Supreme Court Overrules Roe v. Wade in Dobbs Decision – Returns Abortion to State Lawmakers

June 24, 2022 – *Breitbart.com* reports: “The Supreme Court overruled *Roe v. Wade* on Friday, holding in the *Dobbs* case that the Constitution does not include a right to abortion and returning the issue of abortion laws and regulations to state legislatures.

Justice Samuel Alito wrote for the Supreme Court in Friday’s 5-4 decision: Abortion presents a profound moral question. The Constitution does not prohibit the citizens of each State from regulating or prohibiting abortion. *Roe* and *Casey* arrogated that authority. We now overrule those decisions and return the authority to the people and their elected representatives.

Roe was handed down in 1973 in a 7-2 decision, holding that the U.S. Constitution includes a constitutional right to abortion, despite the fact that abortion is not found in the text, structure, or history of the Constitution, and the nation went more than 180 years without ever noticing it existed. It has been one of the most divisive legal issues in American history...”
(We thank the Lord for this decision by the Supreme Court. The Bible is very clear about children in the womb.

Samson told Delilah ...*I have been a Nazarite unto God from my mother’s womb...* – Judges 16:17. David stated: *For thou hast possessed my reins: thou hast covered me in my mother’s womb. I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well. My substance was not hid from thee, when I was made in secret, and curiously wrought in the lowest parts of the earth. Thine eyes did see my substance, yet being imperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them – Psalm 139:13-17. God told Jeremiah Before I formed thee in the belly, I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations – Jeremiah 1:5. Luke 1:41 – 45 states: And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb; and Elisabeth was filled with the Holy Ghost: And she spake out with a loud voice, and said, Blessed art thou among women, and blessed is the fruit of thy womb. And whence is this to me, that the mother of my Lord should come to me? For, lo, as soon as Zthe voice of thy salutation sounded in mine ears, the babe leaped in my womb for joy. And blessed is she that believed: for there*

shall be a performance of those things which were told her from the Lord. See the next report.)

Mike Pence on SCOTUS Overturning Roe: ‘Today, Life Won’

June 24, 2022 – *Breitbart.com* reports: “Former Vice President Mike Pence told *Breitbart News* exclusively on Friday he is thrilled the U.S. Supreme Court overturned *Roe v. Wade* and shifted the battle for life and against abortion back to the states.

‘Today, Life Won. By overturning *Roe v. Wade*, the Supreme Court of the United States has given the American people a new beginning for life, and I commend the justices in the majority for having the courage of their convictions,’ Pence said in response to the 5-4 decision from the U.S. Supreme Court in the *Dobbs v. Jackson Women’s Health Organization* case.

‘By returning the question of abortion to the states and to the people, this Supreme Court has righted an historic wrong and reaffirmed the right of the American people to govern themselves at the state level in a manner consistent with their values and aspirations,’ Pence continued in the statement...”

Biden calls on Congress to restore Roe v. Wade protections as federal law: 'This is not over'

June 24, 2022 – *FoxNews.com* reports: “President Biden on Friday urged Congress to restore the protections of Roe v. Wade by codifying abortion rights into federal law after the Supreme Court Friday overturned the landmark decision, while urging protesters to remain peaceful and saying ‘violence is never acceptable.’

The president, from the White House Friday, slammed the high court’s decision to overturn Roe v. Wade, which protected ‘a woman’s right to choose’ and ‘her right to make intensely personal decisions with her doctor, free

from interference of politics.’ Biden said Roe v. Wade ‘reaffirmed basic principles of equality that women have the power to control their own destiny, and to reinforce the fundamental right of privacy.’

The president also said Roe v. Wade ‘was a correct decision’ on a ‘complex matter through a careful balance between a woman’s right to choose.’

