RUSSIA AND THE KINGS OF THE EAST

Moscow warns U.S. over missile system deployment to South Korea

February 10, 2016 -- *SpaceDaily.com* reports: “Moscow on Wednesday warned that Washington’s deployment of a U.S. missile defense system to South Korea could spark an arms race in the region.

South Korean and U.S. defense officials said last week they would begin formal talks on the deployment of the Terminal High Altitude Area Defense System (THAAD) system in response to North Korea’s recent nuclear and missile tests.

“The appearance of elements of the U.S. global missile defense system in the region — which is characterized by a very difficult security situation — can provoke an arms race in Northeast Asia and complicate the resolution of the nuclear problem on the Korean peninsula,” said the Russian foreign ministry.

“On a more global scale, this step can increase the destructive influence of the U.S. global missile defense system on international security and stability...”

(Russia in Bible prophecy is the main instigator of death and suffering during Armageddon – Revelation 16:16. Ezekiel chapters 38 & 39, which I have proclaimed for sixty years, aided by Oriental and Islamic nations, bring total chaos and atomic devastation upon the world. Worse yet, it’s just ahead of us. Every nation I included in World War III is forming exactly as I taught this global blood bath six decades ago. The only good news is that the Rapture precedes Armageddon – “Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth” – Revelation 3:10. Then our deliverance as believers – Revelation 4:1 and our joy because of missing Armageddon. See the next six reports.)

U.S. test-fires ICBMs to stress its power to Russia, North Korea

February 26, 2016 -- *Reuters* reports: “The U.S. military test-fired its second intercontinental ballistic missile in a week on Thursday night, seeking to

demonstrate its nuclear arms capacity at a time of rising strategic tensions with Russia and North Korea.

The unarmed Minuteman III missile roared out of a silo at Vandenberg Air Force Base in California late at night, raced across the sky at speeds of up to 15,000 mph (24,000 kph) and landed a half hour later in a target area 4,200 miles (6,500 km) away near Kwajalein Atoll in the Marshall Islands of the South Pacific.

Deputy Defense Secretary Robert Work, who witnessed the launch, said the U.S. tests, conducted at least 15 times since January 2011, send a message to strategic rivals like Russia, China and North Korea that Washington has an effective nuclear arsenal.

“That’s exactly why we do this,” Work told reporters before the launch.

“We and the Russians and the Chinese routinely do test shots to prove that the operational missiles that we have are reliable. And that is a signal ... that we are prepared to use nuclear weapons in defense of our country if necessary...”

U.S. sends aircraft carrier, destroyers to South China Sea

March 7, 2016 -- *Voice of America News* reports: "The United States has deployed an aircraft carrier and several escorts to the South China Sea in an apparent show of force to China.

The John C. Stennis, along with two destroyers and two cruisers, reportedly arrived in the disputed waters earlier this week. A U.S. flagship is also in the region.

China claims almost the entire South China Sea. The United States has accused Beijing of militarizing the region as it tries to contest territorial claims by other nations.

After China deployed surface-to-air missiles on the Paracel Islands last month, the head of the U.S. Pacific Command, Admiral Harry Harris, told Congress that China is clearly militarizing the sea.

'You'd have to believe in a flat Earth to believe otherwise,' Harris testified.

China denies the accusation and says it is the U.S. that is causing the tension..."

China arms exports double as regional tensions mount

February 29, 2016 -- *Voice of America News* reports: "A research group says China's arms exports have almost doubled in five years as the country has moved to become a major player in the global industry.

Chinese exports of major arms grew by 88 percent between 2011 and 2015, according to the Stockholm International Peace Research Institute (SIPRI).

'China is actively pushing for exports. A lot of the exports are going to countries where China has had good relations for a long time, so there's also a strategic incentive for China to supply weapons. Pakistan for example, Bangladesh, Myanmar,' said Siemon Wezeman, a senior researcher with the institute.

China is now the world's third largest arms exporter behind the U.S. and Russia, and the country accounted for nearly six percent of arms exports between 2011 and 2015..."

NATO commander: Russia threat to U.S., its allies and partners

March 2, 2016 -- *Voice of America News* reports: "NATO's military commander has told the U.S. lawmakers that Russia poses a long-term threat to the United States and to its European allies and partners.

