*“And when these things begin to come to pass, then look up,
and lift your heads, for your redemption draweth nigh” - Luke 21:28*

THE SANCTITY OF LIFE

Massachusetts Legislature Passes ‘Infanticide Act’ Removing Requirement of Preserving Abortion Survivor’s Life

November 24, 2020 -- *Breitbart.com* reports: “The Massachusetts legislature has passed an amendment to a budget bill that would allow abortions after the 24th week of pregnancy, eliminate parental consent, and remove the requirement that abortionists must attempt to preserve the life of a baby who survives abortion.

The state House passed Amendment 759 by a vote of 108-49, while the state Senate approved it by a vote of 33-7. The amendment, as part of the fiscal year 2021 budget bill, is now on the desk of Gov. Charlie Baker (R) who, as *Masslive.com* reported, was critical of Democrats pushing a late-term abortion proposal in a budget bill.

‘I do share some of the unhappiness that was raised by a number of members of the Republican Party that putting policy in the budget was something that both leaders in the House and Senate said they would not do,’ Baker said Friday afternoon, according to the report. ‘It’s pretty hard to argue this isn’t a major policy initiative that is not in the budget.’

As late as last year, Baker disapproved

of measures to expand late-term abortion...” (In 2018 Dr. Ben Carson pointed out how ancient civilizations have been criticized for the brutal practices of human sacrifice and child sacrifice — but he wonders if modern society isn’t ‘guilty of the same thing’ because we have legalized abortion.

‘Well, it’s interesting that we sit around and call other ancient civilizations heathen because of human sacrifice but aren’t we actually guilty of the same thing?’”

Well said Dr. Carson.

Child sacrifice was practiced by the Ammonites in the Bible. They sacrificed to Molech, whose image was made in bronze and their outstretched arms were heated red-hot. Living children were placed into the hands where they would die, or were rolled into a fire pit below. In Leviticus 20:2-5 God told Moses: *Again, thou shalt say to the children of Israel, Whosoever he be of the children of Israel, or of the strangers that sojourn in Israel, that giveth any of his seed unto Molech; he shall surely be put to death: the people of the land shall stone him with stones. And I will set my face against that man, and will cut him off from among his people; because he hath given of his seed unto Molech, to defile my sanctuary, and to profane my holy name. And if*

*the people of the land do any ways hide their eyes from the man, when he giveth of his seed unto Molech, and kill him not: Then I will set my face against that man, and against his family, and will cut him off, and all that go a whoring after him, to commit whoredom with Molech, from among their people. Sadly, King Solomon followed Ashtoreth and Molek [I Kings 11:4-11], and Kings Manassah, and Ahaz offered their children as sacrifices. The people of Judah also did this: *And they built the high places of Baal, which are in the valley of the son of Hinnom, to cause their sons and their daughters to pass through the fire unto Molech; which I commanded them not, neither came it into my mind, that they should do this abomination, to cause Judah to sin. And now therefore thus saith the Lord, the God of Israel, concerning this city, whereof ye say, It shall be delivered into the hand of the king of Babylon by the sword, and by the famine, and by the pestilence; – Jeremiah 32:35, 36 –* which was one of the reasons for the Babylonian captivity.*

Abortionists break God’s sixth commandment ‘*Thou shalt not kill*’ – Exodus 20:13. Those who take lives are regarded as murderers and miss an eternal existence with God the Father, God the Son, and God the Holy Spirit.

If repentance occurs, and the sins of abortion are confessed and repented of, one is pardoned and sins are forgiven and forgotten – I John 1:9; Hebrews 8:12.)

Sunday Times: Aborting Babies with Down Syndrome 'Equates to Eugenics'

November 24, 2020 -- *Breitbart.com* reports: "The selective aborting of babies with Down syndrome 'equates to eugenics, which is the elimination of human beings not considered fit or healthy enough to have a normal life,' declares an op-ed in the November 22 *Sunday Times*.

'In Britain, a baby diagnosed with the condition is 90% likely to be aborted,' writes David Quinn, director of the Iona Institute and a *Sunday Times* columnist. 'In Denmark and some other countries, we find an almost identical situation.'

While some people defend Down syndrome abortion on the grounds it keeps children with the condition from coming into the world, the practice reinforces a eugenic mindset that sees people with disabilities as somehow inferior, Mr. Quinn argues.

