Islamist ‘Morality Police’ using violence, intimidation to enforce Shariah Law in Germany

July 9, 2017 -- *Breitbart.com* reports: “Islamist gangs are using violence and intimidation to enforce Shariah Law in parts of Germany, particularly against Chechen and Chechen-origin women in Berlin, according to reports.

Der Tagesspiegel reports that a threatening video of an armed man in a hood has been circulating in the Chechen community since March 2017 through the WhatsApp messaging service.

‘Here, in Europe, certain Chechen women and men who look like women do unspeakable things. You know it; I know it; everybody knows it,’ declares the pistol-waving fanatic.

‘[Chechen women] who flirt with men of other ethnic groups and marry them, Chechen women who have chosen the wrong path and those [creatures] who call themselves Chechen men – given half a chance, we will set all of them straight.’

‘Having sworn on the Quran, we go out onto the streets. This is our declaration of intent; do not say that you were not warned; do not say that you did not know?...’ **(I have shared this on worldwide TV numerous times, here are 10 reasons why Sharia is bad for all societies: 1. Islam commands**

offensive, aggressive and unjust jihad which is a holy war. 2. Islam orders apostates to be killed. 3. Islam orders death for Muslims and death for non-Muslim critics of Muhammad and the Quran, and even Sharia itself. 4. Islam orders unmarried fornicators to be whipped, put to death, and adulterers to be stoned. 5. Islam commands all homosexuals to be executed. 6. Islam commands that highway robbers should be crucified or mutilated. 7. Islam commands that a male and female thief must have a hand cut off. 8. Islam allows an injured plaintiff to exact legal revenge, physical eye for physical eye. 9. Islam allows husbands to beat their wives. 10. Islam commands that drinkers and gamblers be beaten. Sharia Law ultimately degrades societies and diminishes freedom.)

Uncle and cousins murder, bury body of young Bedouin woman

June 18, 2017 -- *Israel National News* reports: “Israeli police have solved the case of young Bedouin woman Hanan Albakhiri’s disappearance, a resident of Lakiya, who was last seen on May 3rd this year.

The police investigation revealed that three members of her family allegedly kidnapped her on the night of her disappearance, murdered her, burned her

body, and buried her near their home in Giv’ot Goral. An indictment will be filed against the family members today.

The police came into the picture when Albakhiri’s mother informed them of the absence of her 20-year-old daughter. The mother said that her daughter called at around 21:00 saying she was near the Lakiya Council building and on her way home. When she failed to return home, her mother tried unsuccessfully to contact her.

In her testimony, the mother added that her husband’s brother “took responsibility” for the family from the day on which she was widowed, and that he and two other brothers of her late husband were suspected of being responsible for Hanan’s disappearance...” **(According to the Honor Based Violence Awareness Network there are 5,000 honor killings internationally per year. 1,000 of them occur in India, 1,000 occur in Pakistan, It is estimated that between 23 – 27 honor killings occur annually in the United States. This is a result of Shariah law – all the women who bring “dishonor” upon their family by premarital sex, extramarital sex, or marrying an unapproved husband, or any other offense, such as becoming too “Westernized” are to be slaughtered. This is to be carried out by the father, brother, or uncle. See the next report.)**

13-year-old honor-killed on orders of local council

July 4, 2017 -- *Israel National News* reports: "A tribal council in Pakistan ordered the killing of a 13-year-old girl for violating the honor code of the village, reported *The Clarion Project*.

The girl, identified only as Naghma, ran away with two young men, a Pakistani official who was quoted by the news outlet Dawn said. Fearing for their safety, the men abandoned the young girl, who was later picked up by security forces.

Upon assurance from her family that they would not kill her, the police released Naghma on bail to her relatives.

Yet after the local jirga (council of leaders) ordered her killing, Naghma's family shot her dead and buried her body in a local graveyard.

A local journalist reported that the two young men who ran away with Naghma were being held by the same jirga. Although relatives were trying to free the men, the journalist said the jirga could very well order the killing of them as well.

Over 1,000 women are killed each year in Pakistan in honor killings carried out by their relatives.

Pakistan's National Assembly passed a law earlier this year empowering jirgas to preside over small civil matters to reduce the burden on the courts..."

Updated Ramadan rage 2017 final death count: 1,639 in about 30 countries

July 2, 2017 -- *Breitbart.com* reports: "The final fatality tally for jihadi attacks during the Muslim holy month of Ramadan

increased to 1,639, primarily fueled by victims who succumbed to their injuries, reveals an updated *Breitbart News* count of terror incidents during the period.

