# PUTIN: LEADER OF THE WORLD?

***Czech media: Washington's time is up: Russia should lead world, not U.S.***

**October 1, 2015 -- Sputniknews.com** reports: “Having brought chaos, lawlessness and terrorism into Libya and Iraq, the United States is now trying to do the same in Syria. Europe has become fed up with Washington's wrongdoings and says Russia should become a new world leader, Czech journalist Jiri Vyvadil wrote for newspaper *Parlamentnilisty.cz*.

The White House wants the Syrian leader Bashar al-Assad gone and will do whatever it takes to achieve its objective — even arm Islamic militants to fight against government troops, creating a civil war that resulted in millions of people fleeing the country to save their lives.

Washington's method of conducting foreign policy is to create chaos at the cost of hundreds of thousands of lives and destroy entire countries in the name of U.S. economic and political interests. However, the U.S. has constantly failed at it — all of its wars in the last two decades have ended in a fiasco, but Washington still hasn't learned and keeps sticking to the same destructive

policy which hasn't worked, the Czech newspaper said.

There is only one solution Vyvadil argues and that's to ditch the United States, as Washington has miserably failed as the leader of the international community...” **(Putin may become the Gog of Magog [Leader of Armageddon – Revelation 16:16, in the future] – Ezekiel 38:1, 2, 8, 16 produces and begins the bloodiest world war in history – Revelation 9:14 – 18.)**

***Putin at UN: 'Self-Conceit' of the West created Middle East chaos***

**September 29, 2015 -- Breitbart.com** reports: “At the UN General Assembly meeting today, Russian President Vladimir Putin blamed the West for the rise of radical Islamic groups. He also demanded a global alliance to fight these groups.

‘It seems, however, that far from learning from others' mistakes, everyone just keeps repeating them,’ he stated. ‘And so the export of revolutions, this time so-called ‘democratic’ ones, continues. Suffice it to look at the situation in the Middle East and North Africa. Certainly, political and social

problems in this region have been piling up for a long time. And people there wish for changes.’

He continued: ‘But how did it really turn out? Rather than bringing about reforms, an aggressive foreign interference has resulted in a flagrant destruction of national institutions and the lifestyle itself. Instead of the triumph of democracy and progress, we got violence, poverty, and a social disaster. And nobody cares about human rights, including the right to life.’

The Syrian Civil War began in 2011, prompting by protests against President Bashar al-Assad. The U.S. also backed the overthrow of dictators in Iraq and Libya, the latter of which received praise from President Barack Obama in front of the assembly. In Libya, extremists attacked and murdered four Americans in 2012, including Ambassador Christopher Stevens.

September 29, 2015 -- *Breitbart.com* reports: "Russia has reportedly reached an agreement with Iraq, Syria, and Iran to share intelligence about the Islamic State (ISIS/ISIL)—without notifying the Obama administration.

Nevertheless, President Obama, during his address to the United Nations Monday, indicated that he is willing to 'compromise' with Iran and Russia on finding a solution to the Syrian conflict.

'Lasting stability can only take hold when the people of Syria forge an agreement to live together peacefully,' said Obama. 'The United States is prepared to work with any nation, including Russia and Iran, to resolve the conflict.'

September 28, 2015 -- *Voice of America News* reports: "Russian President Vladimir Putin and his Iranian counterpart, Hassan Rouhani, have told U.S. media outlets that embattled Syrian President Bashar al-Assad must remain in power to fight terrorism.

U.S. ambassador to the United Nations Samantha Power said Assad's presence attracts foreign fighters to Syria.

Speaking to *CNN* on Sunday, Rouhani said that in driving out terrorists in Syria, 'we have no solution other than to strengthen the central authority of that country.'

'Everyone has accepted that President Assad must remain so we can combat terrorists,' he said.

Rouhani also told *NPR* that Tehran is prepared to start holding discussions and dialogues on a post-Islamic State Syria, but those fighting the extremist group 'must all act in unison and have a formula to drive out the terrorists, immediately.'..."