In testimony before the Senate Armed Services Committee, U.S. Air Force General Philip Breedlove said that Russia is eager to exert unquestioned influence over neighboring countries.

'Russia has used military force to violate the sovereignty and the territorial integrity of Ukraine, Georgia and others like Moldova. In Ukraine specifically, Russia continues to use all elements of national power to hinder Kyiv,' he said..."

North Korea threatens 'U.S. mainland' in response to largest-ever joint drill on border

February 25, 2016 -- *Breitbart.com* reports: "'The doom of the U.S. has been sealed.' So reads a statement on North Korea's official state media outlet, warning Pyongyang will attack the 'U.S. Mainland' if American and South Korean forces complete a military drill simulating the collapse of the Kim Jong-un regime in March.

'All the service personnel and people of the DPRK are ready to immediately and mercilessly punish without slightest leniency, tolerance and patience anyone provoking the dignified supreme headquarters even a bit,' a statement at the *Korean Central News Agency's (KCNA)* website read Tuesday, in response to the news that the United States and South Korea are preparing for a military drill that will have 300,000 soldiers simulating an invasion of North Korea. Pyongyang did not limit their rhetoric to vague proposals for attacking both countries, instead highlighting specifically what their first and second targets of attack will be should the military drill occur.

'Our primary target is the Chongwadae [the residence and office of South Korea's

president], the center for hatching plots for confrontation with the fellow countrymen in the north, and reactionary ruling machines,' the statement read. 'The U.S. imperialist aggressor forces' bases for invading the DPRK in the Asia-Pacific region and the U.S. mainland are its second striking target,' it adds.

'The U.S. is fated to be punished and perish in the flames due to the DPRK's deadly strikes,' the statement concludes..."

Kim puts military on 'pre-emptive attack' mode

March 4, 2016 -- *News.Sky.com* reports: "North Korean leader Kim Jong-Un has ordered his country to be ready to use its nuclear weapons at any time.

According to the official *KCNA* news agency, he also told the country's military to be on 'pre-emptive attack' mode in the face of growing threats from its enemies.

It comes after the UN adopted its toughest sanctions to date in response to Pyongyang's fourth nuclear test and rocket launch.

Mr. Kim said North Korea should 'bolster up (its) nuclear force both in quality and quantity' and stressed 'the need to get the nuclear warheads deployed for national defence always on standby so as to be fired any moment'.

He added: 'Now is the time for us to convert our mode of military counteraction toward the enemies into a pre-emptive attack one in every aspect...'"

North Korea threatens nuclear strikes against South Korea and U.S.

March 7, 2016 -- *Israel National News* reports: "North Korea on Sunday threatened 'indiscriminate' nuclear strikes against South Korea and the United States if the two allies push ahead with joint military drills scheduled to begin Monday, *AFP* reports.

The threat to carry out what it described as a 'pre-emptive nuclear strike of justice' was made in a statement by North Korea's powerful National Defense Commission,

citing the Supreme Command of the Korean People's Army (KPA).

It comes just days after leader Kim Jong-Un ordered the country's nuclear arsenal to be placed on standby for use 'at any moment,' in response to tough new UN sanctions imposed over the North's fourth nuclear test in January and last month's long-range rocket launch.

The United States downplayed Kim's order and said it had 'not seen North Korea test or demonstrate the ability to miniaturize a nuclear weapon and put it on an ICBM (intercontinental ballistic missile).'

Pyongyang has issued dire warnings of nuclear attack in the past, usually during periods of elevated military tensions of the Korean peninsula, noted

AFP..." (South Korea out of devotion and love to America for our nation's protection and love shown to this nation will undoubtedly stick with America. Also, while North Korea is a haven for Communism, South Korea has become a Christian nation because of America's love and missionary outreach and ministry to these precious people.)

THE RELIGION OF PEACE?

Eight-year-old Yazidi girl sets herself on fire to prevent Islamic State rape

March 1, 2016 -- *Breitbart.com* reports: "German doctor Jan Ilhan Kizilhan, treating Yazidi victims of the Islamic State (ISIS/ISIL/IS), tells the *Agence France-Presse* he has treated an 8-year-old girl who set herself on fire to stop jihadists from raping her.