With a total of 3,343 casualties, including 1,704 injuries, Ramadan 2017 is one of the bloodiest holy months in recent history. The number of deaths this year marked a nearly four-fold increase from the estimated 421 people killed by Islamic extremists last year.

There were nearly 160 terror incidents in about 30 predominantly Muslim countries this year, including one jihadi attack in the United States..." **(According to Islamic practice, a sacrifice during Ramadan can be considered more valuable than that made at other times. After the May 22, 2017 cowardly attack at the Manchester Arena, ISIS stated on a Youtube video: "Muslim brothers in Europe who can't reach the Islamic State lands, attack them in their homes, their markets, their roads and their forums. Do not despise the work. Your targeting of the so-called innocents and civilians is beloved by us and the most effective, so go forth and may you get a great reward or martyrdom in Ramadan." Romans 3:15 – 18 describe these people: "Their feet are swift to shed blood: Destruction and misery are in their ways. And the way of peace have they not known: There is no fear of God before their eyes.")**

ISIS beheads civilians, brutalizes women in Philippines

June 30, 2017 -- *Israel National News* reports: "Islamists in the besieged city of Marawi in southern Philippines are forcing female hostages into sex slavery,

Manila's army was quoted as saying by the *Independent*. Male and female captives are also made to assist the militants in their fight against the Filipino military. 'Worst thing is there are cases of female hostages forced to marry the terrorist group. They are being forced to be a sex slave, forced to destroy the dignity of these women,' Joint Task Force Marawi spokesperson Lieutenant Colonel Jo-ar Herrera told reporters.

Herrera cited examples of hostages who either escaped or were rescued and said their accounts show that women suffered brutal sexual assaults at the hands of the Maute captors. The captives were also tasked with plundering abandoned houses in the conflict-ridden area to fuel the Maute insurgency.

'The hostages were tasked to loot houses, establishments for ammunition, firearms, cash, and gold,' added Herrera.

Captive civilians, including young children, are forced onto the battlefield to loot supplies, carry the wounded to local mosques for medical care, and serve as human shields.

Yesterday it was reported by the *Daily Caller* that the military discovered five decapitated bodies of Filipino civilians butchered by ISIS Muslims among a group of 17 other bodies, according to Lieutenant Colonel Emmanuel Garcia of the Western Mindanao Command..." **(Beheading is the method of execution during the Tribulation period: "And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years" – Revelation 20:4.)**

Muslims' strategy for conquest: Deception

June 29, 2017 -- *WND.com* reports: "Like it or not, Western Civilization is in an all-out war with Islam. It has been since the days of Muhammad.

But the two sides have different rules.

A new video produced by the American Truth Project exposes Islam's practice of taqiyya, which allows deceit to promote the goals of Islam.

Aynaz Anni Cyrus, national director of American Truth Project and a former

Muslim, explains two types of deceit endorsed by Islam: taqiyya, meaning 'deceive,' and tawriya, meaning 'white lies.'

'Lying is absolutely not only allowed under Shariah, it is also advised,' Cyrus said. 'There are many different types of

lies that are allowed, but there is only one type that is actually advised.’

That type is taqiyya. It has a long-standing tradition in Islam going all the way back to Muhammad...” (An elderly Jewish leader, Ka’b ibn Ashraf, mocked Muhammad, prompting the prophet to exclaim, “Who will kill this man who has hurt Allah and his messenger?” [Hadith 4:271]. A young Muslim named Ibn Maslama volunteered on condition that to get close enough to Ka’b to murder him, he needed to be allowed to lie to the Jew. Allah’s messenger agreed. Ibn Maslama traveled to Ka’b and began to complain about Muhammad until his disaffection from Islam became so convincing that Ka’b eventually dropped his guard and befriended him. After behaving as his friend for some time, Ibn Maslama eventually appeared with another Muslim pretending to have apostatized, slaughtered Ka’b’ and brought his head to Muhammad to the usual triumphant cries of “Allahu Akbar!” John 8:44 states: “*Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.*”)

French Archbishop on ‘the Great Replacement’: ‘Muslims calmly tell you France will be theirs one day’

July 12, 2017 -- *Breitbart.com* reports: “The Roman Catholic Archbishop of Strasbourg Luc Ravel has called attention to the demographic shift in France saying Muslims are having far more children than native French and slammed the widespread ‘promotion’ of abortion.