### **Russian warplanes target insurgents in Syria but not Islamic State**

October 1, 2015 -- *Reuters* reports: "Russian jets launched a second day of air strikes in Syria on Thursday, targeting areas held by an insurgent alliance that includes a group linked to al Qaeda, but not the Islamic State militants Moscow said it had hit.

Russia said it had launched eight air strikes with Sukhoi warplanes overnight, hitting four Islamic State targets. However, the areas where it said the strikes took place are not held by Islamic State.

*Al-Mayadeen*, a pro-Damascus television channel, said jets carried out at least 30 strikes against an insurgent alliance known as the Army of Conquest. The alliance includes the Nusra Front, al Qaeda's Syrian branch, but not Islamic State, which has declared a caliphate on swathes of Syria and Iraq.

The Army of Conquest has been advancing against government forces in northwestern Syria in recent months, and has support from regional countries that oppose both President Bashar al-Assad and Islamic State.

Russia's decision to join the war with air strikes on behalf of Assad is a major turning point in international involvement in the conflict..."

### **Christian in prison for praying dies after being denied medication**

**September 24, 2015 -- ChristianToday.com** reports: "A Christian man who was jailed for praying has died in Laos after he was denied vital medication.

Tiang Kwentianthong was imprisoned along with four others after praying for healing for an elderly woman, according to a human rights group. Tiang, who suffered from severe diabetes, died shortly after being released because his condition was ignored by officials.

'During his imprisonment in Savannakhet provincial prison, Mr. Tiang requested permission to be treated for his worsening diabetic condition but the prison officials denied his request,' a statement from the Human Rights Watcher for Lao Religious Freedom (HRWLRF) read.

### **Iran: American pastor Saeed Abedini tortured in prison**

**September 25, 2015 -- ChristianToday.com** reports: "Imprisoned pastor Saeed Abedini was reportedly tortured and interrogated in Iran's notorious Rajai Shahr prison this week, where he is being held on charges of undermining national security.

According to the American Center for Law and Justice (ACLJ) which is supporting Iranian-born Abedini, the pastor told members of his family yesterday that he had been abused both physically and verbally during interrogation. He said a taser gun was used on his head, and he was threatened with new criminal charges.

Iranian intelligence officers have now apparently claimed that Abedini is connected to anti-government groups and has taken action against the Iranian government. The pastor denies the allegations.

Abedini began developing home church communities for Christian converts, who are forbidden from gathering in Iran's public churches, more than a decade ago. He was first arrested in 2009, but was later released after pledging to stop formally organizing house churches in the Muslim-led country.

He was arrested for a second time upon returning to Iran in 2012 to help build a state-run, secular orphanage and was held without charges until January 2013, when he received his eight-year sentence. There are now concerns that this sentence will be extended..."

Sources told the Texas-based organization that Public Security Bureau officers arrived at the lawyer's home in Shaanxi province at 1pm on Thursday, 'and began frantically searching for Gao.' He had previously told China Aid that he expected to be detained again after giving an interview this week that detailed horrific torture at the hands of Chinese authorities.

Speaking out for the first time in five years, 51-year-old Gao told AP that he was tortured three times while in prison, and forced to live in a seven meter square confinement cell for three years. A Communist propaganda message was broadcast constantly for 68 weeks. 'Those who persecuted me have used every means possible over the past nine years to break my spirit,' he said. 'Life in prison was absolutely terrible on a physical level... When I was tortured for the first time I was afraid, really afraid. But the second time I was not, because it's a matter of perception. # TEMPLE MOUNT TROUBLES

## **Islamic Movement: Jewish Temple will never be rebuilt**

**September 13, 2015 -- Israel National News** reports: "Muslims will never allow the Jews to rebuild the Temple, the

deputy leader of the Islamic Movement in Israel said forcefully on Sunday in lieu of a Rosh Hashanah greeting.

In an interview with the Hamas-affiliated *Palestine* magazine, Kamal al-Khatib accused the Israeli establishment

of 'blinding its eyes and closing its ears' to reason and truth.

Israel, he asserted, has taken advantage of the situation in the Arab region, coordinating security with the Palestinian Authority to advance its

‘malaria-riddled, mad plans’ to rebuild the Temple on the ruins of the Al-Aqsa Mosque.