Eugenics 'was once considered a perfectly respectable point of view,' Quinn notes, but it is no longer so today. As *Breitbart News* reported, one of the world's largest abortion providers — Marie Stopes International — opted to change its name last week to distance the organization from its racist, eugenicist founder. Abortion giant Planned Parenthood made a similar move last summer, quietly stepping away from founder Margaret Sanger, who sought to purify society from inferior races through abortion and contraception...'' (We have shared this before, but in light of this and the following report, we feel the need to repeat it.

In March of 2016, there was a program aired in the Netherlands entitled "*The Last Downer*" which was produced by a Christian group who wanted to promote debate about the value of people with Down Syndrome. In this program there was a clip that showed a spokesman from The Dutch

National Institute for Public Health and the Environment telling a man with Down Syndrome that it takes the nation approximately 48,000 Euros per year to care for a person with Down Syndrome compared to 5,000 Euros for a "normal person." The web page of *Life Site News* <https://www.lifesitenews.com/news/watch-dutch-research-institute-chillingly-tells-man-with-down-syndrome-how> stated: "Putting a price tag on people with genetic abnormalities so that they feel like burdens that society is better without is not new. Civilized people around the world were confounded as to how the average German could have tolerated or ignored the Nazi Holocaust decades ago. But the "Ultimate Solution" started with the idea that there is such a thing as a human "life not worthy to be lived." This program prompted a tweet by Princeton professor Robert P. George – "People! People!!! Do you not see where this goes??? Do the Dutch, who suffered under—and in many cases heroically resisted—Hitler's domination, forget that the "final solution" began with the dehumanization and eugenic killing of the handicapped?" In January 2017, the Dutch Health Minister stated: "Society should accept screening out of children with Down's syndrome." In August 2017, *CBSN: On Assignment* aired a program that stated: "With the rise of prenatal screening tests across Europe and the United States, the number of babies born with Down syndrome has significantly decreased, but few countries have come as close to eradicating Down syndrome births as Iceland." How are they eradicating it? "Since prenatal screening tests were introduced in Iceland in the early 2000s, the vast majority of women — close to 100 percent — who received a positive test for Down syndrome terminated their pregnancy." This prompted a tweet from actress Patricia Heaton: "Iceland isn't actually eliminating Down Syndrome. They're just killing everybody that has it. Big difference."

Twelve to fourteen million Jews, Soviets, Poles, Yugoslavians, gypsies,

and men, women and children with mental and physical handicaps were killed in Hitler's holocaust. According to the Guttmacher Institute: "During 2010–2014, an estimated 56 million induced abortions occurred each year worldwide. This number represents an increase from 50 million annually during 1990–1994, mainly because of population growth." Keeping it at that estimate, there have been over 392 million induced abortions worldwide since 2010. The population of the United States in 2017 was 325.7 million. What does the Bible say about the unborn? Samson told Delilah ...*I have been a Nazarite unto God from my mother's womb... – Judges 16:17.* David stated: *For thou hast possessed my reins: thou hast covered me in my mother's womb. I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well. My substance was not hid from thee, when I was made in secret, and curiously wrought in the lowest parts of the earth. Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them – Psalm 139:13-17.* God told Jeremiah *Before I formed thee in the belly, I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations – Jeremiah 1:5.* Luke 1:41 – 45 states: *And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost: And she spake out with a loud voice, and said, Blessed art thou among women, and blessed is the fruit of thy womb. And whence is this to me, that the mother of my Lord should come to me? For, lo, as soon as the voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy. And blessed is she that believed: for there shall be a performance of those things which were told her from the Lord.*

Does this mean that abortion is the unpardonable sin? No. II Corinthians

5:21 states: *For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.* Romans 3:22-26 states: *Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe: for there is no difference: For all have sinned, and come short of the glory of God; Being justified freely by his grace through the redemption that is in Christ Jesus: Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God; To declare, I say, at this time his righteousness: that he might be just, and the justifier of him which believeth in Jesus.* And we have the wonderful promise of I John 1:9: *If we confess our sins, he is faithful and just to forgive*

our sins, and to cleanse us from all unrighteousness. See the next report.)

Report: China Using Eugenic Abortions to 'Improve the Quality of the Population'

November 17, 2020 -- *Breitbart.com* reports: "The Chinese Communist Party (CCP) has underscored the eugenic aims of its population policy in its latest five-year plan, highlighting the need to cull out undesirable elements and encourage breeding of superior subjects.