'IS sold her eight times during the 10 months she was held hostage, and raped her hundreds of times,' he said. 'This is one of the cases I always have in my mind.'

The fire burned 80 percent of her body, and Kizilhan said the girl lost her nose and ears. The *AFP* reports:

IS fighters had held the girl and her sisters for weeks, raping and torturing them, before they escaped.

Then one night sleeping in her tent in the refugee camp, the girl dreamt IS fighters were outside. In a panic she poured gasoline over herself and lit a match, hoping it would make her so ugly they would not rape her again..."

(What a heartbreaking story this is. Further reports tell us that scores of seven year-old Yazidi girls were continually raped until they bled to death.

Rexella and I wept as we read this report and decided not to run the story on global television. Nevertheless, our compromising President tries to

continually push these murdering and torture maniacs as a religion of peace. See the next two reports.)

Moscow: Muslim woman arrested holding child's severed head

February 29, 2016 -- *Israel National News* reports: "Police in Moscow have arrested a Muslim woman who was spotted brandishing a child's decapitated head near a metro station in the Russian capital.

According to numerous Russian media outlets, the woman – dressed in a black burqa – was heard shouting 'Allahu Akbar' and 'I am a terrorist.' Video footage from the scene shows her pacing back and forth, gesturing with her right hand while holding what appears to be a severed head in her left hand.

According to the Russian-language *LifeNews* website, the woman had been stopped by police – seen in the video standing at the entrance of the metro station – at which point she pulled the head out of her bag and began shouting 'I am a terrorist.'

According to Russia's *RT* state media, rescue forces responding to a fire at a nearby apartment complex found the headless body of a young child aged three or four years old.

The killer is believed to have been babysitting the young girl. She reportedly beheaded the child before setting the apartment on fire..."

Four married women raped by Islamic State then stoned to death for 'adultery'

February 16, 2016 -- *News.com.au* reports: "Islamic State raped four Iraqi women before stoning them to death for 'committing adultery', according to local news reports.

The jihadis arrested the victims after they claimed to have caught them in the act.

At an ISIS-led sharia court they were sentenced to death by stoning, without the court mentioning any details of the men they had reportedly had sex with.

Media activist Abdullah al-Malla told *ARA News*: "The four women were most likely exposed to sexual abuse at the hands of ISIS militants before being driven out of their homes and transferred to the Sharia Court.

'Apparently, the victims have been raped by ISIS jihadis and then stoned to death on charges of committing adultery...' (The above headline is blatant savagery. These sex perverts rape the women and then kill them for committing adultery with them.

Then because of killing adulterous women they get another 72 voluptuous virgins for all eternity making Heaven a hell by turning God's eternal home into a brothel, or should I say the truth, a whorehouse.)

Muslim mufti gives instructions for beating wives

February 16, 2016 -- WND.com reports: “Recalcitrant Muslim wives who fail to correct themselves quickly and appropriately should be beaten, according to the Palestinian Authority mufti of Gaza, Hassan Al-Laham.

‘Allah created a solution for this (i.e., marital strife). How? Allah said: Warn them [the wives], and separate from them, and hit them, and bring an arbitrator from his family and an arbitrator from her family. [Only] after this comes divorce. The husband starts with a warning,’ he said.

The teaching was reported by *Palestinian Media Watch*, which monitors media in the region...” (Christianity is so different – “Husbands, love your wives, even as Christ also loved the church, and gave himself for it;” – Ephesians 5:25 and: “Husbands, love your wives, and be not bitter against them” – Colossians 3:19.)

‘We believe in Islam’: Mosque praised by police tells congregation to kill apostates and non-Muslims

March 1, 2016 -- Breitbart.com reports: “A prominent Danish mosque has told their congregation that apostates, adulterers and any one who harms a Muslim should be killed. The Mosque chairman defended the sermons, saying, ‘we believe in Islam’.

The Grimhøj Mosque in Aarhus made headlines last month, when one of their imams defended child rape among recent migrants because it is part of their culture.