‘Let me be very clear and unambiguous: the only way we can secure a woman’s right to choose—the balance that existed—is for Congress to restore the protections of Roe v. Wade as federal law,’ Biden said. ‘No executive action from the president can do that.’...” *(These six things doth the Lord hate: yea, seven are an abomination*

unto him: A proud look, a lying tongue, AND HANDS THAT SHED INNOCENT BLOOD, An heart that deviseth wicked imaginations, feet that be swift in running to mischief, A false witness that speaketh lies, and he that soweth discord among brethren—Proverbs 6:16-19 [emphasis mine]. Statistics tell us that between 1973 – 2020 there were 63.6 million abortions in the United States. According to the Center for Disease Control there are 186 abortions per 1,000 live births, and according to The Guttmacher Institute there were 930,160 abortions in America in 2020. That is an incomprehensible amount of innocent blood that has been shed since Roe v. Wade in 1973.)

FAITH FOR THE FINAL HOUR

Gallup Poll: Belief in God Among U.S. Adults Dips to All-Time Low

June 20, 2022 -- *Breitbart.com* reports: “Belief in God among U.S. adults sank to an all-time low this year, according to recent data from a Gallup survey.

According to the survey, most U.S. adults — 81 percent — believe in God. But while that figure seems high, it is actually the lowest percentage ever reported in this survey. Up until 2011, over 90 percent said they believed in God, but the number has continued to drop, now down eight points from the 89 percent who expressed belief in God in 2016. The previous low was set in 2014, when 86 percent said they believed in God.

When Gallup asked the same question in 1953, 1954, 1965, and 1967, 98 percent said they believed in God.

Overall, 17 percent currently say they do not believe in God, and according to the survey’s findings, young people and leftists are the most likely not to believe.” *(...when the Son of man cometh, shall he find faith on the earth? – Luke 18:8. The article makes one wonder what the answer to that question would be. Behold, the days*

come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord: And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the Lord, and shall not find it. – Amos 8:11-12.

Thankfully, God always has a faithful remnant. In I Kings 19 following the victory over the prophets of Baal on Mount Carmel, Elijah fled to the wilderness after hearing a threat from Jezebel. We read: *...he himself went a day’s journey into the wilderness, and came and sat down under a juniper tree: and he requested for himself that he might die; and said, It is enough; now, O Lord, take away my life; for I am not better than my fathers. And as he lay and slept under a juniper tree, behold, then an angel touched him, and said unto him, Arise and eat. And he looked, and, behold, there was a cake baken on the coals, and a cruse of water at his head. And he did eat and drink, and laid him down again. And the angel of the Lord came again the second time, and touched him, and said, Arise and eat; because the journey is too great for thee. And he*

arose, and did eat and drink, and went in the strength of that meat forty days and forty nights unto Horeb the mount of God. And he came thither unto a cave, and lodged there; and, behold, the word of the Lord came to him, and he said unto him, What doest thou here, Elijah? And he said, I have been very jealous for the Lord God of hosts: for the children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, even I only, am left; and they seek my life, to take it away. And he said, Go forth, and stand upon the mount before the Lord. And, behold, the Lord passed by, and a great and strong wind rent the mountains, and brake in pieces the rocks before the Lord; but the Lord was not in the wind: and after the wind an earthquake; but the Lord was not in the earthquake: And after the earthquake a fire; but the Lord was not in the fire: and after the fire a still small voice. And it was so, when Elijah heard it, that he wrapped his face in his mantle, and went out, and stood in the entering in of the cave. And, behold, there came a voice unto him, and said, What doest thou here, Elijah? And he said, I have been very jealous for the Lord God of hosts: because the

children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, even I only, am left; and they seek my life, to take it away. And the Lord said unto him, Go, return on thy way to the wilderness of Damascus: and when thou comest, anoint Hazael to be king over Syria: And Jehu the son of Nimshi shalt thou anoint to be king over Israel: and Elisha the son of Shaphat of Abelmeholah shalt thou anoint to be prophet in thy room. And it shall come to pass, that him that escapeth the sword of Hazael shall Jehu slay: and him that escapeth from the sword of Jehu shall Elisha slay. Yet I have left me seven thousand in Israel, all the knees which have not bowed unto Baal, and every mouth which hath not kissed him. – I Kings 19:4-18 [Emphasis mine]. Thank God for His faithful remnant.)

Minister claims 'Bible must give way' to same-sex 'marriage'

June 13, 2022 -- *WND.com* reports: "A minister in the state-endorsed Church of Scotland stunningly has claimed that the Bible is not always the authority that people must follow.