While China's population has long suffered from sex-selective abortions, with countless families aborting baby girls in the hope of having a boy under the draconian one-child policy (later modified to a two-child policy), the new thrust of the CCP's population plan is to reduce racially inferior citizens and promote the

more preferable ethnic element.

As *Catholic News Agency (CNA)* reported this weekend, the CCP has been carrying out a 'systematic campaign' of forced abortions, sterilizations, and implantations of IUDs on Uyghurs and other minorities in Xinjiang to diminish their numbers.

At the same time, they have sought to incentivize the increase in numbers of the Han Chinese, the dominant ethnic group in China, according to Columbia professor Leta Hong Fincher.

By promoting births among Han Chinese while forcibly limiting births among Uyghurs and other ethnic groups considered unsuitable, the CCP hopes to 'upgrade population quality' by purifying it of objectionable components, Professor Hong Fincher said..."

CONTENDING FOR THE FAITH

U.S. 'moving toward elimination of biblical worldview as cornerstone of society'

November 17, 2020 -- *WND.com* reports: "Dr. George Barna and the Cultural Research Center at Arizona Christian University are urging churches to step up to the plate and work to 'rebuild the biblical worldview' in America as the country is in the midst of a battle that transcends politics but is rather rooted in the spiritual realm.

'Most Americans are oblivious to this, the real civil war ravaging America,' Barna said in a statement. 'Our nation is steadily moving toward the elimination of the biblical worldview as the cornerstone of our society...' (President Ronald Reagan spoke at the Dallas Ecumenical Prayer Breakfast on August 23, 1984 and stated: "...Without God, there is no virtue, because there's no prompting of the conscience. Without God, we're mired in the material, that flat world that tells us only what the senses perceive. Without God, there is a coarsening of the society. And without God, democracy will not and cannot long endure. If we ever forget that we're

one nation under God, then we will be a nation gone under..." Amos 8:11, 12 states: *Behold, the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord: And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the Lord, and shall not find it.)*

Teaching Bible's view of sexual ethics could be 'hateful' under new law

November 16, 2020 -- *ChristianToday.com* reports: "The Bible could be considered 'inflammatory' and seized by police if proposed new hate crime laws get the go ahead in Scotland, The Christian Institute has warned.

In a submission to Holyrood's Justice Committee on the Scottish hate crime Bill, the organisation said that the legislation risked having a 'chilling effect on free speech' that would be detrimental to traditional Christian perspectives of sexuality.

The Christian Institute is one of many critics of the Hate Crime and Public Order (Scotland) Bill that proposes criminalising

words or behaviour perceived as 'abusive' towards certain groups.

The Catholic Church, lawyers, police, the *BBC*, comedians and secularists have also raised concerns about the impact of the legislation on free speech. The Christian Institute's Ciarán Kelly told the *Daily Express* that the legislation as it currently stands lacks sufficient protections for free speech.

He raised particular concerns over wording in the Bill that would allow police to enter premises and take 'forfeited material' which would then be 'disposed of in such manner as the court may direct'.

He fears that Christian books and 'even the Bible itself' could fall under such material..." (*This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power*

thereof: from such turn away. For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, Ever learning, and never able to come to the knowledge of the truth. Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith. But they shall proceed no further: for their folly shall be manifest unto all men, as their's also was... But evil men and seducers shall wax worse and worse, deceiving, and being deceived. But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus. All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works – II Timothy 3:1-9; 13-17 [emphasis mine].)

Chinese Communists Raid Christian Church, Arrest Preacher and 6 Faithful

November 18, 2020 -- *Breitbart.com* reports: “A team of security agents raided

Xuncheng Church in China’s Shanxi province on Sunday, interrupting the worship service and arresting the preacher as well as six members of the congregation, International Christian Concern (ICC) reported Tuesday.

The Xuncheng Church was founded as an offshoot of Early Rain Covenant Church (ERCC) in Chengdu, a 5,000-member church shut down by Communist authorities in December 2018 whose pastor, Wang Yi, was sentenced to nine years in prison for ‘inciting subversion.’

The preacher of Xuncheng Church, Rev. An Yankui, graduated from the seminary founded by ERCC and follows the reformed theology of Pastor Wang Yi.

Last April, Chinese police raided the homes of members of the Early Rain Covenant Church who were Zooming a worship service on Easter Sunday, arresting six church leaders. The worship service included a taped sermon by Pastor Wang Yi, which apparently sparked the crackdown.