The Archbishop of Strasbourg went against the grain of Church leaders in France who have largely remained politically correct on the issue of demographic changes occurring in the country. He said the rising birth rate of Muslims in France was leading to what prolific French writer Renaud Camus has

termed ‘the Great Replacement’, French conservative magazine *Valeurs Actuelles* reports.

‘Muslim believers know very well that their birthrate is such that today, they call it ... the Great Replacement, they tell you in a very calm, very positive way that, ‘one day all this, it will be ours,’ he said.

The concept of the Great Replacement was coined in 2010 in a speech given by Camus and then later in his 2011 political book, *The Great Replacement*. Camus defined the Great Replacement as the transition of a society, often through mass migration, in a few generations in which the names of places remain the same but the people and their values totally change.

Camus called the current mass migration policies in Europe the biggest shift in peoples and their values since the barbarian invasions in the third century which led to the collapse of the Western Roman Empire...” (In April, 2017, the Pew Research Center stated: “In the next half century or so, Christianity’s long reign as the world’s largest religion may come to an end, according to a just-released report that builds on Pew Research Center’s original population growth projections for religious groups. Indeed, Muslims will grow more than twice as fast as the overall world population between 2015 and 2060 and, in the second half of this century, will likely surpass Christians as the world’s largest religious group. While the world’s population is projected to grow 32% in the coming decades, the number of Muslims is expected to increase by 70% – from 1.8 billion in 2015 to nearly 3 billion in 2060. In 2015, Muslims made up 24.1% of the global population. Forty-five years later, they are expected to make up more than three-in-ten of the world’s people (31.1%). The main reasons for Islam’s growth ultimately involve simple demographics. To begin with, Muslims have more children than members of the seven other major religious groups analyzed in the study.”)

Terrorist who murdered Lee Rigby radicalises dozens of prison inmates who vow jihad on release

June 25, 2017 -- *Breitbart.com* reports: “One of the terrorists who murdered Fusilier Lee Rigby is radicalizing other prison inmates who vow to become jihadists when they are released, prison sources have revealed.

Sources at Her Majesty’s Prison Frankland have told *The Mirror* that Michael Adebolajo, who along with fellow Islamist Michael Adebowale, murdered and attempted to behead Fusilier Lee Rigby near Woolwich Barracks in 2014, has already radicalised dozens of prisoners.

Non-Muslim prisoners are said to have converted under the influence of the terrorist and have sworn allegiance to Islamic State. His recruits have vowed to commit acts of terror when released, the paper reveals.

One prison official said: “Adebolajo spends most of his waking hours preaching his distorted form of Islam to anyone who will listen. He sees every inmate as a potential Islamic State soldier whether they are Muslims or not...” (How different is the commandment of our Lord Jesus Christ: “...*Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen*” – Matthew 28:18 – 20. How do we carry out the Great Commission: “*But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth*” – Acts 1:8.)

I could kill you with a consumer drone

June 28, 2017 -- *DefenseOne.com* reports: “As a former intelligence soldier who now sells drones for a living, I can tell you that this problem is bigger than almost anyone realizes.

Right now, I’m holding a drone that can fly thousands of feet in air in less than 30 seconds, getting it to an altitude where no one could see it. My drone could be up in the air, ready to strike a target before you even had time to blink.

A range extender I’ve added to the antenna allows me to control it up to seven miles away. Or I can click a button to activate a tracking device, ordering my drone to follow a vehicle or person, filming every movement in 4K high-definition video. If it ever loses its radio link to the controller, it can automatically return to its launch location. Except — this drone is not meant to come back. It is not meant to take nice photos of my vacation. It is meant to strike. A small mechanism allows it to carry and drop a 2.5-pound payload — potentially grenades, bombs, even poison.

Think that’s pretty high tech? Guess what — you can buy it at your local Apple store or Walmart...” (*This know also, that in the last days perilous [fearful] times shall come*” – II Timothy 3:1. ISIS has long encouraged its followers to take everyday items and turn them into killing machines. In the first issue of their magazine *Inspire*, there was an article entitled: “Make a bomb in the kitchen of your Mom”, in the Fall 2010 issue they spoke of “The Ultimate Mowing Machine” a heavy duty pickup truck with blades welded to the front to mow down as many people as they could. Since July

2016 there have been attacks using larger trucks in Nice, Berlin, two in London, and Stockholm. Will we soon see attacks using these common commercial drones?)