The mosque also appeared to declare support for the Islamic State (IS) terror group in 2014, and again in 2015. However, local police later praised the mosque, claiming they were in fact discouraging young Muslims from joining the Jihad.

Now, a new documentary by Danish broadcaster TV2 has reignited debate

over whether the infamous mosque should be shut down. Radical preacher Abu Bilal Ismail was secretly filmed saying:

‘If a married or divorced woman engages in fornication, and she is not a virgin, she should be stoned to death’.

Continuing: ‘If someone violates their marriage, either man or woman, they commit adultery and their blood is thus halal [acceptable under Muslim law] and they should be killed by stoning. If the woman is a virgin, the punishment is whipping’...” (Killing is rewarded in Islam. Not only do they receive 72 virgins as righteous and martyred godly men, but what even more shocking is they get to choose 70 relatives and friends to go to heaven. Their plan of winning the lost is a sick one and against God’s plan which is: “For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life” – John 3:16.)

HOMELAND INSECURITY

FBI confirms act of terror in Ohio: Muslim machete attacker on terror watchlist

February 19, 2016 -- Breitbart.com reports: “Authorities have confirmed that the machete-wielding attacker, who slashed guests at an Ohio restaurant, was an immigrant and that the incident is being investigated as a terror attack.

Mohamed Barry, a Muslim immigrant from Guinea, charged into the Nazareth Restaurant and Deli in Columbus, Ohio, on Feb. 11 and immediately began attacking innocent patrons with a machete, according to reports.

The Columbus Dispatch reported, ‘The owner of the Nazareth Restaurant and Deli said he believes his business was targeted because of his Israeli descent.’ He and others immediately said the attack was an act of terror.

The suspect allegedly shouted ‘Allahu Akbar’ as he hacked at patrons with his

machete, and the scene of the attack was called a “bloodbath” by the victims...” (Machete attackers is the methodology of slaughter used by the 10,000,000 Muslims of China.)

CIA Director warns Islamic State attack on U.S. ‘inevitable’

February 19, 2016 -- Breitbart.com reports: “In his *60 Minutes* interview last Sunday, CIA Director John Brennan warned that Islamic State attacks (ISIS/ISIL) on U.S. soil are ‘inevitable.’ He came close to blaming political correctness for interfering with efforts to detect and thwart terror plots.

When interviewer Scott Pelley asked if Brennan expects an Islamic State attack in the United States, the CIA director replied, ‘I’m expecting them to try to put in place the operatives, the material or whatever else that they need to do

or to incite people to carry out these attacks, clearly. So I believe that their attempts are inevitable. I don’t think their successes necessarily are.’...” (Muslim commentators and reporters report that ISIS terrorists are in all 50 states waiting for the attack signal in 2016 or 2017. Presently Muslims have 24 training camps in thirty American cities. God help America. See the next report.)

Intel Community foresees worst year ever for Jihadi terror against U.S.

February 11, 2016 -- Breitbart.com reports: “The latest annual Worldwide Threat Assessment of the U.S. Intelligence Community (IC) indicates that 2016 may be the worst year in history for terrorism, primarily at the hands of Sunni extremist groups such as the Islamic State (ISIS/ISIL) and al-Qaeda (AQ).

Director of National Intelligence (DNI)

James Clapper delivered the assessment, which highlights the perils facing the United States globally, during a Senate Armed Services Committee hearing on Tuesday.

‘The United States and its allies are

facing a challenging threat environment in 2016. Sunni violent extremism has been on an upward trajectory since the late 1970s and has more groups, members, and safe havens than at any other point in history,’ declares

the IC report. ‘At the same time, Shia violent extremists will probably deepen sectarian tensions in response to real and perceived threats from Sunni violent extremists and to advance Iranian influence.’...”

CONTENDING FOR THE FAITH

How the meaning of ‘Father’ and ‘Son’ has led to a split among Bible translators in America

March 4, 2016 -- *ChristianToday.com* reports: “Organizations devoted to translating the Bible into new languages have split over how far they should adapt translations to local conditions.