The following month, the Chinese Communist Party (CCP) ordered the ERCC to cease all online worship services. Since the shuttering of their church, ERCC members had to resort to online streamed worship services, but now the government wants to stop those

as well, the *Christian Post* reported at the time...” *(If the world hate you, ye know that it hated me before it hated you. If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you. Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also. But all these things will they do unto you for my name’s sake, because they know not him that sent me. If I had not come and spoken unto them, they had not had sin: but now they have no cloak for their sin. He that hateth me hateth my Father also. If I had not done among them the works which none other man did, they had not had sin: but now have they both seen and hated both me and my Father. But this cometh to pass, that the word might be fulfilled that is written in their law, They hated me without a cause. But when the Comforter is come, whom I will send unto you from the Father, even the Spirit of truth, which proceedeth from the Father, he shall testify of me: And ye also shall bear witness, because ye have been with me from the beginning” – John 15:18-27.)*

THE RELIGION OF PEACE?

“We will behead you all” – France is the new Syria

November 16, 2020 -- *Israel National News* reports: “While French President Emmanuel Macron is working on the law against ‘Islamist separatism,’ Islamists are threatening to separate many heads from the bodies of numerous mayors and professors.

Writings threatening to behead Jérémie Bréaud, the Macronian mayor of Bron (Rhône), have appeared in various places in Lyon, leading Interior Minister Gérald Darmanin to place the first citizen under protection. ‘Jérémie Bréaud, we will behead you, son of Satan’. And again: ‘We will behead

teachers and students.’ ‘I am not afraid and I will not give up,’ responded Bréaud.

Threats identical to these were aimed at the mayor of the eighth arrondissement of Lyon, Olivier Berzane, on the walls of a school. The Association of Mayors talks about hundreds of threats that have arrived in recent days. According to *France Info*, two hundred investigations into death threats have been opened in relation to the beheading of Professor Samuel Paty in Conflans-Sainte-Honorine.

‘There are many threats that target public figures and teachers,’ says a judicial source to *Le Parisien*. In

Essonne, a mayor was threatened with death after he paid tribute to Paty. This is Stéphane Raffalli, the first socialist citizen of Ris-Orangis. ‘O hateful Frenchman, you insult the Prophet Mohammed, we will tear your neck off?...’ **(Robert Spencer in a December 2015 article for *Breitbart.com* stated: “Media outlets routinely mangle the true meaning of “Allahu akbar,” the ubiquitous battle cry of Islamic jihadists as they commit mass murder. The war-cry is mistranslated in the Western media as “God is great.” But the actual meaning is “Allah is greater,” meaning *Allah Is Greater Than Your God or Government*. It is**

the aggressive declaration that Allah and Islam are dominant over every other form of government, religion, law or ethic, which is why Islamic jihadists in the midst of killing infidels so often shout it. One primary purpose of shouting is to “strike terror in the hearts of the enemies of Allah.”

Killing is rewarded in Islam. Not only do they receive 72 virgins as righteous and martyred godly men, but what even more shocking is they get to choose 70 relatives and friends to go to heaven. Their plan of winning the lost is a sick one and against God’s plan which is: For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life – John 3:16. See the next two reports.)

‘Death to France’: Tens of thousands of Muslims protest against Macron

November 2, 2020 -- *The Times of Israel* reports: “Tens of thousands of Muslims, from Pakistan to Lebanon to Jerusalem, poured out of prayer services to join anti-France protests on Friday, as the French president’s vow to protect the right to caricature the Prophet Muhammad continues to roil the Muslim world.

Hardline Islamic groups across the region have seized on the French government’s staunch secularist stance as an affront to Islam, rallying their supporters and stirring up rage.

Demonstrations in Pakistan’s capital Islamabad turned violent as some 2,000 people who tried to march toward the French Embassy were pushed back by police firing tear gas and beating protesters with batons. Crowds of Islamist activists hanged an effigy of French President Emmanuel Macron from a highway overpass after pounding it furiously with their shoes. Several demonstrators were wounded in clashes with police as authorities pushed to evict activists from the area surrounding the embassy.

In Pakistan’s eastern city of Lahore, an estimated 10,000 followers of the

radical Islamic Tehreek-e-Labbaik party celebrating the Mawlid, the birthday of the Prophet Muhammad, took to the streets. They chanted anti-France slogans, raised banners and clogged major roads en route to a Sufi shrine...”