Flint Airport: Officer stabbed in stable condition, being investigated as ‘possible’ act of terrorism

June 21, 2017 -- *Fox News* reports: “The stabbing of a police officer at a Michigan airport on Wednesday is being investigated by the FBI as a possible terror attack, officials said.

Bishop International Airport in Flint, Michigan, was evacuated after Officer Jeff Neville was stabbed in the neck. He’s currently listed as being in stable condition, according to Michigan State Police.

Ken Brown tells *The Flint Journal* he was dropping off his daughter at the airport and saw the officer bleeding from his neck. He says he saw a man detained by police and a knife on the ground...” (**It’s not just the large airports that are targets for terrorism, Bishop International Airport has just two runways. Since the Nice attack in 2016 and the Manchester Arena bombing this year, ISIS has called for increased attacks in the US and Europe, with an emphasis on smaller towns and cities. The Bible strongly condemns the shedding of innocent blood: “Cursed be he that taketh reward to slay an innocent person...” - Deuteronomy 27:25; “These six things doth the Lord hate: yea, seven are an abomination unto him: A proud look, a lying tongue, and hands that shed innocent blood, An heart that deviseth wicked imaginations, feet that be swift in running to mischief,” – Proverbs 6:16 – 18. ‘Terrorist’ shot dead at Brussels Station after detonating explosives — Main device failed to ignite

June 21, 2017 -- *Breitbart.com* reports: “A ‘terrorist’ who attempted to set off an explosive device while shouting ‘Allahu Akhbar’ in Brussels Central Station was shot and killed by security services Tuesday night.

Security services were alerted to the presence of the terrorist by a small explosion and fire — but the would-be killer was taken down by officers before he was able to set off his main device. Belgian interior minister Jan Jambon later revealed police had been able to identify the assailant’s body and that there was a larger device that ‘did not happen’.

A federal prosecutor said the event was being ‘considered a terrorist attack’. Witnesses said the man shouted ‘Allahu Akhbar’ as he launched his failed attack...” (**Robert Spencer in a December 2015 article for *Breitbart.com* stated: “Media outlets routinely mangle the true meaning of “Allahu akbar,” the ubiquitous battle cry of Islamic jihadists as they commit mass murder. The war-cry is mistranslated in the Western media as “God is great.” But the actual meaning is “Allah is greater,” meaning *Allah Is Greater Than Your God or Government*. It is the aggressive declaration that Allah and Islam are dominant over every other form of government, religion, law or ethic, which is why Islamic jihadists in the midst of killing infidels so often shout it. One primary purpose of shouting is to “strike terror in the hearts of the enemies of Allah.”**)

CONTENDING FOR THE FAITH

As persecution continues, the families of Egypt’s martyred Christians endure as a ‘living Bible’

June 14, 2017 -- *ChristianToday.com* reports: “Two years have passed since 21 Egyptian Christians were beheaded by ISIS

on a beach in Libya. As persecution in Egypt continues, the families of those martyred in 2015 have continued in faith and hope.

The news comes from the Christian group Focus on the Family, whose Middle East team have been supporting the families of those murdered by ISIS since the February 2015

atrocities took place.

Even at the time, staff reported that: ‘We saw a living Bible in how these precious men and women responded to their pain, loss, and adversity.’

In a more recent update via email, the team wrote: ‘The great news about the families of the martyrs of Libya is that even

after more than two years they still live in the condolences of the Holy Spirit and they stick to their faith that their martyrs showed to the whole world; how the real Christian should live and die for the glory of Christ.

‘While we have been visiting the families regularly we met with some of the wives of the martyrs and asked them about their kids and how they live right now, a common answer was, ‘Our kids in their new nice private school have been so proud of their fathers among their friends and they have worked hard to match with studying the new curriculums to stay up to that new level of education.’

The legacy of those killed in Libya lives on; the team said, ‘Most of these families hang in their homes a banner with all the martyrs’ photos’, in which each martyr has a crown over their head...’ (*“Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life”* – Revelation 2:10.)

Son describes his Christian father being shot dead by Islamists after refusing to renounce his faith

June 22, 2017 -- *ChristianToday.com* reports: “The wife and son of a Coptic Christian who was among a group of 29 killed and 24 maimed while traveling to a monastery in southern Egypt have described the brutal killings by Islamist extremists and their aftermath.

