Temple Mount cleric calls to restore Caliphate, annihilate Jews

October 28, 2015 -- *Israel National News* reports: “A Palestinian preacher held a rally calling for the Muslim Caliphate to return and ‘annihilate’ Jews on Saturday, as he stood at Judaism’s holiest site.

‘Allah willing, the Caliphate will be the one to liberate Jerusalem very soon, after annihilating the rulers of the wicked [Arab] mini-states... and it will annihilate the Jewish entity,’ Palestinian preacher Ali Abu Ahmad said, accusing the Jews of ‘storming the place of the Prophet’s nocturnal journey and defiling it.’

He further called upon Allah to ‘annihilate the Jews’ and to ‘bring the whip of torment cracking down upon them.’...” (*“Pray for the peace of Jerusalem: they shall prosper that love thee. Peace be within thy walls, and prosperity within thy palaces. For my brethren and companions’ sakes, I will now say, Peace be within thee. Hamas Cleric vows: We won’t leave a single Jew, dead or alive

October 21, 2015 -- *Israel National News* reports: “Presenting a show on Hamas’s official Al Aqsa TV station, a leading Islamist cleric vowed the terrorist group would ‘not leave a single Jew, dead or alive... on the land of Islam and the Muslims.’

Against the backdrop of an ongoing series of Arab terrorist attacks against Israeli Jews, in comments translated by *MEMRI* the preacher declared ‘that not a single Jew will remain on this land.’

‘We will not leave a single one of you, alive or dead, on this land. By Allah, we will dig up your bones from your graves and get them out of this country. We will not leave any trace of you in this land.’

Swedish demonstrators call to ‘slaughter the Jews’

October 21, 2015 -- *Israel National News* reports: “A large anti-Israel demonstration last Sunday in Sweden featured calls to ‘slaughter the Jews’ and chants praising the stabbing of innocent Israelis, footage from the event has shown.

Israel’s Ambassador to Sweden Isaac Bachman posted video of the rally, which took place in the city of Malmo, on his Facebook page on Monday.

It shows a large crowd of mostly Arabic-speaking protesters holding Palestinian flags and openly calling for an ‘intifada’ (i.e. violent terrorist campaign) against Israel. At one point the crowd begins a long responsive chant which begins with the words ‘slaughter the Jews’ (Itbach al-Yahud) and featured calls to stab ‘with a knife.’

‘These are extremely troubling instances of a grotesque but nevertheless very real – and murderous – incitement which must be dealt with by the full force of the law!’ Bachman commented.

Incitement by Arabs in Judea, Samaria and Gaza has been rampant and widely documented, as has the seemingly endless volume of online incitement, much of it emanating from Hamas and Fatah-linked accounts in Gaza, Judea-Samaria and Jerusalem...” **(God speaking about hatred and murder warns all these Swedish demonstrators that they which do such things shall not inherit the Kingdom of God. October 19, 2015 -- *The Jerusalem Post* reports: “Sheikh Khaled Al-Mughrabi, an notorious radical Islamic cleric who teaches religious classes at al-Aksa mosque, has stirred controversy once again, saying that at the end of days Muslims will exterminate Jews.

A video of his sermon given on Friday in the mosque was published

online and translated by the *Palestinian Media Watch NGO*.

Al-Mughrabi first explained that ‘the Children of Israel...will be forced to change their plans to build the Temple inside the structure of al-Aksa Mosque and will have to build it outside al-Aksa Mosque... A Temple of heresy to worship the Devil.’

He then quotes a well known Hadith, collected Islamic sources not in the Koran, in which at the end of days trees and rocks tell Muslims to come and kill Jews hiding behind them.

‘The Children of Israel will all be exterminated, the Anti-Christ will be killed and the Muslims will live in comfort for a long time,’ Al-Mughrabi concluded in his Friday sermon...” **(A special message to Al-Mughrabi from God’s Holy Word: “Ye are of your father the devil, and the lusts of your father ye will do. ‘The Arab world thinks that they can drive us out, but not violence, not terror will take away one Jew from here,’ he declared.