France struggles against spiral of online jihadist hate

November 2, 2020 -- *SpaceWar.com* reports: “As France reels from a string of jihadist attacks, the country is caught up in a perilous fight — protecting citizens against extremist propaganda whose potency seems to increase with each horrific killing.

Social media has galvanised outrage among many Muslims over the renewed publications of cartoons of Mohammed by the satirical weekly *Charlie Hebdo* — with tragic consequences that even the heightened scrutiny of intelligence services was unable to prevent.

The weekly put the cartoons on its front page in September to mark the trial opening for 14 suspected accomplices of the gunmen who massacred 12 people at its Paris office in January 2015, the beginning of a wave of terror that has left more than 250 people dead on French soil.

Later in September, a Pakistani man seeking revenge wounded two people with a meat cleaver in front of the office, unaware that the paper is now housed in a top-secret location. He was not on any of France’s security watch lists...”

Palestinians call for ‘day of rage’ to protest offensive cartoons

October 29, 2020 -- *The Jerusalem Post* reports: “The head of the Palestinian Islamic Supreme Council, Sheikh Ikrima Sabri, called for a ‘day of rage’ on Friday to protest ‘attempts to harm’ the prophet Mohammed.

The call came as Palestinians continued to protest against French President Emmanuel Macron for his recent remarks about Islam.

On October 2, before an audience in a town northwest of Paris, Macron said that ‘Islam is a religion which is experiencing

a crisis today, all over the world.’ Macron has also publicly defended cartoons of the prophet and pledged to tackle extreme Islamism in France.

At several protests in the West Bank, Palestinians burned French flags and trampled pictures of Macron, accusing him of spearheading a campaign against Islam and Muslims.

Sabri, who also serves as preacher of the Al-Aqsa Mosque in Jerusalem, said that Muslims ‘reject the offensive drawings of the prophet Mohammed and will express their rejection of these uncivilized transgressions.’

He added that the ‘offensive cartoons contradict freedom of speech and expression’ and are in fact intended to ridicule and insult the prophet...”

(What a difference between the false gods and prophets of Islam, and the True God of the Bible. In I Samuel 4, the Philistines and the Israelites were battling, and Israel decided to bring the Ark of the Covenant to the battle hoping it would save them. It didn’t work, the Philistines slaughtered the Israelites, 30,000 footmen fell, and the Philistines captured the Ark. In I Samuel 5: 1-7 we read: *And the Philistines took the ark of God, and brought it from Ebenezer unto Ashdod. When the Philistines took the ark of God, they brought it into the house of Dagon, and set it by Dagon. And when they of Ashdod arose early on the morrow, behold, Dagon was fallen upon his face to the earth before the ark of the Lord. And they took Dagon, and set him in his place again. And when they arose early on the morrow morning, behold, Dagon was fallen upon his face to the ground before the ark of the Lord; and the head of Dagon and both the palms of his hands were cut off upon the threshold; only the stump of Dagon was left to him. Therefore neither the priests of Dagon, nor any that come into Dagon’s house, tread on the threshold of Dagon in Ashdod unto this day. But the hand of the Lord was heavy upon them of Ashdod, and he destroyed them, and smote them with emerods [boils or tumors], even Ashdod and the coasts thereof. And when the men of Ashdod*

saw that it was so, they said, The ark of the God of Israel shall not abide with us: for his hand is sore upon us, and upon Dagon our god. Our God does not need us to call a day of rage upon our enemies. Recompense to no man evil for evil. Provide things honest in the sight of all men. If it be possible, as much as lieth in you, live peaceably with all men. Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord. Therefore if thine enemy hunger, feed him; if he thirst, give him drink: for in so doing thou shalt heap coals of fire on his head. Be not overcome of evil, but overcome evil with good. – Romans 12:17-21.)

Erdogan on Eve of Jihad Wave in France: ‘No Muslim Can Be a Terrorist’

October 30, 2020 -- *Breitbart.com* reports: “Turkish Islamist President Recep Tayyip Erdogan declared in an aggressive speech against Western values of free expression Wednesday that ‘no Muslim can be a terrorist’ because only ‘black-hearted’ people can commit that crime.

The next day, suspected jihadists launched a wave of at least five attacks and attempted attacks against French civilians and targets. Muslim leaders around the world have condemned France for weeks after President Emmanuel Macron honored Samuel Paty, a French schoolteacher beheaded by a jihadist after showing students cartoons of Muhammad.