The interview with *Reuters* follows the atrocity last month when Islamic State terrorists ambushed the group, which included Adel Habib.

Habib’s widow and son described life in their Christian village, Dayr Jarnous, where seven people were killed and where Habib’s family still lives.

Local residents told *Reuters* that the Egyptian government has done nothing to help the victims’ families or to ensure that similar attacks on Christians will not happen again.

Habib’s two sons, Mina, 10, and Marco, 14, were with their father when he was killed. Mina said it was a miracle that he and his older brother were spared.

Habib and his sons were in a pickup truck headed to the monastery of Saint Samuel the Confessor when Islamic State militants confronted them. Just a little further up the road, they could see the bloodied bodies of slain Christians who had gone ahead of them strewn across the desert street.

‘We saw dead people, just dumped on the ground,’ Mina recalled.

‘They asked my father for identification then told him to recite the Muslim profession of faith. He refused, said he was Christian. They shot him and everyone else with us in the car,’ he said...’ (*“Now faith is the substance of things hoped for, the evidence of things not seen”* – Hebrews 11:1. Hebrews 11 is called the “Hall of Fame of Faith” and it lists many Old Testament saints and the victories they had through faith. But not all had victories in their lives: *“...others were tortured, not accepting deliverance; that they might obtain a better resurrection; And others had trial of cruel mockings and scourgings, yea, moreover of bonds and imprisonment: They were stoned, they were sawn asunder, were tempted, were slain with the sword: they wandered about in sheepskins and goatskins; being destitute, afflicted, tormented; (Of whom the world was not worthy:) they wandered in deserts, and in mountains, and in dens and caves of the earth. And these all, having obtained a good report through faith, received not the promise:”* – Hebrews 11:35b - 39. **Read Revelation 2:10 again: “...be faithful unto death; and I will give thee a crown of life.” See the next two reports.)**

Egypt’s Coptic Christians lament jihadist persecution, forgive killers, but ask: ‘Where is our government’?

June 23, 2017 -- *ChristianToday.com* reports: “Egypt’s Coptic Christians are lamenting following the latest jihadist attack on their community, and are questioning the lack of government action to protect them.

The Ascension Day (May 26) attack on a bus of Coptic Christians in Minya killed 29, and it’s now known that the U.S. embassy had four days prior already warned of a terrorist threat, according to World Watch Monitor.

‘How can it be that our security forces, after the warning from the US embassy, did nothing to intervene?’ said Father Bernaba Fawzy, priest of St George’s Church in the village of Nazlet Hanna. Seven of Fawzy’s church members were killed in the attack, and eight were injured.

He added: ‘This is very shameful. There must be protection for every human being in the land of Egypt, not just the Copts.’

The past six months have seen four major terror attacks against Coptic Christians in Egypt: a December bombing of a church in Cairo, two Palm Sunday bombings of Coptic churches in Tanta and Alexandria, and then the Minya shooting last month. Around 100 have been killed in the attacks...’

Protesters surround Qatar Embassy: ‘Stop killing Christians!’ ‘Stop terror!’

June 29, 2017 -- *Breitbart.com* reports: “Demonstrators organized by the National Black Church Initiative (NBCI) gathered outside the embassy of Qatar Wednesday chanting ‘stop killing Christians’ and ‘stop terror.’

Breitbart London Editor-in-Chief Raheem Kassam spoke during the protest, condemning Qatar as the ‘Club Med for terrorists.’

The Qatari government has provided sanctuary to various members of jihadist organizations, namely the Taliban, al-Qaeda, Hamas, and the Muslim Brotherhood, allowing some of them to establish official offices on its territory.

Various Muslim countries and the United States have also affiliated Qatar with Shiite state sponsor of terrorism Iran.

According to the CIA World Factbook, nearly 14 percent of the Qatari population is Christian about 68 percent Muslim, almost 3 percent Buddhist, and the rest Jewish, other, or unaffiliated...’

July 4 in North Korea: State media says 'Yankees' cowardly bluff' will lead to U.S.'s 'Final Doom'

July 5, 2017 -- *Breitbart.com* reports: "North Korea's state newspaper, the *Rodong Sinmun*, published a menacing editorial on July 4 threatening 'final doom' for the 'U.S. imperialists' should they not cease to sanction and condemn Pyongyang's rogue regime.

The publication of the piece followed the announcement of yet another missile launch. North Korea now claims to have a functional intercontinental ballistic missile (ICBM).