U.S.-based Wycliffe Associates, originally set up to support Wycliffe Bible Translators but now a separate body, has announced it is leaving the Wycliffe Global Alliance (WGA), the international network of translation bodies.

Its president Bruce Smith said it was committed to supporting ‘only Bible translations that use literal common language for Father and Son of God’ and that ‘The Wycliffe Global Alliance includes Bible translation agencies that do not include Father and Son of God in some translations of the Scriptures.’

‘For Wycliffe Associates, literal translation of Father and Son of God is not negotiable,’ Smith said in his public statement.

The controversy refers to a small number of translations in which other words for ‘Father’ and ‘Son’ were used to refer to God and Jesus as a way of making them more accessible to readers who would assume the words implied a sexual relationship between God and Mary...” (Thank God for Bruce Smith who is taking a stand against Apostate Christian Bible translators who have removed Jesus as the Son of God 91 times in a new version of God’s Holy Word and makes this distorted Bible blasphemous as it now backs Islam’s

Koran which states eight times that anyone who says that Christ is the Son of God or proclaims a Christian Trinity such as Matthew 28:19 will burn in hell forever. God’s Holy Word states: *“Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son” – I John 2:22.* How long will true Christianity allow these false Christs and false prophets to continue massacring God’s Holy Word and blaspheme our precious God and Saviour the Lord Jesus Christ? Will you begin helping me, Dr. Jack Van Impe, in eliminating these religious seducers on the basis of II Peter 2:1: *“...there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction.”* God’s judgment upon such evil men and deceivers is described in II John 1:9 – 11: *“Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son. If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed: For he that biddeth him God speed is partaker of his evil deeds.”*)

Christian student expelled from university for quoting Bible on homosexuality

March 2, 2016 -- *ChristianToday.com* reports: “A married Christian student with four children has been expelled from his university because he wrote a post on

Facebook opposing gay marriage.

Felix Ngole, aged 38, was asked to leave the University of Sheffield [UK], where he was in the second year of a Masters in social work.

He is to appeal against the decision, which came after members of the faculty decided he might have ‘caused offence’ to some people for expressing support for Kim Davis, the Kentucky clerk jailed after refusing to issue same-sex marriage licenses.

In the comments on his Facebook profile, which were not visible to anyone outside his circle of friends, he quoted Leviticus in support of biblical teaching on marriage and sexual ethics.

The post was brought to the attention of the faculty at Sheffield. Following a Faculty of Social Sciences ‘fitness to practice’ committee hearing, he was advised he has been ‘excluded from further study on a program leading to a professional qualification’ and is ‘no longer recognized as a University student’.

This was because the committee believed that he ‘may have caused offence to some individuals’ and had ‘transgressed boundaries which are not deemed appropriate for someone entering the social work profession.’ His action would have an effect on his ‘ability to carry out a role as a social worker,’ the committee said...”

Nigeria’s anti-Christian Jihad in numbers: 11,500 dead, 13,000 churches destroyed

February 26, 2016 -- *Breitbart.com* reports: “A new report offers some

startling statistics on the devastation wrought by Muslims on the Christian population in Nigeria, with 11,500 Christians killed, a million displaced and 13,000 churches destroyed or shut down in the last 15 years.

The 48-page report titled 'Crushed but Not Defeated: The Impact of Persistent Violence on the Church in Northern Nigeria,' documents the extent of Christian persecution in Nigeria due to targeted violence by Islamic extremists as well as other more moderate Muslims. The document was released after extensive on-the-ground research by Open Doors, a non-profit group devoted to assisting persecuted Christians throughout the world.

The comprehensive study reveals that decades of religious violence directed at the Christian community has had an even larger impact on the Church in Northern Nigeria than previously thought..." **(Dr. Ben Carson said: "I would not advocate that we put a Muslim in charge of this nation. I absolutely would not agree with that." Why? On Fox News Channel show, The Kelly Files with Megyn Kelly he explained the killing of 1 million apostates in recent days because they called one another not true Muslims, or apostates because the Shiites say that the leadership follows the family of Muhammad, while the Sunnis disagree. But next they both kill all infidels – Jews, Christians, non-Muslims – since the Crusades 300 million have been slain because they rejected Allah as their god. Most of these massacres were by beheading, which the Koran demands. See the next three reports.)**

Even in Italy, Christian converts from Islam live in fear of reprisals

February 9, 2016 -- Breitbart.com reports: "Recent reports suggest that over a thousand converts to Christianity from Islam currently live in Italy, but hide their conversions for fear of retaliation from the Muslim community against themselves and their families.