According to Khatib, the plan to implement worship on the Temple Mount for both Jews and Muslims is really a ploy to demolish the mosque and build the Third Temple in its place.

But, Khatib says, even if Israel were successful in destroying the Al-Aqsa Mosque, as well as ‘annihilating’ the Palestinian people, the Arab world would never allow Judaism’s holiest site to be rebuilt.

‘You can deport whoever you want, kill whoever you want, dance based on the illusions of the prophets, believe the fairy-tales of rabbis, and even if the Western world will support you, the Al-Aqsa mosque...will never become a Jewish Temple,’ he concluded...’ **(At the return of Christ our Lord, after the Rapture [Revelation 3:10] Christ returns seven years later proving you Palestinians will be wrong. After a meeting with French leader Francois Hollande in Paris, Abbas warned about the clashes that have been occurring since last week, saying, ‘what is happening is very dangerous.’

He warned against ‘an intifida which we don’t want,’ in an ironic statement given his call for violence at the Temple Mount – Judaism’s holiest site – just last Wednesday.

### **Eminent Palestinian sheikh asserts right to ‘self-defense’ on Temple Mount**

**September 17, 2015 -- The Times of Israel** reports: “Incensed by increasingly self-confident Jewish activism on the Temple Mount and the perceived Israeli government backing they receive, a senior Islamic cleric on Wednesday justified Muslim violence on the holy site as legitimate self-defense in the face of imminent danger.

Sheikh Ekrima Sabri, who served as the Palestinian Authority’s top cleric in Jerusalem between 1994 and 2006,

told *The Times of Israel* that Islamic law recognizes the right of believers to spend the night in a mosque and pray, a religious act known in Arabic as *i’tikaf*. When done to defend the mosque from external aggression, the act can be known as religious steadfastness, or *ribat*.

He claimed that ‘Jewish extremists’ had stepped up their efforts to encourage religious ascension to the Temple Mount — Judaism’s holiest site and Islam’s third-holiest, home to the al-Haram ash-Sharif sanctuary and the al-Aqsa Mosque — during the High Holidays, which began on Sunday and end on October 5.

**September 18, 2015 -- Israel National News** reports: “Saudi Arabia’s King Salman on Thursday night phoned President Barack Obama to condemn Israel for what was termed its ‘grave escalation’ on the Temple Mount.

According to the official *Saudi Press Agency*, during the phone call, the King ‘expressed, in strong wordings, condemnation and disapproval of the grave Israeli escalation, at Al Aqsa Mosque, in Al-Quds, brutal aggression against worshippers at its plazas and the violation of the sanctity of Islamic sanctuaries.’

The King reportedly called for internationally concerted, serious and expedited efforts to stop this so-called ‘aggression’ and called for intervention by the UN Security Council ‘to take all prompt measurements to stop violating the sacredness of Al-Aqsa Mosque, protect the Palestinian people and religious sanctuaries [and] awarding the Palestinian people its legitimate rights.’

September 15, 2015 -- *The Times of Israel* reports: “Israeli actions on

the Temple Mount in Jerusalem are tantamount to a ‘declaration of war,’ a senior official from the Islamist Hamas organization said Tuesday, as Israeli police and Muslim protesters clashed at the al-Aqsa Mosque for the third consecutive day.

The mosque is situated on the Temple Mount, a flashpoint site holy to both Jews and Muslims. Jewish visitors

are permitted onto the Mount, which overlooks the Western Wall, but are not allowed to pray there.

‘The Israeli escalation on the Temple Mount is a declaration of war,’ said Hamas spokesman Sami Abu Zuhri, according to Israel’s *Walla* website. He called on the international community to rein in Israel ‘before the situation explodes.’...”

September 11, 2015 -- *Breitbart.com* reports: “Dutch far-right leader Geert Wilders called the wave of refugees pushing into Europe an ‘Islamic invasion’, during a parliamentary debate on Thursday that exposed deep divisions over how the Netherlands should respond to the crisis.