Noting that the United States had recently expanded its sanctions on the North Korean regime and continued military exercises in the region following multiple violations of international legal norms and the death of former North Korean hostage Otto Warmbier, *Rodong Sinmun* condemned the alleged 'imperialist' tendencies of the United States.

"These madcap military provocations are nothing but an extremely dangerous action to drive the situation in the peninsula to the verge of nuclear war and a blatant challenge to all Koreans and the world people desirous of peace and stability," the *Rodong Sinmun* article read. "Such cowardly bluff of the Yankees as making a military mockery of only weak nation [sic] without nuke may work on other countries but never on the DPRK."

"If the U.S. imperialists opt for the reckless military provocations, they will meet their final doom to be entailed by their foolish judgment and strategic mistakes," the article concluded... (The bloody dictator of North Korea doesn't have to worry about the USA., it's the Almighty God who deals with these demonically controlled ungodly sinners -- "For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the Lord of hosts..." -- Malachi 4:1.)

North Korea says its ICBM can carry nuclear warhead; U.S. calls for global action

July 5, 2017 -- *Breitbart.com* reports: "North Korea said on Wednesday its newly developed intercontinental ballistic missile (ICBM) can carry a large nuclear warhead, triggering a call by Washington for global action to hold it accountable for pursuing nuclear weapons.

A spokeswoman for the U.S. Defense Department said it had concluded that North Korea test-launched an ICBM on Tuesday, which some experts now believe had the range to reach the U.S. state of Alaska as well as parts of the mainland United States.

U.S. Secretary of State Rex Tillerson said the test, on the eve of the U.S. Independence Day holiday, represented 'a new escalation of the threat' to the United States and its allies, and vowed to take stronger measures.

North Korean leader Kim Jong Un said the test completed his country's strategic weapons capability that includes atomic and hydrogen bombs and ICBMs, the state *KCNA* news agency said.

Pyongyang would not negotiate with the United States to give up those weapons until Washington abandons its hostile policy against the North, *KCNA* quoted Kim as saying... (A huge nuclear war is prophesied multiplied times in God's Word. Revelation 9:14 – 18 depicts Armageddon: "Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates. And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them. And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone. By these

three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths." And Revelation 16:16 tells of the longest and final battle of the ages. See the next two reports.)

San Diego 'likely' in range of North Korea ICBM in 2 years: U.S. monitor

July 13, 2017 -- *SpaceDaily.com* reports: "North Korea's intercontinental ballistic missile is 'likely' to be able to deliver a 500 kilogram warhead to San Diego within two years, a U.S. monitoring group said Tuesday, after its launch sparked global alarm last week.

The isolated, nuclear-armed state's first successful ICBM test was described by leader Kim Jong-Un as a gift to America...

The Hwasong-14 missile is currently estimated to have a range of 7,000-8,000 kilometres — enough to reach Alaska or Hawaii — aerospace engineer John Schilling wrote on the respected *38 North* website, a monitoring project linked to Johns Hopkins university.

"If the Hwasong-14 is put together the way we think it is, it can probably do a bit better than that when all the bugs are worked out," he wrote, projecting a range of 9,700 kilometres with a 500 kg warhead on board.

"The North Koreans won't be able to achieve this performance tomorrow, but they likely will eventually," he added.

At present it would be 'lucky to hit even a city-sized target,' he said, citing limits to its re-entry technology..."

'North Korea's missile is not one we've seen before'

July 6, 2017 -- *Israel National News* reports: "The type of missile tested by North Korea on Tuesday was 'not one we've seen before,' Pentagon officials said.

According to *CNN*, the missile's first stage is believed to be a KN-17 fuel device, which is a known weapons and has been used previously by North Korea. This is

the stage which U.S. satellites saw being prepared.

However, at some point North Korea added a second stage.

The ICBM was fired from a mobile launcher, and had a re-entry vehicle atop it, *Reuters* quoted Pentagon Spokesman Navy Captain Jeff Davis as saying.

Davis also said the missile, which

flew for 39 minutes, was an ICBM with a range of over 3,500 miles (5631.5 km).

Such a range would allow the missile to threaten Hawaii or Alaska.

However, he said there is still no evidence that North Korea has found a way to mount a nuclear warhead to its missile, or that the missile was in fact capable of achieving full re-entry. Despite this, it

could ‘absolutely’ pose a threat to both air and sea traffic as well as satellites...”