A 55-year-old Egyptian chemical engineer who now works as a waiter in a city of central Italy, was a fervent Muslim who converted to Christianity in Italy after the death of his mother and was baptized three years ago.

The man, who asked to remain anonymous to avoid retribution from Muslims, said that the decisive element in his conversion came from seeing Christians with 'a humanity more complete than mine' and wanting to find what they had found.

Still, he openly expresses his frustration with having to hide his newfound faith. 'I cannot openly practice my Christian faith. I am afraid that some fanatical Muslim may do harm not only to me, but especially to relatives who remained in Egypt.'

'How is it,' he asks, 'that Italians who convert to Islam can go on TV and talk about it, and instead I have to hide to avoid retaliation?'

The name Italians are using to refer to the believers who must conceal their religion as 'ghost Christians.'..."

As U.S. hesitates, EU recognizes Islamic State Christian genocide

February 13, 2016 -- Breitbart.com reports: "The European Union (EU) has recognized the mass slaughter of Christians at the hands of the barbaric Islamic State (ISIS/ISIL) as genocide, but the Obama administration has yet to offer the same designation to the religious minority group.

'It is very important to call it genocide, it's important because it is the truth,' said Nina Shea with Freedom House, a group that has been documenting ISIS atrocities.

Shea is now urging the Obama administration to follow the EU's example and label the crimes against Christians in the Middle East as 'genocide.'

'There's a reluctance on the part of the administration to call it genocide against Christians,' she proclaimed. 'They have told us privately that they will call it genocide against Yazidis but not Christians.'

'If we take the solemn vow of 'never again' as we have since the Jewish Holocaust under the Nazis, we have to call it as such for the Christians,' Shea added..."

Attacks on religious liberty in U.S. doubled in past 3 years, says First Liberty Institute report

February 28, 2016 -- ChristianToday.com reports: "Attacks on religious freedom in the United States have doubled in the past three years, according to the latest report by the First Liberty Institute in Texas.

The report, 'Undeniable: The Survey to Hostility in America' documents the rise in attacks on religion. The first edition documented over 600 incidents where religious liberty was threatened or suppressed.

This year, the institute has identified 1,285 attacks on religious liberty in the U.S., doubling the number of cases in the last three years.

'The religious liberty of Americans is under attack like never before,' said Kelly Shackelford, president and CEO of the First Liberty Institute. 'These attacks are coming from all directions, against America's churches, in our school, in the military, and in the public arena.'..."

Only God can save America now, warns Christian evangelist Franklin Graham

March 4, 2016 -- ChristianToday.com reports: "Only God can save America from its secular worldview that is hostile to biblical values, according to Franklin Graham.

In his March newsletter, Graham calls on thousands of people across America to pray for the nation, its people and its future to reverse the 'advance of godlessness'.

'We have come to a defining moment in this country. A secular worldview hostile to biblical values has overrun our culture and permeated our government,' he warns.

‘Rather than seeking to stem the tide, our educators, politicians, and judges aid the advance of godlessness. This cannot continue if our children and grandchildren are to live in a country that still recognises God and upholds religious liberty.’

He singles out no particular politician

for criticism. ‘No political party or candidate is capable of providing the solution. Only God can turn our nation and the hearts of its people. That is why I am going to every state capital in America this year to call churches and Christians to repentance and prayer for our land, challenge believers to engage

in the election process at every level, and proclaim the life-changing Gospel of Jesus Christ.’...” (Pray for Franklin Graham, Billy Graham’s son. His life will be in great danger as he attacks “damnable heresies” of the so-called religion of peace, promoted by President Obama.)

GLOBAL JIHAD

ISIS terror cell uncovered in Belgium

February 16, 2016 -- *Israel National News* reports: “Belgian police on Tuesday arrested ten people in the Brussels area who are allegedly part of a network recruiting people to fight with the Islamic State group in Syria, prosecutors said.