European Commission chief Jean-Claude Juncker on Wednesday appealed to EU members to share out refugees arriving on the bloc’s fringes. Several EU countries oppose the idea of mandatory quotas, as supported by German Chancellor Angela Merkel, and the conservative Dutch government says it is only willing to take in more if all EU states agree.

At the start of the debate, Wilders called the wave of refugees passing through Hungary and other countries ‘an Islamic invasion of Europe, of the Netherlands.’

### **Are ISIS terrorists hiding among refugees?**

September 17, 2015 -- *Israel National News* reports: “Warnings that jihadists bent on violence may be sneaking into Europe disguised as refugees are growing louder, but analysts say extremists do not need to board rickety rubber dinghies to infiltrate the continent.

Politicians have for weeks been sounding the alarm over the risk of Islamist terrorists making their way to Europe undetected in the flood of migrants, and even Pope Francis warned this week of the ‘risk of infiltration.’

While experts say this scenario is indeed possible, they argue that groups such as the Islamic State (ISIS) have far more sophisticated means to reach Europe to carry out attacks.

‘I think it is a very valid concern from one point (but) the key thing to remember is the group has large numbers

of EU citizens fighting for it with valid passports who could potentially travel back (to Europe) through conventional means,' Matthew Henman of IHS Jane's Terrorism and Insurgency Center said.

However, he said using passports would make it more likely the terrorists could be tracked, while it is virtually impossible to vet refugees for ties to any terror groups.

## **ISIS 9/11 video: 'We are back in America'**

September 16, 2015 -- *Breitbart.com* reports: "ISIS has released a video to commemorate—and celebrate—the 9/11 attacks. 'We are back in America,' the terrorist nation declares, warning that Americans can expect another attack on the scale of what their godfathers in al-Qaeda pulled off on September 11, 2001, and promising to deliver 'cars full of explosives and suicide bombers.'

ISIS and al-Qaeda are fighting on several fronts today, including Syria and Afghanistan, but the ten-minute video approvingly quotes Osama bin Laden: 'Every Muslim, from the moment they realize the distinction in their hearts, hates Americans, hates Jews, and hates Christians. ... For as long as I can remember, I have felt tormented and at war, and have felt hatred and animosity for Americans.'..." **(Americans, Jews and Christians are the most hated human beings alive and in danger of being slaughtered today. And Revelation 20:4, 5 adds: "...I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. September 30, 2015 – *Breitbart.com* reports: "Many of the estimated 250 Americans who have traveled overseas since 2011 to join or try to join the Islamic State (ISIS/ISIL) have been able to reenter the United States without being arrested or monitored, reveals a report issued by the House Homeland Security Committee.

The report does not provide any additional information on the "several dozen" Americans who have snuck back into the U.S.

The 66-page report states:

Over 25,000 foreign fighters have traveled to the battlefield to enlist with Islamist terrorist groups, including at least 4,500 Westerners. More than 250 individuals from the United States have also joined or attempted to fight with extremists in the conflict zone.

"These fighters pose a serious threat to the United States and its allies. Armed with combat experience and extremist connections, many of them are only a plane-flight away from our shores," it adds. September 30, 2015 – *Breitbart.com* reports: "The Obama administration admitted 1,519 terror-linked refugees, asylees and migrants during 2014, by exempting them from a federal statute that bars entry to individuals with terror ties, according to the Department of Homeland Security.

Many of the new would-be Americans provided material support to terrorist groups "while under duress," said the report, titled the "Report on the Secretary's Application of the Discretionary Authority Contained in Section 212(d)(3)(B)(i) of the Immigration and Nationality Act."

None of the people admitted were members of anti-American jihadi groups, such as Al Qaeda, Hezbollah, HAMAS or ISIS, according to a list of terror groups cited in the report.

The new report comes as Republican lawmakers raise national security concerns about the Obama administration's plan to admit tens of thousands of refugees to the U.S. from terrorist hot-spots. The political

sensitivity is increased by claims from ISIS that it will use refugee paths to infiltrate the West.