China, North Korea’s largest trading partner and its sole major ally, is under increasing pressure from U.S. President Donald Trump, who has said Chinese efforts to rein in North Korea’s weapons programs have failed...”

NEWS FROM ISRAEL

Iranian poster on Israel border: ‘We are coming’

June 30, 2017 -- *WND.com* reports: “According to a prominent Muslim cleric and ‘Leader of the Islamic Revolution,’ every single Muslim in the world must wage jihad against the state of Israel, not just those in the Middle East.

Ayatollah Sayyid Ali Khamenei, who posts comments on an English language website, spoke recently at a gathering of ‘officials, people from all walks of life and the ambassadors of Muslim countries.’

In his speech, he said, ‘According to Islamic jurisprudence, once faced with the domination of the enemy over Islamic territory, all Muslims are duty-bound to campaign and carry out jihad in whatever possible form and, therefore, fighting against the Zionist regime is incumbent upon and mandatory for the entire Islamic world.’

Khamenei declared that the Palestinian issue was ‘the foremost problem of the Muslim world,’ and he called for unity among Sunnis and Shiites to achieve this common goal.

‘Division and dispute are harmful to Islam and the Muslim Ummah and conversely, Muslim countries pulling closer to each other and refraining from pitting [their military] forces against each other conforms to divine wisdom and benefits all Islamic countries,’ he said...” **(Iran’s goal is found in Psalm 83:4: “Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance.” As I have emphatically stated before – it won’t happen. God has promised:**

“...I will give them [Israel] an everlasting name, that shall not be cut off” – Isaiah 56:5.)

Iranians confirm goal is to ‘rule worldwide’

July 5, 2017 -- *WND.com* reports: “Remember all those ‘Islamophobes’ who are constantly fretting that Islam wants to take over the world?

That, in fact, is the religion’s ultimate objective, according to top commanders of the Islamic Revolutionary Guard Corps in Iran, says a report in *Joseph Farah’s G2 Bulletin*.

According to the *Middle East Media Research Institute*, the commanders believe the Islamic revolution in Iran is only the first stage on a path to spreading the rule of Shiite Islam in the Middle East and worldwide.

The ‘mission of advancing the Islamic Revolution to these heights falls to the IRGC commanders,’ *MEMRI* said.

‘The commanders reiterated the argument that the U.S., the leader of the ‘world of arrogance,’ opposes Islam, and thus also Iran, which is, they say, the standard-bearer of the Revolution and its global vision,’ *MEMRI* reported...” **(This is nothing new, the Grand Ayatollah Khomeini stated in 1981: “I say let Iran go up in smoke, provided Islam emerges triumphant in the rest of the world.”)**

‘Israel will be around long after Iranian regime is gone’

June 26, 2017 -- *Israel National News* reports: “Prime Minister Binyamin Netanyahu spoke at the Birthright Israel’s Mega Event in Rishon Letzion Sunday evening, at a gathering marking the 600,000th Birthright participant brought to Israel.

Along with Netanyahu, the event was attended by American Jewish philanthropists Sheldon Adelson and his wife Miriam, former minister Yossi Beilin, Meir Shamir, Birthright Israel board chairman Michael Steinhardt, sitting Knesset members, and donors from around the world.

‘By coming here you join the Israeli soldiers in helping secure Israel’s future. I want you to take everything that you see and share it with others, tell others about the miracle of Israel, this rare and thriving democracy in the Middle East’, said the Prime Minister.

‘It’s a strong country ready to defend itself from threats and also reach out in peace for those wishing for it. When they attack us, stand proud and say who you are for: is it the free people of Israel or those severing off heads? If you stand for the free, stand for Israel, for the truth. Tell everyone to come see it for themselves- we will be waiting for you; this is your Birthright.’...” **(Amen, Prime Minister Netanyahu. God has promised the land to Israel for all eternity. In Genesis 15:18 God states: “In the same day the Lord made a covenant with Abram, saying, Unto thy seed have I given this land, from the**

river of Egypt unto the great river, the river Euphrates.” And Joshua 1:4, God tells Joshua: “From the wilderness and this Lebanon even unto the great river, the river Euphrates, all the land of the Hittites, and unto the great sea toward the going down of the sun, shall be your coast.” Currently Israel possesses just a fraction of the land that God has promised them. “I have one message to Iran: Do not threaten Israel”

June 20, 2017 -- Israel National News reports: “Israeli Prime Minister Binyamin Netanyahu on Monday warned Iran not to threaten Israel after Tehran launched ballistic missiles at a Syrian base of the Islamic State group.

