terror can't defeat us**

December 30, 2015 -- *Israel National News* reports: “Prime Minister Benjamin Netanyahu spoke on Wednesday about the murder of Ganeidi Kofman, who passed away earlier in the day after being hospitalized for over three weeks struggling to recover from an Arab terrorist stabbing attack at the Cave of Machpelah in Hevron.

At the start of a Cabinet meeting, Netanyahu sent his condolences to Kofman's family, noting the victim ‘was the gardener at the Cave of Machpelah,’ an ancient site where the Jewish patriarchs and matriarchs other than Rachel are buried.

‘He was stabbed in a murderous assault several weeks ago. Sadly, he did not recover,’ said Netanyahu.

‘This morning as well, I say to all those who would uproot us from the Tomb of the Patriarchs – except for a few years in the previous century, we have been there for almost 4,000 years and we will stay there forever. You cannot defeat us.’...” (**Jehovah God loves the Jews – Deuteronomy**

Netanyahu: Israel in ‘world war’ with Islamic extremists

December 30, 2015 -- *The Times of Israel* reports: “Israel is involved in a ‘world war’ against two major streams of Islamic extremists and must deal with the threats they pose, Prime Minister Benjamin Netanyahu said Tuesday.

‘Nobody said that the attacks would stop when a Jewish state arose,’ the prime minister said at a President's Residence ceremony to honor outstanding officials in the Mossad intelligence agency. Quoting Psalm 121, he added: ‘He who watches over Israel will neither slumber nor sleep.

‘Israel has enemies and friends for whom the very mention of the Mossad gives them ‘the chills,’ Netanyahu added. ‘They know that the long arm of the State of Israel is not a cliché but the real truth.’

Israel, the prime minister also warned, would respond with force to any attack against it — a thinly veiled threat to Hassan Nasrallah, the head of the Lebanon-based Hezbollah terror group...” (**“Pray for the peace of Jerusalem: they shall prosper that love thee” – Psalm 122:6. **ISIS attacks in Israel
‘just a matter of time’**

December 7, 2015 -- *Israel National News* reports: “Senior security sources have estimated that an Islamic State (ISIS) attack inside Israel is merely a matter of time, as the number of Arab citizens of the Jewish state who support the terrorist group grows.

Just last week a surprise IDF general staff drill was held, in which the forces trained to deal with a mock large scale ISIS attack in the south, and a paratrooper brigade was scrambled.

The senior sources were cited by *Yedioth Aharonoth* on Monday estimating that as pressure builds on ISIS in Syria from Russian and U.S.-coalition airstrikes, the group will increase its attacks outside of the war-torn state. Backing up the estimation the sources pointed to recent international attacks, including the Russian airliner downed in Sinai, the Paris attacks, and the California shooting last week.

Illustrating the threat, ISIS recently has started publishing its first videos in Hebrew threatening Israel with attacks, in which it vowed that ‘not a single Jew will be left in the country.’...”

‘God caused the Jews of the world to gather in Israel, and the war against them has become easy. It is the obligation of every Muslim to carry out Jihad,’

ISIS terrorists reveal: We only fear Israel

December 27, 2015 -- *Israel National News* reports: “Israel’s military is the only army in the world that ISIS fears, according to the only Western journalist whom the sadistic terror group has allowed into its territory.

Jürgen Todenhöfer, a former member of the German Parliament, spent ten days in ISIS territory in Iraq and Syria,

accompanied by his son Frederic, and published a book about his experiences. He returned convinced that the group was ‘preparing the largest religious cleansing in history’ but told *Jewish News*: ‘The only country ISIS fears is Israel. They told me they know the Israeli army is too strong for them.’

Todenhöfer claimed that ISIS wants the West to send ground soldiers to the region, so that it can capture U.S. and British soldiers. ‘They think they can defeat U.S. and UK ground troops, who they say they have no experience in city guerrilla or terrorist strategies. But they know the Israelis are very tough as far as fighting against guerrillas and terrorists,’ the journalist said.

‘They are not scared of the British and the Americans, they are scared of the Israelis and told me the Israeli army is the real danger. ‘We can’t defeat them with our current strategy,’ [they said]. ‘These people [the IDF] can fight a guerrilla war.’ ...”

IS has attacked Christians, Yazidis, Shiites and other minorities across the region, killing thousands and uprooting ancient communities from ancestral lands.

‘They hate difference, whether it is Muslims who think differently, Yazidis or Christians, and because of them the Christians face elimination in the very region in which Christian faith began,’ the archbishop of Canterbury said in his Christmas Day sermon.

Chinese military conducts war games in South China Sea

December 21, 2015 -- SpaceDaily.com reports: “China’s military conducted war games in the disputed South China Sea this week, an official newspaper said Friday, as tensions simmer over Beijing’s island-building in the region.

China insists it has sovereignty over virtually all of the resource-rich South China Sea, conflicting with the various claims of Vietnam, Malaysia, the Philippines, Taiwan and Brunei.