Thursday is a Sunni Muslim holiday known as Mawlid, observing the birthday of Muhammad.

Erdogan addressed his speech to a

parliamentary group of his Islamist party, Justice and Development (AKP). He was, according to the state-run *Anadolu news agency*, discussing the worldwide debate triggered by Paty’s beheading and Macron’s campaign to crack down on violent Islamists and champion free speech in its aftermath. In addition to French state action against jihadists, French cities have projected large versions of blasphemous cartoons depicting Muhammad by the satirical magazine *Charlie Hebdo* on walls of buildings...” (In their eyes, this is true, no Muslim can be a terrorist because they are fulfilling the commands in their Quran. Dr. Michael Brown in his column “*In The Line of Fire*” for *Charisma News* wrote an article entitled “*Verses of Violence: Comparing the Bible and Quran*” in which he brought out three points: “1. The violent verses in the Bible were for a specific time and place; the violent verses in the Quran are spoken in general terms. 2. For Christians, the Old Testament is the foundation on which the New Testament is built and so the New Testament contains the final revelation. Significantly, there are no verses in the New Testament in which believers are called on to kill their enemies. For Muslims, the Quran is the final revelation. 3. The ultimate example for Christians is Jesus. For Muslims, Muhammad is the perfect man and the model to be followed. Jesus was crucified and ordered His followers not to defend Him from His fate. Muhammad, who began his mission as a preacher rather than a soldier, led pillaging raids (to get money for his followers); fought aggressive, offensive wars to subdue his enemies; and on one

famous occasion, beheaded his Jewish captives.” See the next report.)

Mozambique Islamists Behead over 50, Hack Them to Pieces in Mass Execution

November 11, 2020 -- *Breitbart.com* reports: “Islamist militants fighting for control of the gas-rich Cabo Delgado province in Mozambique held a mass execution on a soccer field over the weekend, beheading over 50 people and chopping their bodies to pieces.

Mozambique has been under attack by jihadis linked to the Islamic State for several years. The campaign escalated significantly when the jihadis focused their efforts on the vital port city of Mocimboa da Praia in late 2017, with an eye toward capturing or disrupting Mozambique’s lucrative natural gas industry.

The militants took control of Mocimboa da Praia and several other northern towns in the summer of 2020, inflicting a major setback on government troops and private security forces hired to protect the gas pipelines.

The insurgency calls itself Ahlu-Sunnah Wa-Jama, a name imported from a faction of the Al-Shabaab terrorist organization in Somalia. Some Mozambicans simply refer to the insurgents as ‘Al-Shabaab,’ although security analysts believe the Mozambique insurgency has no direct links to the Somali group.

Ahlu-Sunnah Wa-Jama unmasked its fighters last April and declared its goal of establishing a ‘caliphate’ in Mozambique. An attack on a Cabo Delgado village this month included nine beheadings and over forty people killed by gunfire...”

NEWS FROM ISRAEL AND THE MIDDLE EAST

PMW: For PA, peace means a Judenfrei state, ethnically cleaned of Jews

November 5, 2020 -- *The Jerusalem Post* reports: “For the Palestinian leadership, peace with Israel can only be achieved in a ‘judenfrei’ Palestinian

state – a state free of Jews, ethnically cleansed of the over 800,000 Jews who now live in West Bank and Jerusalem, Palestinian Media Watch (PMW) has said.

The NGO, which translates Arabic-language media into English to

highlight the incendiary claims made by Palestinian leaders, highlighted a recent speech by PA Deputy Prime Minister and PA Presidential Spokesman Nabil Abu Rudeina, who said: ‘The [Israeli] settlement[s] will disappear in the end. There will be no peace as long as there is

one settlement on the Palestinian lands. Just as the settlements were removed from Gaza, they will be removed from the West Bank.’

He continued, ‘either a peace that is based on an independent, fully sovereign [Palestinian] state with East Jerusalem as its capital and without settlers or settlements, or else there will be no security, no stability, and no peace.’