Iran’s Revolutionary Guard said it had fired six missiles from western Iran into northeastern Syria on Sunday, targeting ‘terror bases.’

The Guard said the strike was ‘in retaliation’ for June 7 attacks in Tehran that killed 17 people in the first IS-claimed operations in the country.

Netanyahu has repeatedly said Iran is a threat to the Jewish state, the Middle East and potentially the world.

‘We follow their actions and we follow their words,’ he said Monday. ‘I have one message to Iran: Do not threaten Israel.’

‘The army and our security forces are constantly monitoring the activity of Iran in the region,’ Netanyahu told senior members of his Likud party on Monday.

‘This activity also includes their attempts to establish themselves in Syria and, of course, to transfer advanced weapons to Hezbollah and other operations,’ a party statement quoted him as saying...

UNESCO: Cave of the Patriarchs belongs to Palestinian Authority

July 7, 2017 -- Israel National News reports: “UNESCO on Friday announced their decision to award Israel’s Cave of the Patriarchs (Me’arat Hamachpela) to convicted terrorist and Hevron Mayor Tiyassir Abu Sanina, as a representative of the Fatah’s Palestinian Authority.

Adam and Eve, as well as Avraham and Sarah, Yitzhak and Rivka, and Yaakov and Leah, are buried in the cave, which Avraham bought from Ephron the Hittite, long before Islam existed.

‘The hypocrisy knows no bounds,’ Public Security Minister Gilad Erdan (Likud) said. ‘The Palestinians campaign of incitement and lies via UNESCO.’

‘UNESCO’s obscenity has been exposed: While ISIS destroys historical sites in Aleppo, Palmyra, Mosul, and other areas, UNESCO chooses to concentrate on Hevron and the Cave of the Patriarchs, which was never, and were never, under any threat for as long as the State of Israel has existed.’

‘You cannot rewrite history, and you cannot erase it. Our father Avraham bought the Cave of the Patriarchs and paid for it in full. It is, and has always been, the burial place of our forefathers. Our response will be to strengthen and deepen our connection to the Jewish city of Hevron.’

Education Minister Naftali Bennett (Jewish Home) said, ‘The Jewish connection to Hevron has existed for thousands of years. Hevron was the cradle of King David’s dynasty, and the Cave of Machpela is the first Jewish acquisition in Israel, and the burial place of our nation’s fathers and mothers. It is one of our most ancient our ancient heritage sites.’...

(What utter lunacy on the part of the United Nations Educational, Scientific and Cultural Organization [UNESCO]. In Genesis 23 Sarah died and Abraham sought out a burial place for her: “And Abraham stood

up, and bowed himself to the people of the land, even to the children of Heth. And he communed with them, saying, If it be your mind that I should bury my dead out of my sight; hear me, and intreat for me to Ephron the son of Zohar, That he may give me the cave of Machpelah, which he hath, which is in the end of his field; for as much money as it is worth he shall give it me for a possession of a burying place amongst you. And Ephron dwelt among the children of Heth: and Ephron the Hittite answered Abraham in the audience of the children of Heth, even of all that went in at the gate of his city, saying, Nay, my lord, hear me: the field give I thee, and the cave that is therein, I give it thee; in the presence of the sons of my people give I it thee: bury thy dead. And Abraham bowed down himself before the people of the land. And he spake unto Ephron in the audience of the people of the land, saying, But if thou wilt give it, I pray thee, hear me: I will give thee money for the field; take it of me, and I will bury my dead there. And Ephron answered Abraham, saying unto him, My lord, hearken unto me: the land is worth four hundred shekels of silver; what is that betwixt me and thee? bury therefore thy dead. And Abraham hearkened unto Ephron; and Abraham weighed to Ephron the silver, which he had named in the audience of the sons of Heth, four hundred shekels of silver, current money with the merchant. And the field of Ephron which was in Machpelah, which was before Mamre, the field, and the cave which was therein, and all the trees that were in the field, that were in all the borders round about, were made sure” –Genesis 23:8–17. Abraham, Sarah, Isaac, Rebecca, Jacob and Leah are all buried in this cave. While it is not mentioned in the Bible, Rabbinical Literature teaches that Adam and Eve are buried there as well.)