The shocking statement comes from Rev. Scott Rennie, who openly lives a homosexual lifestyle, and concerns same-sex marriage.

The Christian Institute reported how Rennie's opinion concerns the Bible and whether it is the 'final word on sexual ethics.'

Rennie claimed that there's 'disagreement about Scripture and its place and its connection with reason and the modern world.'

He was being challenged by Rev. Andrew McGowan over the church's recent decision to allow ministers to conduct same-sex weddings in its churches..." *(Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! – Isaiah 5:20. Christians are being 'strategically driven' from their homes

June 23, 2022 -- *ChristianToday.com* reports: "The Christian presence is at risk of being completely erased from some parts of the world due to persecution, a new report warns.

'The Church on the Run' report by Open Doors describes a 'deliberate strategy' to weaken, silence or completely eradicate Christian populations.

'While displacement is sometimes perceived as an unintentional by-product of persecution, in many instances, it is intentional and can be part of a wider strategy to completely eradicate Christianity from the village, region or country. In some instances, the strategy is overt and public, in others it is covert and informal,' the report says.

Open Doors' Global Gender Persecution Specialist, Helene Fisher, said, 'Part of this deliberate strategy is to fracture religious communities.'

The most common driver of displacement for persecuted Christians was their family, followed by local and national government officials, the local community, and violent religious groups.

Converts reported receiving threats of death or violence, and being deprived of food or shelter..." *(If the world hate you, ye know that it hated me before it hated you. If I had not done among them the works which none other man did, they had not had sin: but now have they both seen and hated both me and my Father. These things have I spoken unto you, that ye should not be offended. They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service. Over 50 Feared Killed in Terror Attack on Nigerian Catholic Church

June 6, 2022 -- *PJMedia.com* reports: "Reports coming out of Nigeria say that dozens of worshippers including women and children were killed in an attack on St. Francis Catholic Church, in the southwestern Nigerian state of Ondo. The attackers targeted parishioners who were celebrating Pentecost Sunday, with terrorists firing weapons into the congregation and detonating explosives. The terrorists also abducted a priest.

'Only fiends from the nether region could have conceived and carried out such dastardly act,' said Nigerian President Muhammadu Buhari, according to a spokesman. He called the attack 'heinous' and promised, 'No matter what, this country shall never give in to evil and wicked people, and darkness will never overcome light. Nigeria will eventually win.' Buhari was elected to office on a platform of making Nigeria more secure..."

THE GROWING NUCLEAR THREAT

World headed for new era of nuclear rearmament: SIPRI

June 14, 2022 -- *SpaceWar.com* reports: "The number of nuclear weapons in the world is set to rise in the coming decade after 35 years of decline as global tensions flare amid Russia's war in Ukraine, researchers said Monday.

The nine nuclear powers — Britain, China, France, India, Israel, North Korea, Pakistan, the United States and Russia — had 12,705 nuclear warheads in early 2022, or 375 fewer than in early 2021, according to estimates by the Stockholm International Peace Research Institute (SIPRI).

The number has come down from a high of more than 70,000 in 1986, as the US and Russia have gradually reduced their massive arsenals built up during the Cold War.

But this era of disarmament appears to be coming to an end and the risk of a nuclear escalation is now at its highest point in the post-Cold War period, SIPRI researchers said.

'Soon, we're going to get to the point where, for the first time since the end of the Cold War, the global number of nuclear weapons in the world could start increasing for the first time', Matt Korda, one of the co-authors of the report, told *AFP*...' **(A huge nuclear war is prophesied multiplied times in God's Word. Report: China Pursuing 'Substantial Expansion' of Nuclear Arsenal

June 15, 2022 -- *Breitbart.com* reports: "A report published by the Stockholm International Peace Research Institute (SIPRI) on Monday said China is pursuing a 'substantial expansion' of its nuclear arsenal, including the development of new delivery systems and the construction of hundreds of additional missile silos.

'Several additional nuclear warheads are thought to have been assigned to operational forces in 2021 following the delivery of new mobile launchers and a submarine,' SIPRI said of China's nuclear development.

