scientific and not targeted at any country.’

The United States, Russia and India also have been developing hypersonic vehicles intended to counter hostile missile and space defenses and developed for precise targeting and rapid delivery of weapons...”