Police took the ten suspects into custody while conducting raids in Molenbeek and other areas of the Belgian capital. Several of the terrorists involved in November’s deadly Paris attacks came from Molenbeek.

The federal prosecutor’s office denied, however, that the cell was in any way connected to the killings in Paris.

‘The raids were carried out as part of an investigation into a recruitment network linked to the Islamic State. The investigation helped determine that several people had traveled to Syria to join Islamic State,’ the federal prosecutor’s office claimed in a statement.

The raids were carried out at the behest of a counter-terrorism judge in the eastern city of Liege, who will decide later in the day whether to continue holding them, the statement said....” (My Belgian cousin from Brussels just sent me the following letter and warning: “I received your

video release on Islam. If you were in Belgium now, you could be imprisoned for Islamophobia – spreading hatred. We as Belgian born citizens are not even allowed to speak against Muslims in our own ‘Democratic’ country. I work daily in the center of Brussels, the capital. The Belgian Military patrols the city daily and won’t even dare to go in the Muslim ‘no-go zones’. These are terrible times – Muslims everywhere. I am afraid of the day they take our homes and say ‘convert or die.’”

Radical Canadian Imam: ‘Rome will be conquered’

February 24, 2016 -- *Breitbart.com* reports: “A radical Canadian imam called for Muslims to ‘look forward’ as ‘Rome will be conquered,’ in a Friday sermon posted on the Internet on Feb. 16 and translated by the *Middle East Monitoring Research Institute (MEMRI)*.

‘The prophecies of the Prophet Muhammad came true. But some prophecies have not come true yet. Look forward to it, because the Prophet Muhammad said that Rome would be conquered! It will be conquered,’

preached Imam Shaban Sherif Mady.

Mady, based in Edmonton, also spoke of restoring the ‘rightly-guided’ Islamic Caliphate.

EU police chief warns that 5,000 jihadists returned from Middle East — and new attack is likely

February 22, 2016 -- *The National Post* reports: “Up to 5,000 jihadists trained in the Middle East could be at large in Europe, the EU’s police chief has warned.

‘Europe is currently facing the highest terror threat in more than 10 years,’ said Rob Wainwright, the British head of Europol, the EU’s police agency.

Thousands of EU citizens have returned to their home countries after being trained by Islamic State of Iraq and the Levant (ISIL), Wainwright said.

‘We can expect ISIL or other religious terror groups to stage an attack somewhere in Europe with the aim of achieving mass casualties among the civilian population,’ he told Germany’s *Neue Osnabrucker Zeitung* newspaper...”

NEWS FROM ISRAEL AND THE MIDDLE EAST

Nasrallah: Arab states that support Israel ‘will fall’ with it

March 6, 2016 -- *The Times of Israel* reports: “Hezbollah chief Hassan

Nasrallah denounced Israel on Sunday as a ‘permanent enemy’ of the Arabs, and lashed out at Saudi Arabia amid a continuing spat between his Shiite, pro-Iran organization and the Sunni-dominated Gulf kingdom.

‘O Zionists, if any Arab regime supports you, it will fall with you,’ he said, according to a translation of his words by the Hezbollah media outlet *al-Manar*.

‘Israel’s presence will never become

normal and it can't be an ally to Arabs while it is terror itself,' he was quoted as saying. 'No Arab regime will be able to normalize ties with Israel, neither the House of Saud nor anyone.'

In the televised broadcast, intended to mark one week since the funeral of one of the group's top commanders, Ali Fayyad, near the Syrian battleground city of Aleppo, Nasrallah defended his Shiite group against widespread criticism in Lebanon and the Arab world over its allegiance to Iran's ruling ayatollahs and its fighting on behalf of Assad in the Syrian civil war..." (Arab States? Yes. Israel? Never. Yahweh, the Judeo-Christian God promises in Isaiah 56:5 – 7: "Even unto them will I give in mine house and within my walls a place and a name better than of sons and of daughters: I will give them [Israel] an everlasting name, that shall not be cut off. Also the sons of the stranger, that join themselves to the Lord, to serve him, and to love the name of the Lord, to be his servants, every one that keepeth the sabbath from polluting it, and taketh hold of my covenant; Even them will I bring to my holy mountain, and make them joyful in my house of prayer: their burnt offerings and their sacrifices shall be accepted upon mine altar; for mine house shall be called an house of prayer for all people." -- Emphasis mine)

Abbas: Intifada – a peaceful popular uprising

March 7, 2016 -- Israel National News reports: "Palestinian Authority (PA) Chairman Mahmoud Abbas met with officials of his Fatah faction last Wednesday.