‘We are doubling our efforts to make sure there is more Jewish life here,’ Luria continued. ‘We are calling on the Jewish world to walk along these streets. The Jewish world has to understand that Arab terror and incitement will not drive us out of here.’

ISIS tells Assyrian Christians in Sweden: ‘Convert or Die: the Caliphate is here’

October 15, 2015 -- *Breitbart.com* reports: “Assyrian Christians living in Sweden have been targeted with a string of threatening messages linked to the Islamic State, including demands that they ‘convert or die.’

A recent report by Swedish daily *Dagens Nyheter* revealed that the Assyrian community in the city of Gothenburg, in southwestern Sweden,

is being menaced by unidentified aggressors using known Islamic State methods and symbols. According to reports, local police are investigating the threats, but so far have found nothing.

The town of Gothenburg is a hotbed for jihadist recruiting, and the Swedish newspaper *Aftonbladet* earlier this year reported that at least 150 people had left the city to join the Islamic State in Iraq and Syria. Terrorism expert Magnus Ranstorp has called Gothenburg ‘the Swedish Center for Jihadists,’ and the town with a population of a half million has contributed more fighters to ISIS than the entire United States of America.

The motive ‘is to terrorize Christians’ said Subhash Kongari, a lawyer and district president of Rashtriya Isai Mahasangh, the national Christian forum.

According to the Archbishop Jean-Clement Jeanbart, the situation for Christians in Aleppo is ‘desperate,’ with churches bombed and no way of finding work for the people. He is asking the West to help Syria reclaim ‘our freedom and our rights’ from ISIS.

Jeanbart’s own cathedral has been bombed six times and is now unusable, and his home has also been struck more than 10 times. ‘We are facing the rage of an extremist jihad; we may disappear soon,’ he said.

Franklin Graham condemns silence about ISIS ‘Christian genocide’

October 13, 2015 -- *ChristianToday.com* reports: “The world is ‘largely silent’ about the ‘genocide’ being committed by Islamic State against Christians, Yazidis and other religious minorities, according to Franklin Graham.

The Samaritan’s Purse founder and son of famed evangelist Billy Graham has been outspoken in his support of minorities in Iraq and Syria – and also in his attacks on Islam.

In a Facebook post yesterday Graham said that Islamic State's methods were 'unimaginably cruel and heinous'. He referred to the murder of three Assyrian Christians on September 23 and to that of 12 others the previous month, as well as to the crucifixion of a 12-year-old Christian boy.

'On that same day, ISIS militants publicly raped two Christian women in front of a crowd and then beheaded

them along with six others when they refused to convert to Islam.'

He referred to a *Fox News* report that said, 'They have every intention of spreading that bloodshed around the world, including America.'

Graham concluded, 'Pray for an end to this horrendous evil in the name of religion.'... " **(This is the 'religion of peace' as promoted by Muslims. They have murdered 300 million non-Muslim religionists**

October 14, 2015 -- Breitbart.com reports: "The leader of al-Qaeda linked group al-Nusra Front is encouraging jihadists in the Caucasus to attack Russia. His call follows similar condemnation of Russia from rival jihadi group the Islamic State (ISIS) and a number of Saudi clerics.

'If the Russian army kills the people

North Korea showcases new ‘nuclear’ long-range missile: state TV

October 12, 2015 -- SpaceDaily.com reports: “North Korea on Saturday showed off what it said were long-range ballistic missiles carrying miniaturized nuclear warheads, its latest claim to the sophisticated technology which state television said could destroy enemies in a ‘sea of fire’.

Rows of the intercontinental ballistic missiles known as KN-08, which some think could fly far enough to reach the continental U.S., were paraded through the capital as part of a massive military parade marking the 70th anniversary of the ruling Workers Party.

A defense analyst in Seoul said the new missile appeared to have been modified to allow it to be fitted with a miniature nuclear warhead — a claim echoed by North Korea’s state TV — but others experts said it was impossible to tell.

North Korea has long claimed it has technology capable of launching nuclear bombs at its distant enemies, but experts are skeptical whether the impoverished country has acquired the sophisticated technology needed to produce such weapons.