Palestinian Media Watch have flagged the comments, saying that Rudeina’s claims amount to calling for a judenfrei state. Not only that, but they are based on a false historical narrative, the NGO said...” **(Almighty God has stated: ...I will give them [Israel] an everlasting name, that shall not be cut off – Isaiah 56:5. Everlasting means everlasting. God promised to Abraham in Genesis 22:17: ... in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore... And because he loved thy fathers, therefore he chose their seed after them, and brought thee out in his sight with his mighty power out of Egypt; To drive out nations from before thee greater and mightier than thou art, to bring thee in, to give thee their land for an inheritance, as it is this day. Know therefore this day, and consider it in thine heart, that the Lord he is God in heaven above, and upon the earth beneath: there is none else. Thou shalt keep therefore his statutes, and his commandments, which I command thee this day, that it may go well with thee, and with thy children after thee, and that thou mayest prolong thy days upon the earth, which the Lord thy God giveth thee, for ever – Deuteronomy 4:37 – 40.)**

UN speaks of Temple Mount as solely Muslim site, ignores Jewish ties

November 6, 2020 -- *The Jerusalem Post* reports: “Some 138 United Nations countries approved a draft resolution that spoke of the Temple Mount solely as an Islamic holy site, by referencing it only by its Muslim

name of al-Haram al-Sharif.

It was one of seven pro-Palestinian, anti-Israel resolutions that the UN General Assembly’s Fourth Committee in New York passed on Wednesday.

The resolution was titled, ‘Israeli practices affecting the human rights of the Palestinian people in the Occupied Palestinian Territory, including east Jerusalem.’

The text did affirm the connection between Jerusalem and three monotheistic religions: Judaism, Christianity and Islam. Still the reference in the text to the Temple Mount, the location of the ancient Jewish Temple and the most holy site in Judaism, solely by its Muslim name is viewed as an attempt by UN member states to delegitimize and erase that well known history.

Israel’s Ambassador to the UN Gilad Erdan called the passage of the text ‘a disgrace.’ He added, ‘No resolution passed here will change the eternal connection between the Jewish people and the holiest site of our faith – Har HaBayit, the Temple Mount,’ Erdan said...” **(In Genesis 22:1-14 God commanded Abraham to bring his son Isaac to the land of Moriah and offer him as a sacrifice there. As he was about to complete the sacrifice, God stopped him and provided a ram as a substitutionary sacrifice. In I Chronicles 21:18 – 26, King David purchased this mount so he could build an altar to offer a sacrifice when he confessed his sin. This was the location where the angel of the Lord was commanded to stop the destruction of Jerusalem [I Chronicles 21:15]. In II Chronicles 3:1, King Solomon built the First Temple on Mount Moriah, this was started in 966 BC. This Temple stood until 586 BC when it was destroyed by the Babylonians. The Second Temple was built in 516 BC and enlarged by Herod the Great in 12 BC. It stood until it was destroyed by the Romans in AD 70. The Dome of the Rock was built in AD 692, and the Al Aqsa Mosque was not built until AD 705. It is obvious who has the rightful claim to the Temple Mount.)**

Shin Bet: Hamas recruiting teens to carry out terror attacks, kidnappings

November 10, 2020 -- *The Times of Israel* reports: “The Shin Bet security service on Monday accused the Hamas terror group of recruiting minors to carry out attacks on Israeli targets, saying it had recently arrested two such suspects.

‘The investigation determined that the minors were recruited through an online network to advance terrorist activities by Hamas officials from the [Gaza] Strip,’ the security agency said.

According to the Shin Bet, the underage suspects, from the Palestinian village of Beit Ummar northwest of Hebron, were arrested in October but details of the case were barred from publication until they were indicted earlier this month.

One of the suspects was 16 years old. The other’s age was not provided, though the Shin Bet said he too was a minor...” **(Proverbs 22:6 states: *Train up a child in the way he should go: and when he is old, he will not depart from it.* This is seen in the New Testament in the life of Timothy. Paul writes in II Timothy 1:5: *When I call to remembrance the unfeigned faith that is in thee, which first dwelt in thy grandmother Lois, and thy mother Eunice; and I am persuaded in thee also.* Islam also believes in training up a child – but not to follow the Lord. The Islamic State refers to them as “Cubs of the Caliphate” and has released training videos showing them murdering helpless prisoners. How warped can these barbarians be? Jesus said in Matthew 19:14: *...Suffer the little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.* And in Matthew 18:6 He stated: *But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.*)**

IRANIAN THREATS

Khamenei adviser: U.S. attack on Iran could set off a 'full-fledged war'

November 20, 2020 -- *Israel National News* reports: "An adviser to Iran's Supreme Leader, who is a possible 2021 presidential candidate, on Thursday warned that any American attack on the Islamic Republic could set off a 'full-fledged war' in the Middle East.