The report noted that China's total inventory of warheads did not increase last year, but 'the number of stockpiled warheads potentially available for use has changed because new launchers became operational during 2021.'

The Institutes Yearbook 2022 said that all nine nuclear-armed states 'continue to modernize their nuclear arsenals,' although the total number of nuclear weapons 'declined slightly' last year – a trend expected to reverse over the next decade...'

U.S., South Korea warn of swift reply if North Korea conducts nuclear test

June 14, 2022 -- *SpaceWar.com* reports: "The United States and South Korea warned Monday of a swift response if North Korea conducts a nuclear test, including US military 'adjustments,' but again offered talks as a way out.

The two allies say that North Korea could at any time test its first nuclear weapon since 2017, after months of escalating tensions including missile

tests and Pyongyang's rebuffing of overtures from President Joe Biden's administration.

Meeting his South Korean counterpart, Secretary of State Antony Blinken said that the United States was working with allies in Tokyo and Seoul 'to be able to respond quickly should the North Koreans proceed with such a test.'

'And we are prepared to make both short- and longer-term adjustments to our military posture as appropriate,' he said...'

Diplomatic source: 'Iran has enough material for three nuclear bombs'

June 7, 2022 -- *Israel National News* reports: "A diplomatic source has warned that Iran now has enough enriched uranium for three nuclear bombs.

The statement was made ahead of a conference of the Board of Governors of the International Atomic Energy Agency (IAEA).

'Iran has enriched enough uranium for three nuclear bombs,' the source said.

Discussions are expected to last about a week, after which the Board is expected to make a decision critical of Iran, for the first time in 2.5 years. At the same time, the decision is not expected to be harsh enough to lead to international sanctions on Iran, or even to a United Nations Security Council discussion on the matter.

The source emphasized that the detailed information regarding the scope of Iran's uranium enrichment appears in one of the two reports submitted to the Board of Governors by IAEA chief Rafael Grossi...'

Eisenkot: Iran would have had nukes years ago if not for Israel

June 2, 2022 -- *Israel National News* reports: "Former IDF Chief of Staff Gadi Eisenkot said that Iran would have obtained nuclear weapons as early as a decade ago were it not for Israeli actions

to prevent

‘Israel carries out diverse operations, most of which are covert, to prevent Iran from attaining nuclear capabilities,’ Eisenkot said at a security conference at Netanya Academic College Wednesday. ‘Without these actions I believe Iran would have already become a nuclear state some 7-10 years ago.’

Iran digging vast tunnel network south of Natanz nuclear facility

June 17, 2022 -- *Israel National News* reports: “Israeli and American intelligence officials have been watching each day as Iran digs a vast tunnel network just south of the Natanz nuclear production site, *The New York Times* reported on Thursday.

According to the report, the officials believe this is Tehran’s biggest effort yet to construct new nuclear facilities

so deep in the mountains that they can withstand bunker-busting bombs and cyberattacks.

Though the construction is evident on satellite photographs and has been monitored by groups that track the proliferation of new nuclear facilities, Biden administration officials have never talked about it in public and Israel’s defense minister has mentioned it just once, in a single sentence in a speech last month.

In interviews with national security officials in both nations, there clearly were differing interpretations of exactly how the Iranians may intend to use the site, and even how urgent a threat it poses.

The International Atomic Energy Agency said earlier this month that the country is just weeks away from being able to enrich enough bomb-grade fuel to make a single nuclear bomb, —though fashioning that into a usable weapon could take at least another two years, even by the most alarmist Israeli estimates, noted the *New York Times*...”

Iran’s IRGC head predicts defeat of Israel, US amid Israeli elections

June 22, 2022 -- *The Jerusalem Post* reports: “The head of Iran’s Islamic Revolutionary Guard Corps (IRGC), the quasi-military mafia that runs Iran, claimed that the US is seeking to leave the Middle East and that Israel is in danger of collapse.

It was not clear if IRGC Chief Commander Hossein Salami’s message was timed to coincide with the news of Israel’s apparent elections that will stir up the Israeli public in several months, but his speech repeated the usual Iranian mantra.