Warships, submarines, early warning aircraft and fighter jets were deployed in exercises that occurred over a ‘range of several thousand kilometers’, the *People’s Liberation Army Daily* said.

They were split into red and blue teams that practiced deflecting anti-ship missile attacks and scenarios that included one of an accidental strike on a third-party commercial ship, it added.

North Korea says conducted 'successful' H-bomb test

January 6, 2016 -- *SpaceDaily.com* reports: "North Korea said Wednesday it had carried out a 'successful' hydrogen bomb test, a claim that — if true

— massively raises the stakes over the hermit state's banned nuclear program.

International condemnation was swift with neighbors South Korea and Japan decrying a gross violation of UN Security Council resolutions, while the White House said it was still studying the precise nature of the apparent test and vowed to 'respond appropriately'.

'The republic's first hydrogen bomb test has been successfully performed at 10:00 am (0330 GMT),' North Korean state television announced.

'With the perfect success of our historic H-bomb, we have joined the rank of advanced nuclear states,' it said, adding that the test was of a miniaturized device.

San Bernardino: female attacker pledged allegiance to Islamic State, Al Qaeda links emerge

December 4, 2015 -- *Breitbart.com* reports: "Syed Farook and Tashfeen Malik, who killed 14 people and injured dozens more on Wednesday, have

connections to radical Islamic groups, officials say.

New details related to the Islamic terrorist attacks in San Bernardino, California have emerged, revealing the possibility that the shooters were in contact with members of Al Qaeda and the Islamic State.

Investigators believe that the female attacker pledged allegiance to the Islamic State as the rampage was ongoing.

During the jihadi attack, Tashfeen Malik posted on Facebook that she was pledging allegiance to Islamic State ‘caliph’ Abu Bakr Al Baghdadi, officials told *CNN*. The investigators said she used an account under a different name.

Law enforcement sources told multiple news outlets that the bombs created by the two jihadis resembled models for which instructions were provided in Al Qaeda’s *Inspire* magazine, which was thought to be the creation of deceased Al Qaeda leader Anwar Al-Awlaki. FBI Director goes where Obama doesn’t: yes, it is ‘radical Islamic’ terror

December 11, 2015 -- *Breitbart.com* reports: “FBI Director James Comey declared that ‘radical Islamic terrorism’ is an ‘umbrella term’ that accurately describes acts by ‘savages... [and] maniacs’ in groups such as the Islamic State.

That is significant because President Barack Obama and other Democrats

have refused to use the term ‘radical Islam’ when describing terrorist attacks carried out by Muslims. Those jihad attacks include the Dec. 2 massacre in San Bernardino, California which killed 14 Americans.

During a national security discussion at the Newseum Wednesday night, Comey was asked by the moderator whether using ‘radical Islamists’ to identify ISIS jihadists is productive and ‘whether people’s religious identity features in the assessment of the [terrorism] threat or if it’s more divisive to our society than valuable.’

‘My job is kind of crazy and so I’m so busy I don’t spend a lot of time following some of those discussions, but ISIL’s message is one about leaning to a particular faith, which is Islam,’ responded the FBI director.

‘And so it is a message that is aimed at and resonates with those who are either raised Muslim or converted to be Muslim, and so the term ‘radical Islamic terrorism’ is accurate in the sense as an umbrella term.’...” **(The FBI Director is right, Islamic terrorists, not just ISIS, but nine Islamic groups, all killers, is anything but a religion of peace. NO-GO ZONES

UK Cop: ‘There are areas we have to ask Muslim leaders’ permission to patrol’

December 10, 2015 -- *Breitbart.com* reports: “A British policeman has hit back at the UK political establishment’s trashing of U.S. Presidential candidate Donald Trump’s comments about policing in the United Kingdom, stating that there are some areas in the country where cops have to ask permission from

local Muslim leaders in order to patrol.

Earlier this week, Mr. Trump claimed there are areas of the UK ‘so radicalized the police are afraid for their lives’ – a statement initially mocked by the British Prime Minister, the Mayor of London, and even the supposedly apolitical Metropolitan Police of London.

But *Breitbart London* soon confirmed with London police that the comments were more or less accurate, with one long-serving policeman saying: ‘When I

was a teenage lad in Burnley there were no go white areas. This IS the case still nationally... including London where you have to have extra vigilance in certain parts when you are working’.

Now the *Daily Mail* has reported that a Lancashire Police officer has said: ‘There are Muslim areas of Preston that, if we wish to patrol, we have to contact local Muslim community leaders to get their permission’.

Another officer from Yorkshire in the North of England, wrote on an online Police web forum: 'I'm not allowed to travel in half blues [uniform] to work anymore IN MY OWN CAR as we're 'All at risk of attack' – yet as soon as someone points out the obvious it's 'divisive.'...' **(The next three reports could be the beginning of Islamic control. December 31, 2015 -- Breitbart.com reports: "The development of so-called 'problem neighborhoods' or

December 26, 2015 -- Breitbart.com reports: "Media outlets routinely mangle the true meaning of 'Allahu akbar,' the ubiquitous battle cry of Islamic jihadists as they commit mass murder.