Speaking to *The Associated Press*, Hossein Dehghan struck a hard-line tone familiar to those in Iran's paramilitary Revolutionary Guard in which he served in before becoming a defense minister under President Hassan Rouhani.

"We don't welcome a crisis. We don't welcome war. We are not after starting a war, but we are not after negotiations for the sake of negotiations either," he told *AP*. He stressed in the interview that any negotiations with the West could not include Iran's ballistic missiles, which he described as a 'deterrent' to Tehran's adversaries..." **(More bragging and blustering from Iran. In 2016 the Global Firepower list puts the United States as the number 1 military power in the world. Israel ranks as number 16, and Iran is ranked as number 21. On May 19, 2019 President Trump tweeted: "If Iran wants to fight, that will be the official end of Iran. Never threaten the United States again!" See the next report.)**

No limit to where Iran can defend itself, Guards say

November 20, 2020 -- *SpaceWar.com* reports: "Iran's Revolutionary Guards are not tied to 'a specific geographical area' in defending the 'vital interests' of the Islamic republic, its commander said Thursday, in an apparent retort to Washington.

Guards commander Major General Hossein Salami, quoted on the official Guards website, *Sepahnews*, spoke

after *The New York Times* on Monday said that Donald Trump had recently asked top aides about the possibility of striking Iran's nuclear facilities.

But senior U.S. officials dissuaded Trump 'from moving ahead with a military strike,' warning that such an attack could escalate into a broader conflict in the last weeks of his presidency, the *Times* wrote.

Salami noted Iran's position in the energy-rich Gulf, calling it a 'strategic region for the world economy' in which Iran has 'a privileged and unique role in ensuring the safety of the maritime expanse'.

Salami was speaking at the inauguration of a new warship equipped with 'missile systems', a helipad and capabilities to launch drones from, as well as to transport speedboats, *Sepahnews* said.

"We are not limited to a specific geographic area to defend our security and our vital interests," Salami said.

"If some want to threaten the interests of this great nation and country, they will certainly not be safe anywhere on Earth," he added..."

Iranian TV on Iran's ballistic missile arsenal, narrator says: Missiles meant for Israel

November 18, 2020 -- *Israel National News* reports: "*IRINN TV* (Iran) aired a report about Iran's missile capabilities, with an emphasis on the missiles capable of striking Israel, reports the Middle East Media Research Institute (MEMRI).

The narrator described the range, capabilities, and warhead capacities of various families of Iranian missiles, including Shahab, Fateh, Sejil, Ghiam, Emad, and Fajr.

He elaborated that Hezbollah holds a large supply of Fateh-class missiles, which he claimed are the most accurate Iranian missiles, and he added that they can be used to target Israeli naval vessels and all of Israel's territory. In

addition, he also said that Palestinian fighters have been using the Fajr-3 and Fajr-5 missiles to target Israeli cities..."

(Israel will never be destroyed. God has declared His love for Israel from its very beginning: *And as for thy nativity, in the day thou wast born thy navel was not cut, neither wast thou washed in water to supple thee; thou wast not salted at all, nor swaddled at all. None eye pitied thee, to do any of these unto thee, to have compassion upon thee; but thou wast cast out in the open field, to the lothing of thy person, in the day that thou wast born. And when I passed by thee, and saw thee polluted in thine own blood, I said unto thee when thou wast in thy blood, Live; yea, I said unto thee when thou wast in thy blood, Live... Then washed I thee with water; yea, I thoroughly washed away thy blood from thee, and I anointed thee with oil – Ezekiel 16:4 – 6; 9. Deuteronomy 7:6-8 states: For thou art an holy people unto the Lord thy God: the Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth. The Lord did not set his love upon you, nor choose you, because ye were more in number than any people; for ye were the fewest of all people: But because the Lord loved you, and because he would keep the oath which he had sworn unto your fathers, hath the Lord brought you out with a mighty hand, and redeemed you out of the house of bondmen, from the hand of Pharaoh king of Egypt. Despite the rantings and ravings of the world: ... let us cut them off from being a nation, that the name of Israel may be no more in remembrance – Psalm 83:4, God has promised: ...I will give them [Israel] an everlasting name, that shall not be cut off – Isaiah 56:5.)*