Iran is often frustrated that it has little to show for its claims of ‘resistance’ to Israel that it messages throughout the region, so it suffices to remain on message. The more Israel, the West and the US succeed, the more Iran claims they are fried and leaving the region.

‘Matan Kahana’s pitiful words, in addition to being fascist and disgusting, prove two important things: One, there

is still a very high percentage of Zionists who believe that ethnic cleansing is the solution to the Jewish problem. Two, his recognition of the fact that the Palestinian nation is a fact, and that it will continue to exist in its homeland forever,' Sarsur said.

Sarsur also supports 'redeeming' Jerusalem and creating a 'Palestinian' state in preparation for the creation of an Islamic caliphate in all of 'Palestine' and beyond it..." Xi Jinping Greatly Expands Chinese Military’s Mandate Beyond Defense, Tells World Not to Worry

June 17, 2022 -- *Breitbart.com* reports: “A Chinese Communist Party regulation signed by dictator Xi Jinping, whose many titles include chairmanship of the Central Military Commission (CMC), greatly expands the mandate of the People’s Liberation Army (PLA) to conduct ‘non-war military activities’ – a benign-sounding term that happens to be very similar to the language Russian dictator Vladimir Putin employs to describe his invasion of Ukraine.

The *South China Morning Post (SCMP)* on Thursday quoted Chinese academics and military experts who scrambled to reassure the world that Xi did not give the PLA a new mandate for conducting offensive military operations beyond China’s borders...” **(China will become a basic partner with Russia for the rapidly approaching battle of Armageddon – Revelation 16:16. Russia will lead invasion number one – Ezekiel 38 & 39. China will lead invasion number two – Revelation 16:12; Revelation 9:14 – 16. Then all nations will come against Jerusalem**

for the final invasion at which point Jesus will return to stop the bloodshed and set up his eternal kingdom upon earth – [He gathers] *all nations against Jerusalem to battle; and the city shall be taken... Then shall the Lord go forth, and fight against those nations, as when he fought in the day of battle. And his feet shall stand in that day upon the mount of Olives, which is before Jerusalem on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south – Zechariah 14:2 – 4. Then Psalm 2:6 occurs as God the Father says: ...I set my king upon my holy hill of Zion [Jerusalem]. See the next three reports.)*

China: U.S. Could ‘Spark World War III’ by Diversifying Mineral Supply Chains

June 17, 2022 -- *Breitbart.com* reports: “China’s state-run *Global Times* on Thursday warned the United States could ‘spark World War III’ by pushing too hard to decouple from the Chinese minerals industry by developing its own supply.

After a little throat-clearing and

harrumphing about how ‘it’s reasonable for any country to diversify its supply chains that involve critical resources,’ the *Global Times* said China would consider it tantamount to an act of war if the U.S. diversifies too much because Beijing sees decoupling as preparation for ‘an all-out conflict’ with America’s ‘strategic competitors’ that could escalate into ‘World War III.’

In the eyes of the Chinese Communist Party, the U.S. and its NATO allies could have no plausible reason for decoupling from peaceful China except ‘anxiety’ that they would lose their supply of precious minerals by starting a war...”

China tests missile-interception system

June 20, 2022 -- *The Jerusalem Post* reports: “China has carried out a land-based missile interception test that ‘achieved its expected purpose,’ the defense ministry said, describing it as defensive and not aimed at any country. China has been ramping up research into all sorts of missiles, from those that can destroy satellites in space to advanced nuclear-tipped ballistic missiles, as part of an ambitious modernization scheme overseen by President Xi Jinping.

Beijing has tested missile interceptors before; the most recent previous public announcement of a test was in February 2021, and before that in 2018. State media has said China has conducted anti-missile system tests since at least 2010. The ministry said in a brief statement late on Sunday that the ‘ground-based midcourse anti-missile intercept technology’ test had been carried out that night...”

China, Russia veto US bid at UN to punish North Korea

May 27, 2022 -- *SpaceWar.com* reports: “China and Russia on Thursday vetoed a US-led bid at the United Nations to toughen sanctions on North Korea over its missile launches, laying bare divisions that Western envoys fear would be exploited by Pyongyang.