During the meeting, Abbas once again expressed his support for the French political initiative, which seeks to set up a support group of the permanent Security Council members, some Arab and European states and international organizations.

'There is a need to convene an international peace conference in order to extract the current deadlock in the peace process, and that the Palestinians

intend to appeal to the Security Council to get resolutions which will cease all settlement in the Palestinian territories,' said Abbas.

Abbas dubbed the current intifada as a 'popular peaceful uprising' initiated as a proportional response to the 'occupation', Israel's non-commitment to implement agreements, damage to the holy places of Islam and Christianity, arrests, house demolitions, killing and expulsion of Palestinians, and the 'siege' on Gaza..." (This plan will fail. "The Lord did not set his love upon you, nor choose you, because ye were more in number than any people; for ye were the fewest of all people: But because the Lord loved you, and because he would keep the oath which he had sworn unto your fathers, hath the Lord brought you out with a mighty hand, and redeemed you out of the house of bondmen, from the hand of Pharaoh king of Egypt. Know therefore that the Lord thy God, he is God, the faithful God, which keepeth covenant and mercy with them that love him and keep his commandments to a thousand generations; And repayeth them that hate him to their face, to destroy them: he will not be slack to him that hateth him, he will repay him to his face. Thou shalt therefore keep the commandments, and the statutes, and the judgments, which I command thee this day, to do them. Wherefore it shall come to pass, if ye hearken to these judgments, and keep, and do them, that the Lord thy God shall keep unto thee the covenant and the mercy which he swore unto thy fathers: And he will love thee, and bless thee, and multiply thee: he will also bless the fruit of thy womb, and the fruit of thy land, thy corn, and thy fruit of the vine, and thine oil, the increase of thy kine, and the flocks of thy sheep, in the land which he swore unto thy fathers to give thee. Thou shalt be blessed above all people: there shall not be male or female barren among you, or among your cattle. And the Lord will take away from thee all sickness, and will put none of the evil diseases of Egypt, which thou knowest, upon

thee; but will lay them upon all them that hate thee. And thou shalt consume all the people which the Lord thy God shall deliver thee; thine eye shall have no pity upon them: neither shalt thou serve their gods; for that will be a snare unto thee" – Deuteronomy 7:7 – 16.

The next report will also become a flop because Israel is God's elect – Isaiah 42:1, 45:4, 65:9 – 20.)

PA boasts of the 'achievements' of the 'intifada'

March 4, 2016 -- Israel National News reports: "The Palestinian Authority (PA) is boasting over the 'achievements' of the current terror wave, which Palestinian Arab terrorist groups have named the 'Al-Quds Intifada'.

The Gaza-based Al-Quds Center on Thursday published statistics regarding the wave of terrorism against Israel for the month of February 2016.

According to the Arab organization, during the month of February there were 30 stabbing attacks (and attempted attacks), 13 shooting attacks, five car attacks (and attempted attacks), over 11 firebomb attacks and 10 attacks involving explosives.

The Center further listed the following 'achievements' of the 'intifada': The torching of a synagogue in Gush Etzion, the torching of a bus in Jerusalem in a firebomb attack, an attempt to kidnap an Israeli soldier in the Jezreel Valley, stealing weapons from a soldier in the Qalqiliya area, burning an army jeep in the Kabatia region and clashes with IDF forces in Qalandiya.

The PA has continued to incite to terrorism against Israelis, as shown just this week in a new review of dozens of Palestinian Authority educational books for the 2015-2016 school year.

The review found that the PA education system continues to encourage terror against Jews and completely ignores the Holocaust in history books discussing World War II..."