The war-cry is mistranslated in the Western media as ‘God is great.’ But the actual meaning is ‘Allah is greater,’ meaning Allah Is Greater Than Your God or Government.

It is the aggressive declaration that Allah and Islam are dominant over every other form of government, religion, law or ethic, which is why Islamic jihadists in the midst of killing infidels so often shout it.

**Apologists for Islam:
“ISIS kills mostly
Muslims” – So what?**

December 24, 2015 -- *Israel National News* reports: “The argument that Islamic State is not Islamic because it mainly murders Muslims doesn’t hold water, says Middle East and Islam specialist Raymond Ibrahim.

Raymond Ibrahim, writing for *FrontPage Magazine* on Friday, explains that U.S. President Barack Obama has prominently advanced this argument – most recently, just after the San

Bernardino attack by ISIS sympathizers that claimed 14 lives.

‘ISIL does not speak for Islam,’ Obama said then. ‘They are thugs and killers... Moreover, the vast majority of terrorist victims around the world are Muslim.’

Ibrahim, son of Egyptian Coptic Christian immigrants to the United States, says the identity of ISIS victims says nothing about ISIS motivations. This is because the Islamic State does not view its victims as Muslims.

‘Indeed, mainstream Sunni Islam – the world’s dominant strand of Islam which ISIS adheres to – views all non-Sunnis as false Muslims [or] heretics,’ Ibrahim states. Of course, Shiites view Sunnis the same way.

‘Overall, then,’ Ibrahim continues, ‘when Sunni jihadis slaughter Shias – or Sufis, Druze, and Baha’i, lesser groups affiliated with Islam to varying degrees – they do so under the same exact logic as when they slaughter Christian minorities, or European, American, and Israeli citizens: all are infidels...?’ **(This article needs no explanation, including our President’s compromise about the religion of peace.)**

December 14, 2015 -- *The Times of Israel* reports: ‘A new video by the Islamic State presents the jihadist group’s version of the apocalypse, with its fighters preparing to conquer Rome.

Tanks supposed to be advancing to the Italian capital are seen flying IS flags as they leave tracks in the desert.

Curiously, the end of times-obsessed terror organization’s clip shows the apocalypse not as it is described in the writings of Islam, but rather more in keeping with western, Christian fantasies.

December 11, 2015 -- Israel National News reports: "A preacher for the Iraqi Shi'ite militia of Hizbullah al-Nujaba was filmed inciting against Jews, Bedouins, Americans, and Sunni Muslims in a fiery speech to its forces fighting in Syria last week.

Sheikh Akram Al-Kabi, al-Nujaba's leader, riled up the audience at a Friday sermon at Khaled Ibn Al-Walid mosque south of Aleppo, *the Middle Eastern Research Media Institute (MEMRI)* reports.

'My brothers, heroes of the Shi'a, repeat after me three times: No to America,' Al-Kabi began. He then introduced similar chants: 'No to Israel,' and 'Death to the Nawasib (Sunnis)!'.

After the crowd repeated the chants, Al-Kabi spoke about 'victory' over the 'American-Zionist-Bedouin-Jahili-Nasibi' enemy – apparently referring to non-Muslim Arabs and Sunni Muslims – and praised Sharia law as an example of 'Islam's might, power, and greatness as well as its tolerance, justness and moral values...' (This Shi'ite blasphemer cursing Sunni Muslims pictures his hatred against other believers in Allah. When he prays five times daily his prayer should be of repentance. Jesus spoke

about this kind of religious hypocrite when He said: "Woe unto you, scribes and Pharisees, hypocrites! for ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves...Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" – Matthew 23:15; 33.)

Iran: Saudis face 'divine revenge' for executing al-Nimr

January 3, 2016 -- BBC News reports: "Saudi Arabia will face 'divine revenge' for its execution of a prominent Shia cleric, Iran's supreme leader Ayatollah Ali Khamenei has warned.

Ayatollah Khamenei described Sheikh Nimr al-Nimr as a 'martyr' who acted peacefully.

Protesters stormed the Saudi embassy in Tehran late on Saturday, setting fire to the building before being driven back by police.

Several hundred people gathered outside the building again on Sunday afternoon.

The authorities have changed the name of the street on which the Saudi embassy stands, naming it after the executed Sheikh Nimr, one of 47 people executed for terrorism offences on Saturday.

But Ayatollah Khamenei said the cleric had been executed for his opposition to Saudi Arabia's Sunni rulers.

'This oppressed scholar had neither invited people to armed movement, nor was involved in covert plots,' the ayatollah tweeted..." Saudi Arabia-Iran row: Bahrain cuts diplomatic ties with Tehran

January 4, 2016 -- BBC News reports: "Bahrain has announced it is severing diplomatic ties with Iran, following a similar move by Saudi Arabia.

Saudi Arabia on Sunday gave Iranian diplomats two days to leave after a row over the Saudi execution of a top Shia Muslim cleric and a subsequent attack on its embassy in Tehran.