The Security Council resolution put forward by the United States would have reduced the amount of oil North Korea could legally import as punishment for a test Wednesday of an intercontinental ballistic missile.

The resolution enjoyed the support of the 13 other members of the Security Council, although some US allies quietly wondered whether Washington should have gone ahead with the vote knowing the unflinching opposition from Beijing and Moscow.

China, the closest ally of North Korea, and Russia, whose relations with the West have sunk over its invasion of Ukraine, said they would have preferred a non-binding statement rather than a fresh resolution with teeth against Pyongyang...”

Taiwan Scrambles Jets to Warn Away Chinese Aircraft

June 22, 2022 -- *Voice of America News* reports: “Taiwan scrambled jets on Tuesday to warn away Chinese aircraft in its air defense identification zone including bombers that flew to the south of the island and into the Pacific, in the latest uptick in tensions and largest incursion since late May.

Taiwan, which China claims as its own territory, has complained for the past two years or so of repeated missions

by the Chinese air force near the democratically governed island, often in the southwestern part of its air defense identification zone, or ADIZ, close to the Taiwan-controlled Pratas Islands.

Taiwan calls China’s repeated nearby military activities gray zone warfare, designed to both wear out Taiwanese forces by making them repeatedly scramble and also to test Taiwanese responses.

The latest Chinese mission included 17 fighters and six H-6 bombers, as well as electronic warfare, early warning, antisubmarine and an aerial refueling aircraft, Taiwan’s defense ministry said. Some of the aircraft flew in an area to the northeast of the Pratas, according to a map the ministry provided...” (**A March 19, 2021 article in *The New York Times* – [Tense Talks With China Left U.S. ‘Cleareyed’ About Beijing’s Intentions, Officials Say](https://www.nytimes.com/2021/03/19/world/asia/china-us-alaska.html) <https://www.nytimes.com/2021/03/19/world/asia/china-us-alaska.html> states: “Just as Washington’s views on China have shifted after years of encouraging the country’s economic integration, so have Beijing’s perceptions of the United States and the privileged place in the world that it has long held. The Americans, in their view, no longer have an overwhelming reservoir of global influence, nor the power to wield it against China.**

That has made China more confident in pursuing its aims openly and unabashedly — from human rights issues in Hong Kong and Xinjiang to territorial disputes with India and Japan and others in the South China Sea to, most contentiously of all, the fate of Taiwan, the self-governing democracy that China claims as its own.

While China still faces enormous challenges at home and around the world, its leaders now act as if history is on their side.” See the next report.)

China vows ‘fight to the end’ to stop Taiwan independence

June 13, 2022 -- *SinoDaily.com* reports: “China will ‘fight to the very end’ to stop Taiwanese independence, the country’s defence minister vowed Sunday, stoking already soaring tensions with the United

States over the island.

The superpowers are locked in a growing war of words over the self-ruled, democratic island, which Beijing views as part of its territory awaiting reunification.

Frequent Chinese aerial incursions near Taiwan have raised the diplomatic temperature, and on Saturday, US Defense Secretary Lloyd Austin accused Beijing of ‘destabilising’ military activity in a speech to the Shangri-La Dialogue security summit.

Defence Minister Wei Fenghe hit back in a fiery address at the same event, saying Beijing had ‘no choice’ but to fight if attempts are made to separate Taiwan from China.

‘We will fight at all cost, and we will fight to the very end,’ he said...”

Five Nations Revive 51-year-old Security Pact Amid China Threat

June 15, 2022 -- *Voice of America News* reports: “Britain and four Asian members of the Commonwealth have announced efforts to expand and re-energize the Five Powers Defense Arrangements (FPDA), a 51-year-old series of mutual assistance agreements embracing the U.K, Malaysia, Singapore, and New Zealand.

At its core, the pact commits the members to consult with one another in the event or threat of an armed attack on any of the FPDA members and to mutually decide what measures should be taken, jointly or separately. There is no specific obligation to intervene militarily.

The pact was established in 1971, following the termination of the United Kingdom’s defense guarantees for what was then known as Malaya...” (**China is prophesied to be a top contender and bloody warrior during the battle of Armageddon – Revelation 16:16.