Each admission was allowable under “the Secretary of Homeland Security’s exercises of discretionary authority,” the report said...” **(This is one of the most serious reports ever. **September 23, 2015 -- Israel National News** reports: “Anti-Israel propaganda has long been a problem on U.S. university campuses – but now

it has trickled down to the elementary school level.

Infamous Palestinian Arab ‘activist’ Bassem Tamimi spoke at an Ithaca, NY elementary school on Friday to present to third-graders a presentation on the ‘suffering’ of Palestinian Arab children in Israel.

Tamimi’s visit to Beverly J. Martin Elementary was arranged via anti-Israel activist Ariel Gold, the current head of the North American branch of Sabeel International – an anti-Israel Christian organization actively working to skew Christian dominations toward divestment resolutions against the Jewish state.

Gold and Tamimi met in late 2014, during the former’s visit to the

Palestinian Authority (PA) town of Bil’in; she has since then become Tamimi’s official agent for international trips to hawk anti-Israel propaganda. Gold proudly posted a photo from his visit to the school on Facebook.

Tamimi is infamous for using his young children as props in anti-IDF media films; he was convicted in 2012 for orchestrating rock-throwing attacks from the rooftops of the Arab settlement of Nabi Saleh...” **(Fulfillment of Proverbs 22:6: “Train up a child in the way he should go: and when he is old, he will not depart from it.” Our Islamic enemy is trying every ill-conceived idea to destroy Israel, Judaism, and Christianity. )**

# DEATH TO AMERICA!

### **Iran parliament chants ‘Death to America’ over Obama handshake**

**September 30, 2015 -- Israel National News** reports: “U.S. President Barack Obama and Iranian Foreign Minister Javad Zarif’s historic handshake at the UN headquarters this Monday might have been confused for a further development in ties following the recent nuclear deal, but Iran’s parliament is taking pains to clarify that hostilities are as strong as ever.

Members of the Iranian parliament are preparing a statement to protest the handshake, which was the first such high-ranking handshake in over 30 years.

Aside from the planned statement, in Tehran’s parliaments Iranian MPs chanted ‘Death to America’ on Wednesday.

‘With whose permission have they met Obama?’ deputy Bahram Biranvand said according to Iran’s semi-official ISNA news agency. ‘Last time they talked to Obama on the phone and this time, with whose permission?’ he added, referencing a call between Obama and President Hassan Rouhani in 2013.

Iran’s conservative judiciary spokesman, Gholamhossein Mohseni Ejeie, also slammed Zarif indirectly, saying ‘some spies are paid but there is another kind of spying that we have to watch out for. He prepares the ground for the enemy.’...” **(The Wall Street Journal reports that Barack Hussein Obama is the greatest anti-Semite Jew hating president in history. Is this because of his Muslim relatives? His favorite Bible verse must undoubtedly be Psalm 83:4: “...Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance.”)**

### **‘Death to America’ chants not personal, Rouhani says**

**September 21, 2015 -- The Times of Israel** reports: “Iran’s President Hassan Rouhani has tried to reassure a skeptical American public that when crowds in Tehran chant ‘Death to America!’ they don’t mean it personally.

In an interview with the CBS show *60 Minutes* to be broadcast Sunday in the United States, the Iranian president said the famous Friday ritual is a reaction to previous Washington policy decisions that hurt Iran.

In April, U.S. President Barack Obama’s administration signed a deal with Rouhani’s government to release Iran from many of the economic sanctions harming its economy in return for tight controls on its nuclear program.

But many in the United States are still convinced that Iran, which is ultimately led not by Rouhani but by supreme leader Ayatollah Ali Khamenei, remains bent on their country’s destruction.

In a July speech, Khamenei hailed the Iranian masses for demanding the destruction of Israel and America, and said he hoped that God would answer their prayers. A clip published by Khamenei on social media earlier this week warned the U.S. it would be defeated in any war with Iran...” **(Sorry Rouhani, you not only presently serve under Khamenei but also was with Khomeini who was deported to France for his viscous hatred of Jews and numerous confrontational statements made, but returned to Iran in 1979 full of hatred for Jews and Americans. You Rouhani at that time served and partnered with this anti-Jew Ayatollah Khomeini.)**
